

THE TRIUMPHAL CHARIOT OF ANTIMONY

(ANNOTATED)

BASIL VALENTINE

The Alchemical Chariot Of Basil Valentine

Basil Valentine

The Alchemical Chariot Of Basil Valentine:

The Triumphant Chariot of Antimony Basil Valentine, 2013-01 In alchemical symbolism Antimony is characterized as a lion able to devour all metals except the royal Gold The element itself has had a chequered past being on occasion considered almost a panacea and at other times condemned by both church and state Basilius Valentinus is a shadowy 16th century figure thought by some to have been Canon of the Benedictine Priory of Saint Peter in Erfurt Germany Some of his writings such as The Twelve Philosophical Keys are as obscure as the author's own origins but this present work The Triumphant Chariot of Antimony is a far clearer exposition of Antimony's alchemical properties intermixed with vibrant Gnosticism and not a little medical perceptiveness The Annotations of Theodore Kirkkringus who claims to have known the mysterious author are equally illuminating Regarded by many as the first monograph on a chemical element The Triumphal Chariot of Antimony is an important primary text for all those interested in the Royal Art of Alchemy and the occult wellsprings of modern science

Triumphal Chariot of Antimony, Twelve Keys, And Of Natural and Supernatural Things Basilius Valentinus, Arthur Edward Waite, 2020-09-28 When I had emptied to the dregs the cup of human suffering I was led to consider the wretchedness of this world and the fearful consequences of our first parents disobedience Then I saw that there was no hope of repentance for mankind that they were getting worse day by day and that for their impenitence God's everlasting punishment was hanging over them and I made haste to withdraw myself from the evil world to bid farewell to it and to devote myself to the service of God When I had spent some years at the monastery I found that after I had performed my work and my daily devotions I still had some time on my hands This I did not wish to pass in idleness lest my evil thoughts should lead me into new sins and so I determined to use it for the study and investigation of those natural secrets by which God has shadowed out eternal things So I read a great many books in our monastery written in olden times by philosophers who had pursued the same study and was thereby stimulated to a more ardent desire of knowing that which they also knew Though I did not make much progress at first yet at last God granted my earnest prayer and opened my eyes that I might see what others had seen before me In the convent there was a brother who was afflicted with a severe disease of the kidneys and to whom none of the many physicians he had consulted had been able to give even momentary relief So he had committed himself to the hand of God and despaired of all human aid As I loved him I gathered all manner of herbs extracted their salts and distilled various medicines But none of them seemed to do him the slightest good and after six years I found that I had tried every possible vegetable substance without any beneficial effect At last I determined to devote myself to the study of the powers and virtues which God has laid into metals and minerals and the more I searched the more I found One discovery led to another and after God had permitted unto me many experiments I understood clearly the nature and properties and the secret potency imparted by God to minerals and metals Among the mineral substances I found one which exhibited many colours and proved to be of the greatest efficacy in art The spiritual essence of this substance I extracted and therewith restored our sick brother in a few

days to perfect health For the strength of this spirit was so great as to quicken the prostrate spirit of my diseased brother who from that day to the day of his death remembered me in his hourly prayers And his prayers together with my own diligence so prevailed with God that there was revealed to me that great secret which God ever conceals from those who are wise in their own conceits Thus have I been wishing to reveal to you in this treatise as far as may be lawful to me the Stone of the Ancients that you too might possess the knowledge of this highest of earthly treasures for your health and comfort in this valley of sorrow I write about it not for my own good but for that of posterity and though my words be few and simple that which they import is of immeasurable magnitude Ponder them well that you also may find the Rock which is the foundation Stone of truth the temporal blessing and the eternal reward

