The False Step, and The Sisters. [Two Novels by Miss - Jones.] Miss Jones, 1832 *Sororophobia* Helena Michie, 1992-05-28 This book looks at how differences among women have been textually represented at a variety of historical moments and in a variety of cultural contexts including Victorian mainstream fiction African American mulatto novels late twentieth century lesbian communities and contemporary country music Sororophobia designates the complex and shifting relations between women's attempts to identify with other women and their often simultaneous desire to establish and retain difference Michie argues for the centrality to feminism of a paradigm that moves beyond celebrations of identity and sisterhood to a more nuanced notion of women's relations with other women which may include such uncomfortable concepts as envy jealousy and competition as well as more institutionalized ideas of difference such as race and class Chapters on literature are interspersed by inter chapters on the choreography of sameness and difference among women in popular culture

Disorderly Sisters Leila Silvana May, 2001 Historians and literary critics have long understood the crucial significance of the family to the nineteenth century middle class sensibility but almost all critical analyses to date have concentrated on the vertical pole of the familial axis the parent-child relationship and very little on the horizontal pole the sibling bond This book looks beyond these analyses to show that at the core of nineteenth century domestic ideology is the figure of the sister BOOK JACKET
