**The Grim Reaper** Stu Grimson, 2019-10-15 A powerful memoir from an NHL heavyweight champion who moved from the dressing room to the courtroom NHL tough guys all tell the same story They all grew up dreaming of skating in the big league as stars Then one day a coach tells them the only way to make it is to drop the gloves And every guy says the same thing I ll do whatever it takes to play in the NHL Not Stu Grimson though When he was offered a contract to patrol the ice for the Calgary Flames he said no thanks and went to university instead And that s the way Grimson has approached his career and his life on his own terms He stared down the toughest players on the planet for seventeen years while working on his first university degree He retired on his own terms and went on to practice law including a stint as in house counsel for the NHLPA This has put him in a unique position when it comes to commenting on the game He s seen it from the trenches and he s seen it from the courtroom This puts him in the eye of the storm surrounding fighting and concussions And he handles that the way he does everything on his own terms When Don Cherry called him out on television it was the seemingly indomitable Cherry who backed down Hockey fans will be fascinated by his data driven defence of fighting But in the end this is not a book about fighting and locker room stories It s the story of a young man who ultimately took on the toughest role in pro sports and came out the other side Where many
