Thomas, 2018-12-05 *Brotherhood of Mt Shasta* is a strange and exciting new novel which leads the reader through a succession of extraordinary adventures adventures not confined to the physical but bravely storming the realms of mind and spirit If you are one who is weary and bewildered by conditions as they exist in the world today here is escape certainly for it is tale packed with thrills But it is more than that for the author Eugene E Thomas has the philosophy and the skill to instruct while beguiling his readers into travelling new and fascinating paths The story of Donald Crane and his search for a mystic Brotherhood and spiritual wisdom has its setting in the mysterious inner recesses of Mount Shasta where Crane attains sufficient soul development to receive initiation into the secret rituals of the ancient order he seeks Subsequently his own previous incarnations are revealed to him in a colorful panorama of intriguing episodes which challenge the imagination and excite the interest in the philosophy of reincarnation Brotherhood of Mount Shasta will bear deep and significant implications to its readers We predict that even the skeptic may be induced to wonder to ponder and to think *The Massacres at Mt. Halla* Hun Joon Kim, 2014-02-25 In *The Massacres at Mt Halla* Hun Joon Kim presents a compelling story of state violence human rights advocacy and transitional justice in South Korea since 1947 The Jeju 4 3 events were a series of armed uprisings and counterinsurgency actions that occurred between 1947 and 1954 in the rugged landscape around Mt Halla in Jeju Province South Korea The counterinsurgency strategy was extremely brutal involving mass arrests and detentions forced relocations torture indiscriminate killings and many large scale massacres of civilians The conflict resulted in an estimated thirty thousand deaths about 10 percent of the total population of Jeju Province in 1947 News of this enormous loss of life was carefully suppressed until the success of the 1987 June Democracy Movement After concisely detailing the events of Jeju 4 3 Kim traces the grassroots advocacy campaign that ultimately resulted in the creation of a truth commission with a threefold mandate to investigate what happened in Jeju to identify the victims and to restore the honor of those victims Although an official report was issued in 2003 resulting in an official apology from President Roh Moo Hyun the first presidential apology for the abuse of state power in South Korea's history the commission's work continues to this day It has

long been believed that truth commissions are most likely to be established immediately after a democratic transition as a result of a power game involving old and new elites Kim tells a different story he emphasizes the importance of sixty years of local activist work and the long history of truth's suppression
