The American Way of Life Lawrence R. Samuel,2017-05-25 Telling the full story of the American Way of Life or more simply the American Way in the United States over the course of the last century reveals key insights that add to our understanding of American culture Lawrence R Samuel argues that since the term was popularized in the 1930s the American Way has served as the primary guiding mythology or national ethos of the United States More than that however this work shows that the American Way has represented many things to many people making the mythology a useful device for anyone wishing to promote a particular agenda that serves his or her interests A consumerist lifestyle supported by a system based in free enterprise has been the ideological backbone of the American Way but the term has been attached to everything from farming to baseball to barbecue There really is no single identifiable American Way and never has been it

becomes clear after tracing its history making it a kind of Zelig of belief systems If our underlying philosophy or set of values is amorphous and nebulous then so is our national identity and character Samuel concludes implying that the meaning of America is elastic and accommodating to many interpretations This unique thesis sets off this work from other books and helps establish it as a seminal resource within the fields of American history and American studies *Dry Goods Reporter and Midwest Merchant-economist* ,1915 The Author & Journalist ,1928 **Author and Journalist** ,1925 A Centennial Commissioner in Europe, 1874-76 John Weiss FORNEY,1876 **Food in Motion** Alan Davidson,1983 *In the Continuum and Other Plays* Rory Kilalea,2019-09-05 Belonging a radio play by Mirirai Moyo Introduction to Belonging Rory Kilalea Notes and questions When I meet my mother by Kathleen McCreery Introduction to When I meet my mother by Michael Bourdillon Notes and questions In the continuum by Danai Gurira and Nikkole Salter Introduction to In the continuum by Rory Kilalea Notes and questions Power failure a radio play by Jide Olugbenga Afolayan Introduction to Power failure by Rory Kilalea Notes and questions
