The Age Of Innocence 1870-1880:

The Age of Innocence Robert Collins, 1977 **You Had to Be There** Robert Collins, 2012-11-13 They gained their maturity in an age of monumental and unprecedented change from horse and buggy Model T Ford and crank telephone to moonwalks space shuttles and the Internet They are better educated more affluent more vigorous and longer lived than any generation before them yet obstinately cling to a forthright simplicity no generation is likely to regain They are proudly old fashioned in their outlook hardworking and frugal in their ways They are the last enthusiastic patriots the last to accept authority with respect They are the last generation to have reached adulthood without television credit cards computers or the Pill Their younger critics may call them old fogies Robert Collins calls them Generation M for mature In *You Had to Be There* Robert Collins gives us the entire history of this extraordinary and hugely influential generation Through this fascinating story he weaves the voices of Canadians from across the country who speak with humour regret and passion about the hardships and triumphs of their lives and about the widening gap between themselves and the rest of Canada Generation gaps are as old as humankind but rarely has there been as much misunderstanding and veiled animosity as there is between young and old today Robert Collins accounts for the prejudices pokes fun at the rivalries and with humour and sympathy invites younger Canadians to re-examine their parents or grandparents lives and consider maybe for the first time the true proportion of their legacy **One woman's Charlottetown** Evelyn J. MacLeod, 1988-01-01 Margaret Gray Lord was the second daughter of Father of Confederation John Hamilton Gray and the wife of Artemas Lord The diaries portray the social life of a Victorian lady living in Prince Edward Island and cover her transition from a life of gentility in a British possession to one of domesticity in a Canadian province **Prairie People** Robert Collins, 2011-10-12 An intimate look at the people of the prairies in Manitoba Saskatchewan and Alberta who they are how they live what makes them a breed apart The prairies are Robert Collins's spiritual home He was born and raised on a Saskatchewan farm but spent most of his adult life living elsewhere Now he returns to his homeland to pay homage to the special character of the people who live in this unique region of Canada *Prairie People* is an absorbing combination of stories anecdotes and touches of history told in the voices of ordinary people and linked by the author's own narrative and memories It explores the characteristics that define these people to themselves and to the rest of Canada Prairie people are clearly not all alike city and town dwellers differ from farmers farmers from ranchers ranchers and cowboys from oilmen But many of the stereotypes are true They are defiantly pessimistic They believe they are tougher than everybody else They are uncommonly independent and self-reliant In this sympathetic yet realistic portrait Collins looks at where the original settlers of the prairies came from He describes how nature shaped them and how hard work through good times and bad toughened them He finds evidence of their legendary friendliness and neighbourliness And he seeks to understand their deep attachment either to the left and right in politics and their unifying distrust of Central Canada The League That Lasted Neil W. Macdonald, 2004-05-18 In the early 1870s

baseball was chaos mired in mismanagement and corruption William Hulbert the owner of Chicago's National Association team believed that a league run efficiently with honest competition would survive and flourish Hulbert relying on his pragmatic philosophy of molasses now vinegar later and working with his prize recruit Albert Spalding founded the National League in 1876 That inaugural season of the National League is chronicled in this heavily documented work The league fell far short of Hulbert's dreams in its first season but he stuck to his belief that integrity would win out in the end He not only prohibited Sunday baseball and the sale and consumption of alcohol within the league's ballparks but ousted two teams New York and Philadelphia from the league because they failed to meet their obligation to finish out the season Despite the setbacks scandals and considerable opposition all of which are thoroughly covered here the National League survived its first year
