Skirts And Slacks Poems:

Skirts and Slacks W.S. Di Piero, 2013-09-04 W S Di Piero a fresh and powerful voice in American poetry opens this collection about public and private worlds with poems that revisit the deaths of his parents It is an important adult passage for him and for them a last chance to leave a message his father lying in bed bemused and contemptuous of the hell in which he lay his mother soon to be laid out in the cheap gold flats that made her look young and men look twice Di Piero writes poems of relationships of ordinary beauty of the deep visceral memories that shape who we become He reveals the art in the everyday sometimes literally as when he spies a Vermeer beauty in a girl with nose studs at the ATM or Van Gogh's self portrait in a small time bookie Whether describing the uncertainty of sexual love your footpads wet after a bath left prints like our conversations every which way or a panhandler in Port Authority Show you to your bus or an excellent candy bar he is delicate and direct at once a no nonsense guide to his surroundings who is moved by what he sees His strong elegantly simple statements of truths of feeling go beyond the pleasure of the words themselves and restore us to the thrill of honesty in our own lives

A Century of Poetry in The New Yorker New Yorker Magazine Inc, 2025-02-04 Edited by the magazine's poetry editor Kevin Young a celebratory selection from one hundred years of influential entertaining and taste making verse in The New Yorker Seamus Heaney Dorothy Parker Louise Bogan Louise Glück Randall Jarrell Langston Hughes Derek Walcott Sylvia Plath W S Merwin Czesław Miłosz Tracy K Smith Mark Strand E E Cummings Sharon Olds Franz Wright John Ashbery Sandra Cisneros Amanda Gorman Maggie Smith Kaveh Akbar these stellar names make up just a fraction of the wonderfulness that is present in this essential anthology The book is organized into sections honoring times of day Morning Bell Lunch Break After Work Drinks Night Shift allowing poets from different eras to talk back to one another in the same space intertwined with chronological groupings from the decades as they march by the frothy 1920s and 1930s despite the depression Young notes the more serious 40s and 50s introducing us to the early greats of our contemporary poetry like Elizabeth Bishop W S Merwin and Adrienne Rich the political 60s and 70s the lyrical 80s and 90s and then the 2000s with their explosion of greater diversity in the magazine greater depth and breadth Inevitably we see the high points when poems spoke directly into about or against the crises of their times the war poetry of W H Auden and Karl Shapiro the remarkable outpouring of verse after 9/11 who can forget Adam Zagajewski's Try to Praise the Mutilated World and more recently stunning poems in response to the cataclysmic events of COVID and the murder of George Floyd The magazine's poetic influence resides not just in this historical and cultural relevance but in sheer human connection exemplified by the passing verses that became what Young calls refrigerator poems the ones you tear out and affix to the fridge to read again and again over months and years Our love for that singular Billy Collins or Ada Limón poem or lines by a new writer you've never heard of but will hear much more from in the future is what has made The New Yorker a great organ for poetry a mouthpiece for our changing culture and way of life even a mirror of our collective soul

Collected Poems 1950-1993 Vernon Scannell,2013-07-04 In 2002 Vernon Scannell wrote the following It has been my firm belief since I first began to attempt the art of poetry that the making of a poem should be as Yeats asserted a difficult business However I have always felt reservations about what seems to me the only partially true belief stated by both Eliot and Hopkins in their different ways that the meaning of a poem is of less significance than its structure and texture Eliot's nice bit of meat for the house dog Ideally the poem should be the perfection of expression of meaning inseparable from the methods by which that expression is achieved As Paul Valéry has said A man is a poet if the difficulties inherent in his art provide him with ideas he is not a poet if they deprive him of ideas That was an important statement his credo It can accurately be said that almost every poem in this collected volume bears testimony to it Although not covering the full span of his career Scannell didn't die until 2007 and was writing almost literally until the very end the body of his work is here and how impressive it is On immaculate display is a conspectus of poems embracing the narrative lyrical satirical and contemplative There are poems of pathos and comedy intelligence and passion whatever their form free verse or rhyming tenor or subject they are executed with unfailing craftsmanship In his obituary of Vernon Scannell Alan Brownjohn wrote What might have been considered unusual given a colourful even swashbuckling personality that spawned innumerable anecdotes was his fastidious procedure as a poet his unflinching focus on the age old themes of love war and death his concern for a real involvement with living experience Craft and care and for that matter clarity and accessibility were unquestionable necessities if you were serious about the art students on Scannell's creative writing courses were liable to be sat down hangover or not to write a sonnet after breakfast Scannell is one of what appears to be a vanishing breed a poet of technical accomplishment who understands that poetry like the other arts is a craft as well Charles Osborne Sunday Telegraph You actually want to go back and revisit the poems many times Their shrewd structures hold their elements firmly in place and they resonate also with the kind of humanity time is generous to Scannell has earned a place in the tradition of English poetry Paul Fussell Poetry Review accurate humane humorous often eloquent and always well made poems Anthony Thwaite Sunday Telegraph

Brother Fire W.S. Di Piero,2013-09-04 In this rich collection W S Di Piero seeks the spirit and substance of illumination in all its forms He finds meaning or shows us how we attempt to do so in the rituals and events that mark our year the Fourth of July Halloween New Year s Eve and in the ordinary activities of mowing dancing drinking trying to stay warm The Kiss recounts how as a young man the poet was not called to the priesthood in Prayer Meeting he recalls watching his mother iron with her hopeless routine longing and declares I wanted more than what I prayed for For all their simplicity Di Piero s direct often conversational turns of phrase reveal a world aflame with troubles with love with surprising lyrical epiphanies Didn t You Say Desire Is like the elephant fog shredded north a white sun going down Bessemers fired through clouds horizoned on my dog eared stack It feels good and right to waste earnest hours of an early evening s daylight saving time in uncertainty and want these cranky climates changing in us while we haven t started dinner yet The Open Door Don Share,Christian Wiman,2012-09-25 Poetry s archives are incomparable and to celebrate the magazine s centennial Don Share and Christian Wilman combed them to create a new kind of anthology energized by the self imposed limitation of one hundred poems Rather than attempting to be exhaustive or definitive or even to offer the most familiar works they have assembled a collection of poems that in their juxtapositions echo across a century of poetry To Each His Own Leonardo Sciascia,2000-10-31 This letter is your death sentence To avenge what you have done you will die But what has Manno the pharmacist done Nothing that he can think of The next day he and his hunting companion are both dead The police investigation is inconclusive However a modest high school teacher with a literary bent has noticed a clue that he believes will allow him to trace the killer Patiently methodically he begins to untangle a web of erotic intrigue and political calculation But the results of his amateur sleuthing are unexpected and tragic To Each His Own is one of the masterworks of the great Sicilian novelist Leonardo Sciascia a gripping and unconventional detective story that is also an anatomy of a society founded on secrets lies collusion and violence Burnsiana.
