to write essays and reports for exams and coursework but writing good academic English is one of the most demanding tasks students face. The Essentials of Academic Writing for International Students has been developed to help these students succeed in their assignments quickly. This course has a clear easy to follow structure. In the first part Process and Skills each stage of the writing process is demonstrated and practised from selecting suitable sources reading note making and planning through to re writing and proof reading. Each unit contains examples explanations and exercises for use in the classroom or for self study. The units are clearly organised to allow teachers and students find the help they need with writing tasks. The second part of the book Elements of Writing deals with key areas for improving accuracy such as academic vocabulary using numbers and punctuation. This section can be linked with the first part or used for reference or self study. All international students wanting to maximise their academic potential will find this practical and easy to use book an invaluable guide to writing in English for their degree courses. All elements of writing are clearly explained. Full range of practice exercises with answer key included. Use of authentic academic texts and examples. Fully up to date with sections on finding electronic sources and evaluating internet material.

*Soft Skills - Enhancing Employability* M. S. Rao, 2010. The Direction in which education starts a man will determine his future. Plato. Currently there is a wide chasm between the campus and the industry. There is vast gap between the art and the craft. The book helps in connecting the campus with the corporate by bridging the gap between the campus and the industry and by blending both the art and the craft. It helps you understand and appreciate both soft and hard skills. It differentiates between unemployability and unemployment. It enlightens you about the expectations of employers. It equips you with tools and techniques to enhance your employability. Finally it builds your confidence and competence to bag your coveted job. The book is divided into three sections. Section I deals with various aspects of soft skills and what constitutes soft skills. Section II outlines the current challenges in the Indian educational system. Section III emphasizes on overcoming the challenges. It unveils the secrets and strategies in enhancing employability. The book concludes that an integrated and coordinated approach by all the stakeholders such as educational institutions educators students recruiters and parents is essential in enhancing employability among youth. The book is beneficial to all those who would like to enhance their employability skills and also to educators employees educational institutions recruiters and above all students.