Basil Valentine His Triumphant Chariot of Antimony Basilius Valentinus,1678 *The Alchemy Collection* Basil Valentine,Adam Goldsmith,2011-08-23 The Alchemy Collection The Works of Basil Valentine contains three of the most influential treatises from the great alchemist Basil Valentine The Triumphant Chariot of Antimony The Twelve Keys and Of Natural Supernatural Things The Triumphant Chariot of Antimony is perhaps Basil Valentine s most well known influential work Valentine dedicates this treatise entirely to antimony The alchemists regard it as one of the go to authoritative sources for the antimony path Contains four illustrations from the original manuscript The Twelve Keys is a great work by Basil Valentine centered around twelve plates or keys These keys contain various alchemical secrets hidden in code and other riddles This section includes original illustrations from the Twelve Key s print in Maier s 1618 Tripus Aurus manuscript The third section includes Basil Valentine s Of Natural Supernatural Things Republished Restored Revised and Compiled by Adam Goldsmith VITRIOL Publishing in 2013 *Basil Valentine His Triumphant Chariot of Antimony* Basilius Valentinus,1990 **Triumphal Chariot of Antimony** Basil Valentine,2016-09-18 Basil Valentine was allegedly a 15th century alchemist Here he describes the preparation of Antimony which in the form of its natural sulfide was known to the ancients and was used by them as a cosmetic and as a medicine The book was published in Nurnberg in 1676 and contains treatises by several famous alchemists including the Benedictine alchemist Basil Valentine who wrote the featured selection The engraving shows Mercury Antimony and other archetypal powers parading through the countryside in a chariot while an angel looks on from above The word triumphal refers not to the conquering of anything but rather to an ancient pagan procession in which people dressed up in costumes depicting the archetypal forces in nature were carried through the streets in a chariot For many alchemists especially Isaac Newton the metal Antimony became a more potent form of Mercury with which to work transformation They were fascinated by a property of Antimony to form a crystalline star the Star Regulus under certain conditions For alchemists of course that symbolized the Quintessence of matter The Secret Tradition in Alchemy Arthur Edward Waite,1926 **The Phoenix** Joe Nigg,2016-11-04 Arising triumphantly from the ashes of its predecessor the phoenix has been an enduring symbol of resilience and renewal for thousands of years But how did this mythical bird become so famous that it has played a part in

cultures around the world and throughout human history How much of its story do we actually know Here to offer a comprehensive biography and engaging un natural history of the phoenix is Joseph Nigg esteemed expert on otherworldly creatures from dragons to gryphons to sea monsters Beginning in ancient Egypt and traveling around the globe and through the centuries Nigg s vast and sweeping narrative takes readers on a brilliant tour of the cross cultural lore of this famous yet little known immortal bird This entertaining and informative look at the life and transformation of the phoenix will be the authoritative source for anyone fascinated by folklore and mythology re igniting our curiosity about one of myth s greatest beasts

Alchemy and Chemistry in Basil Valentine's Triumphal Chariot of Antimony Lawrence Michael Principe,1983 *The Occult Sciences in the Renaissance* Wayne Shumaker,2023-04-28 The only short and acceptable summary and analysis of the five Renaissance occult sciences Times Literary Supplement This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1979 The only short and acceptable summary and analysis of the five Renaissance occult sciences Times Literary Supplement This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to se

The Book Of Aquarius - Alchemy and the Philosophers Stone Anonymous,2012-02-28 Alchemy and the Philosophers Stone are real This is not a joke or a scam This book covers the full theory and practice of alchemy and how to make the Philosophers Stone capable of reversing the aging process and curing all disease to the effect that one could live forever This is an ancient secret which has never before been publicly released Please read the book before making any judgement on it this world is not what it seems to be

Alchemy Rediscovered and Restored Archibald Cockren,2025-06-30 More than a historical study Alchemy Rediscovered and Restored is a practical and philosophical guide to the ancient world of alchemy and the lost traditions of spiritual and material transformation A physician deeply immersed in both science and esotericism Archibald Cockren explores the alchemical path as a physical science and a journey of self realisation Reviving the practices and writings of early alchemists Alchemy Rediscovered and Restored is a blend of original texts commentary and reflections revealing the meanings behind the symbolic language and laboratory processes of occult practitioners First published in 1940 this unique work bridges the gap between ancient hermetic philosophy and the modern seeker s quest for inner and outer refinement

The Tower of Alchemy David Goddard,1999-01-15 The first book published in the West to reveal the teachings and practice of the Hermetic Art in plain language In this manual the alchemical symbols and motifs cease to be a bewildering maze and instead become sign posts on the Path of Liberation Goddard explains the interior practices that are the essence of the Great Work itself He uses classical Western imagery of the tarot and the Qabalah and traditions such as the Grail legend Yoga and Buddhism to give access to the Higher Mysteries

