*The Amazing Zonk Wizardry* A. J. Ackerman, 2004-10-28      *Wizard's Holiday* Diane Duane, 2005-06-01 Two teen wizards embark on an alien exchange program in this hilarious and scary adventure from the author of *A Wizard Alone* Booklist Rest and relaxation that's what Nita Callahan thinks she's going to get when she and her partner wizard Kit Rodriguez go on a cultural exchange program But nothing about wizardry not even vacation is ever quite that simple Number one They're headed to a planet that may be just a bit too perfect Number two Nita's sister Dairine must host a trio of alien guests here on Earth Number three The culture clashes that ensue could have devastating consequences for both planets Praise for the Young Wizards series Duane is tops in the high adventure business This rollicking yarn will delight readers Publishers Weekly High Wizardry is high entertainment Locus Recommend this series to young teens who devour books about magic and wizards or kids looking for Harry Potter read-alikes School Library Journal Stands between the works of Diana Wynne Jones and Madeleine L. Engle An outstanding original work The Horn Book      **High Wizardry** Diane Duane, 2001 When her younger sister uses the family computer with its special wizard software to travel to worlds light years away Nita uses her wizardry to try to find her      **The Wizard's Handbook Revisited** Mario Garnet, 2016-04-15 Open the door to the School of Wizardry for an enchanting experience as you journey through the Grottos with magical instructors Travel through history with a shape shifter experience a Wiccan ceremony and discover a new astrology with a modern witch explore the human body with a doctor who morphs as a bird and delve into the science of quantum thought with an eccentric professor Finally learn how to perform magic with the Headmaster based on the knowledge acquired in the Grottoes and experience a personal revelation in the final ceremony Then open the Crypt to explore other possibilities Escape the trap of limited thinking Learn the secrets of wizards and how to think out of the box to become More Than You Can Be If one tenth of one percent of our young adults absorb this the world will improve dramatically M E Love it The teachers are very interesting unpredictable and captivating A P Mr Garnet makes learning about our world totally exciting and magical He cleverly uses Grottos and a Crypt instead of Chapters with an Appendix The book is truly a magical blend of words art and experience S L Wonderful Primer on Universal Law for young readers Please pick up a copy of this book for your young ones if Harry Potter contained one inkling of real magical education it might be something like this Written with wonderful narrative and real world knowledge from a Master in Mystical Science Smart as well as whimsical 5StarsA B      *The Wizard of Is and the Power of Not* T. V. Vessels, Jr., 2005-07 This book is a guide to prepare you of what to expect and detailing a few circumstances of being a landlord Your job being a landlord requires patience keen perception fix it skills and the ability to say no in the times of a tenant's personal crisis There are different scenarios in the book that may arise and in the end you should have some knowledge on what to expect Being a landlord is not always about the Benjamins      **Wizards at War** Diane Duane, 2007 Nita and Kit rejoin forces when a strange darkness of the mind overcomes the older wizards stealing away

their power and forcing the younger wizards to go to war to save the world      **Way of the Wizards - New Blood** J. E. Honey, 2011-10 Book One Way of the Wizards Series Fifteen wizards who live in a barren place need to find apprentices to pass on their knowledge of magic and wizardry before they die The first problem they face is remembering how to speak as they currently use only telepathic communication This gave me a fun way of introducing each of them and a glimpse into their characters They send out seven wizards into the world who each bring back an apprentice One wizard notices that four of the candidates are females this causes a discussion on the reasons why wizards have always been men and they have to change their rules This created a way for me to look at the male and female differences real and imagined Each apprentice has a form of communication problem giving me an opportunity to explore the ways kids adapt to protect themselves from life experiences and different forms of life abuse Each apprentice has to go before the higher council who has to decide if each of them have the right spirit stamina strength and are dedicated to become wizards and to live in the middle of nowhere There is lots of problem solving that takes place as each group adapts to the other and how each individual personality unfolds As the wizards have lived so long with only each other for company they have all become more and more like each other and as things change so do they slowly become more of an individual Author J E Honey James ambitions as a writer are to communicate entertain and give something back for what he has received from the books and people that has helped him so often over the years The author of many short stories James has co authored Purple Moon with Sue McCormack and offered many other story ideas to others He has had a couple of short stories published by the Alternative Natural Philosophy Association James is interested in other things such as painting drawing and carving not to mention his studies with various healing energies James has retired to Wales and is devoting more time to writing the Way of the Wizards Series Visit the wizards of Pearland and their apprentices at and interact with them      *Young Wizards: Lifeboats* Diane Duane, 2015-10-07 When the renowned saurian Species Archivist to the Powers that Be summons young wizard Kit Rodriguez to participate in an urgent off planet intervention intended to save many millions of lives Kit s hardly going to say no He soon discovers that not only he but his wizardly partner Nita Callahan and her sister Dairine his friend Ronan Nolan and thousands of other wizards from Earth have been drafted in to intervene on the distant world called Tevaral The planet s single huge moon Thesba will soon break up raining its remnants down onto the surface of Tevaral and completely destroying it The wizards mission to extract Tevaral s hominid population and raft them off planet to new homeworlds before the apocalyptic disaster begins There s only one problem millions of the people of Tevaral don t want to go Kit Nita and thousands of their fellow Earth wizards must now race against time to find a way to save the Tevaralti despite their near symbiotic relationship with their beloved world and its unique life forms As doomsday inexorably draws nearer hope is fading fast and it seems like it s going to take a miracle to keep many millions of the people of Tevaral from being wiped out True wizardry is all about miracles But will one turn up in time *Young Wizards Lifeboats* is a 90 000 word canonical work in the Young Wizards
