Grace Commission Recommendations United States. Congress. Senate. Committee on Finance, 1984 **Catching a Star** T. Leon Doyle, 2012-03 You can take the boy out of the country but you can't take the country out of the boy For Ted Shannon growing up in the bayou bottom backwoods of Arkansas was like growing up in a storybook It was his paradise and he couldn't imagine living anywhere else So when his family moved into town his young life was changed forever Ted felt lost in so many ways Like a wild animal trapped in a zoo Ted roamed through his new life without direction confidence or the

security of familiar surroundings and ways Slowly he adapted to his new world and tried his best to accept this new reality And through it all he vowed to never betray the code of the backwoods God country family and finally self the code he had been reared to honor He believed in the Good Book and really tried to live a good life but the temptations of the big city were more than this country boy could handle He wrestled with God s command to take just one mate for all of his life and despite his most honorable intentions found that circumstances just kept getting in the way again and again and again He really meant to honor his wedding vows and was stunned when he learned that his wife couldn t return the courtesy Apparently circumstances got in her way too Now Ted has to fight to find the equilibrium between the good life and the life his new world has to offer The Arthur Andersen Chronicle ,1970 **Recessional** James Albert Michener,1994 The challenges and rewards faced by older adults and their families is the subject at the heart of this provocative new novel Set in a Florida retirement center called the Palms the book follows a group of unforgettable residents over the course of a year as their humorous triumphant narratives unfold **Home Spun** Leon Hale,1997 Home Spun is a delightful collection of Hale columns selected from work over the past eight years full of humor and wry observation presented in the easy going graceful prose style for which the author is noted **American Magazine** ,1925 My South Seas Sleeping Beauty Guixing Zhang,2007-03-15 My South Seas Sleeping Beauty is a captivating coming of age tale set in the magical jungles of Borneo Told through the vivid recollections of a Chinese Malay youth the novel recounts the life of Su Qi a troubled sensitive son of a wealthy family and exemplifies the imaginative range of one of Taiwan s most innovative writers There were all sorts of stories about how my younger sister died Su Qi begins hinting at the power of memory to bend and refract truth Yet whichever the real story may be the fact is that the death of Su Qi s sister created an irrevocable rift in Su Qi s family driving his father into the arms of aboriginal women and his mother into a world of her own invention In an effort to escape the oppression of home Su Qi loses himself in the surrounding jungle full of Communist guerillas and strange tropical fauna The jungle further blurs the line between fantasy and reality for Su Qi until he meets Chunxi the beautiful frail daughter of his father s best friend Chunxi is an oasis of kindness and honesty in an otherwise cruel and evasive world but after a bizarre accident Chunxi falls into a deep coma and Su Qui flees to Taiwan In college Su Qi meets Keyi a vivacious siren who helps Su Qi forget not only his violent past but also the colorful tales of his youth When a family member dies however Su Qi is pulled back to the jungles of Borneo where he begins to unravel the secrets of his family s past a story stranger than any fairy tale and learns that his cherished dream of awakening his beloved Chunxi may be more than just a fantasy Influenced by the lyricism of William Faulkner and the magical realism of Gabriel Garcia Marquez My South Seas Sleeping Beauty is a deeply evocative exploration of sexuality and identity and a masterful reworking of Chinese and Western myth Valerie Jaffee s careful translation retains all the tone and detail of the original work and provides rare access to a new and exciting generation of Chinese writers born in Southeast Asia