An Alchemical Quest for Universal

Knowledge Georgiana D. Hedesan, 2016-04-20 History of science credits the Flemish physician alchemist and philosopher Jan Baptist Van Helmont 1579 1644 for his contributions to the development of chemistry and medicine Yet as this book makes clear focussing on Van Helmont's impact on modern science does not do justice to the complexity of his thought or to his influence on successive generations of intellectuals like Robert Boyle or Gottfried Leibniz Revealing Van Helmont as an original thinker who sought to produce a post Scholastic synthesis of religion and natural philosophy Georgiana Hedesan reconstructs his ambitious quest for universal knowledge as it emerges from the text of the *Ortus medicinae* 1648 Published after Van Helmont's death by his son the work can best be understood as a compilation of finished and unfinished treatises the historical product of a life unsettled by religious persecution and personal misfortune The present book provides a coherent account of Van Helmont's philosophy by analysing its main tenets Divided into two parts the study opens with a background to Van Helmont's concept of an alchemical Christian philosophy demonstrating that his outlook was deeply grounded in the tradition of medical alchemy as reformed by Theophrastus von Hohenheim called Paracelsus 1493 1541 It then reconstitutes Van Helmont's biography while giving a historical dimension to his intellectual output The second part reconstructs Van Helmont's Christian philosophy investigating his views on God nature and man as well as his applied philosophy Hedesan also provides an account of the development of Van Helmont's thought throughout his life The conclusion sums up Van Helmont's intellectual achievement and highlights avenues of future research

The Journal of the Alchemical Society, 1913

Alchemy: Ancient and Modern H. Stanley Redgrove, 2019-11-21 In *Alchemy Ancient and Modern* H Stanley Redgrove intricately weaves the historical and philosophical threads of alchemy illustrating its evolution from mystical practice to a precursor of modern chemistry Employing a scholarly yet accessible literary style Redgrove delves into the intricacies of alchemical texts demystifying their symbolism and showcasing their relevance within the broader context of scientific development Through meticulous analysis he highlights the blend of art and science revealing how ancient alchemists sought to understand the nature of matter and the self ultimately setting the stage for the scientific revolution H Stanley Redgrove was not only a scholar of alchemy but also a passionate advocate for its intellectual legacy His extensive background in both chemistry and the history of science informed his perspective allowing him to bridge the gap between the esoteric and the empirical This dual insight coupled with his commitment to uncovering the profound impact of alchemy on contemporary thought fueled his desire to produce a work that could resonate with both scientists and humanities scholars alike *Alchemy Ancient and Modern* is highly recommended for readers intrigued by the intersection of science and mysticism Redgrove's engaging narrative invites both casual readers and dedicated scholars to explore the rich tapestry of alchemical thought thereby enriching their understanding of not only the past but also its enduring influence on modern scientific inquiry In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references

historical allusions and archaic phrases for an effortless more informed read The Routledge Companion to Literature and Science Bruce Clarke,Manuela Rossini,2010-09-13 Pt 1 Literatures and sciences pt 2 Disciplinary and theoretical approaches pt 3 Periods and cultures *Alchemy* H.S. Redgrove,1922 Being a brief account of the alchemistic doctrines and their relations to mysticism on the one hand and to recent discoveries in physical science on the other hand together with some particulars regarding the lives and teachings of the most noted alchemists **Hermetic Philosophy and Alchemy** Mary Anne Atwood,2005-05-24 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company Hermetic Philosophy and Alchemy M.A. Atwood,2012-11-12 This is a reprint of the 1920 edition of an important but almost unknown work When Atwood made her suggestive inquiry into what was termed The Hermetic Mystery she supposed that the adept Hieophants put the candidate into a deep trance and his soul was led into something that was for her the Supreme Oneness of everything

The Alchemical Chariot Of Basil Valentine Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Alchemical Chariot Of Basil Valentine has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Alchemical Chariot Of Basil Valentine has opened up a world of possibilities. Downloading The Alchemical Chariot Of Basil Valentine provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Alchemical Chariot Of Basil Valentine has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Alchemical Chariot Of Basil Valentine. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Alchemical Chariot Of Basil Valentine. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Alchemical Chariot Of Basil Valentine, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Alchemical Chariot Of Basil Valentine has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Alchemical Chariot Of Basil Valentine Books

1. Where can I buy The Alchemical Chariot Of Basil Valentine books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
