Moved by God to Act Wm. Carter Aikin, 2014-01-03 Moved by God to Act offers a fresh description of Christian moral action as a moment of connection between divine and human agency Through an ecumenical consideration of a variety of resources this book gives an accessible description of the work of God s grace not only in individual Christian agency but also within the dynamics of Christian community Moved by God to Act brings the contemporary theological ethics of community into dialogue with the pneumatology of Thomas Aquinas The ethic emerging from this dialogue lifts up the centrality of God s grace in Christian community while at the same time offering a detailed articulation of the human being as naturally and beautifully drawn into cooperation with God s grace in the ethical life The book concludes by showing how Aquinas stands in substantial harmony with the contemporary authors discussed offering a proper description of God s agency in individual Christian human agency and the dynamics of the body of the Christian community to which the

contemporary discourse so rightly points Moved by God to Act is an attempt to speak to the work of God in the life and day to day action of Christians and Christian communities as moved to act by the Holy Spirit Where Texts and Children Meet Eve Bearne, Victor Watson, 2002-01-04 It is impossible to reflect upon children's books without considering the children who read them Where Texts and Children Meet explores the ways in which children make meaning of the various texts they meet both in and out of school Eve Bearne and Victor Watson have brought together chapters on all the major issues and topics in children's literacy including the meaning and relevance of terms such as literature and classic texts an analysis of new genres including picture books and CD ROMs moral dilemmas and cultural concerns in children's texts working with quality texts that children will also adore Where Texts and Children Meet shows how the world of children's books is changing and how teachers can build imaginative learning experiences for their pupils from a whole range of published materials The Theological and Literary Journal , 1854 Visual Communication David Machin, 2014-04-30 The primary goal of the volume on Visual Communication is to provide a collection of high quality accessible papers that offer an overview of the different academic approaches to Visual Communication the different theoretical perspectives on which they are based the methods of analysis used and the different media and genre that have come under analysis There is no such existing volume that draws together this range of closely related material generally found in much less related areas of research including semiotics art history design and new media theory The volume has a total of 34 individual chapters that are organized into two sections theories and methods and areas of visual analysis The chapters are all written by quality theorists and researchers with a view that the research should be accessible to non specialists in their own field while at the same time maintaining a high quality of work The volume contains an introduction which plots and locates the different approaches contained in it within broader developments and history of approaches to visual communication across different disciplines as each has attempted to define its terrain sometimes through unique concepts and methods sometimes through those borrowed and modified from others **My Name Is Leon** Kit de Waal, 2016-07-26 Taut emotionally intense and wholly believable this beautiful and uplifting debut Kirkus Reviews about a young black boy's quest to reunite with his beloved white half brother after they are separated in foster care is a sparkling novel perfect for fans of The Language of Flowers Leon loves chocolate bars Saturday morning cartoons and his beautiful golden haired baby brother When Jake is born Leon pokes his head in the crib and says I'm your brother Big brother My Name Is Leon I am eight and three quarters I am a boy Jake will play with no one but Leon and Leon is determined to save him from any pain and earn that sparkling baby laugh every chance he can But Leon isn't in control of this world where adults say one thing and mean another When their mother falls victim to her inner demons strangers suddenly take Jake away after all a white baby is easy to adopt while a half black nine year old faces a less certain fate Vowing to get Jake back by any means necessary Leon's own journey will carry him through the lives of a doting but ailing foster mother Maureen Maureen's cranky and hilarious sister Sylvia a social worker Leon knows only as The Zebra and
