The Allocation Of Limited Entrepreneurial Attention:

The Allocation of Limited Entrepreneurial Attention Sharon Gifford, 2012-12-06 The Allocation of Limited Entrepreneurial Attention examines the implications of allocating limited entrepreneurial attention among activities or projects This book maintains that attention is simultaneously limited in that a decision maker can pay attention to only one thing at a time and entrepreneurial in that it may be allocated to evaluating a potential new project for possible adoption However since the outcome of the allocation of attention is not certain the number of projects among which attention can be allocated is stochastic and the maximum number of projects is endogenously determined by the optimal allocation of limited entrepreneurial attention and describes the implications of this analysis for a number of economic problems *Handbook of Research on Designing Sustainable Strategies to Develop Entrepreneurial Intention* Yanamandra, Ramakrishna, Indiran, Logaiswari, 2023-08-07 The Handbook of Research on Designing Sustainable Strategies to Develop Entrepreneurial Intention is a comprehensive book that addresses the issue of entrepreneurial intention and its development The book highlights the significant role of entrepreneurship in the growth and development of economies and presents a global understanding of entrepreneurial intention It discusses how the seeds of entrepreneurial intention are sown and how a supportive entrepreneurial ecosystem can develop successful entrepreneurs The book provides insights into the challenges and apprehensions faced by aspiring entrepreneurs This book develops models and frameworks to identify strategies best practices case studies and successful examples from multiple regions to develop entrepreneurial intention among students of higher education It bridges the gap between policies related to the entrepreneurial ecosystem and its implementation to nurture entrepreneurial intention among aspiring entrepreneurs This book is an essential resource for researchers industry practitioners academicians higher education institutions students policy makers corporate executives banks venture capitalists angel investors and entrepreneurs trying to re enter It is also highly useful for undergraduate graduate and research level students pursuing entrepreneurship education and aspiring to become entrepreneurs Overall the book provides an in depth understanding of entrepreneurial intention and how it can be nurtured to create successful entrepreneurs making it an important reference for anyone interested in entrepreneurship and economic growth

professional perspective to implementing IFRS 10 11 and 12 The new International Financial Reporting Standards IFRS 10 11 and 12 are changing group accounting for many businesses As business becomes increasingly global more and more firms will need to transition using the codes and techniques described in Principles of Group Accounting under IFRS This book is a practical guide and reference to the standards related to consolidated financial statements joint arrangements and disclosure of interests Fully illustrated with a step by step case study Principles of Group Accounting under IFRS is equally valuable as an introductory text and as a reference for addressing specific issues that may arise in the process of consolidating group accounts The new international standards will bring about significant changes in group reporting and it is essential for accountants auditors and business leaders to understand their implications Author Andreas Krimpmann is an internationally recognized authority on the transition from GAAP to IFRS and this new text comes packaged with GAAP IFRS comparison resources that will help make the changes clear Other bonus resources include an Excel based consolidation tool checklists and a companion website with the latest information Learn about Definitions requirements processes and transition techniques for IFRS 10 11 and 12 covering group level accounting Practical implementation strategies demonstrated through a clear case study of a midsize group Key concepts related to consolidated financial statements joint ventures management consolidation and disclosure of interests Comparisons between GAAP and IFRS to clarify the required changes for international firms Whatever stage of the consolidation process you are in you will appreciate the professional perspective in Principles of Group Accounting under IFRS *The Allocation of Multinational Business Income: Reassessing the Formulary Apportionment Option* Richard Krever,2020-02-20 The Allocation of Multinational Business Income Reassessing the Formulary Apportionment Option Edited by Richard Krever application of formulary apportionment in specific sectors such as digital enterprises and the banking industry the political economy of establishing and maintaining a successful formulary apportionment regime formulary apportionment proposals for Europe the role of traditional tax criteria such as economic efficiency fairness ease of administration and robustness to avoidance and incentive compatibility determining which parts of a multinational group are included in a formulary apportionment unit and whether innovative profit split methodologies such

as those developed by China are shifting traditional arm's length methods to a quasi-formulary apportionment system. Providing a comprehensive understanding of all aspects of the formulary apportionment option, this state-of-the-art summary of history, current practice, proposals and prospects in the ongoing debate over arm's length versus formulary apportionment methodologies will be welcomed by practitioners, policy makers and academics concerned with international taxation, all of whom will gain an understanding of the case put forward by proponents for adoption of formulary apportionment in Europe and globally and the counter arguments they face. Readers will acquire a better understanding of the implications of formulary apportionment and its central role in the current debate about the future of international taxation rules, providing all the intellectual ammunition needed to carefully re-examine one of the ideas traditionally considered as apocryphal by the OECD and to a significant portion of the tax professional community. Readers of this book will come away not only with a renewed understanding of the multiple facets of formulary apportionment but also of some of the fundamental pressure points in the international tax system. Accordingly, it is a welcome and timely addition to the literature.
