**Die Slavischen Sprachen / The Slavic Languages. Halbband 1** Sebastian Kempgen,Tilman Berger,Peter Kosta,Karl Gutschmidt,2009 In many respects the agreement systems of Slavonic languages are close to canonical Controllers of agreement are often present they have overt expression of features and they take consistent agreements The target has obligatory bound expression of agreement and there is matching of features values for person number and gender How ever Slavonic also shows several very interesting instances of agreement choices induced by a range of different controller types These agreement choices provide good evidence for the constraints of the Agreement Hierarchy and the Predicate Hierarchy

as well as for various types of condition on agreement notably animacy and precedence **Polish Americans** Helena Znaniecka Lopata, 1976 For one semester undergraduate or graduate courses in accounting information systems A market leading text with the most comprehensive flexible coverage of AIS available Revel™ Accounting Information Systems delivers the most unprecedented coverage of each major approach to teaching AIS giving instructors the opportunity to reorder chapters and focus the material to suit their individual course needs The 15th Edition covers all of the most recent updates in AIS including how developments in IT affect business processes and controls the effect of recent regulatory developments on the design and operation of accounting systems and how accountants can use AIS to add value to an organization Not only will students see how AIS has changed the role of an accountant but they'll also be prepared for a successful accounting career in public practice industry or government Revel is Pearson's newest way of delivering our respected content Fully digital and highly engaging Revel replaces the textbook and gives students everything they need for the course Informed by extensive research on how people read think and learn Revel is an interactive learning environment that enables students to read practice and study in one continuous experience for less than the cost of a traditional textbook NOTE Revel is a fully digital delivery of Pearson content This ISBN is for the standalone Revel access card In addition to this access card you will need a course invite link provided by your instructor to register for and use Revel **Die slavischen Sprachen / The Slavic Languages.
