surprisingly complex history of the 80s teen movie And while the films might have been aimed primarily at adolescents the best tackle universal issues and remain relevant to all ages From a late 70s Hollywood influx to an early 90s indie scene that gave youth cinema a timely reboot film expert James King highlights the personal struggles the social changes and the boardroom shake ups that produced an iconic time in movie history Admirably opting for analysis over nostalgia and gossip King examines the origin production and cultural afterlife of seemingly every youth centric 1980s movie you ve ever heard of and more An excellent adventure through a distinct and genre spanning era in cinema history For casual movie fans and industry minded cinephiles alike Library Journal

The Scar That Binds Keith Beattie,2000-07-01 At the height of the Vietnam War American society was so severely fragmented that it seemed that Americans may never again share common concerns The media and other commentators represented the impact of the war through a variety of rhetorical devices most notably the emotionally charged metaphor of the wound that will not heal References in various contexts to veterans attempts to find a voice and to bring the war home were also common Gradually an assured and resilient American self image and powerful impressions of cultural collectivity transformed the Vietnam war into a device for maintaining national unity Today the war is portrayed as a healed wound the once silenced veteran has found a voice and the American home has accommodated the effects of Vietnam The scar has healed binding Americans into a union that denies the divisions diversities and differences exposed by the war In this way America is now over Vietnam In *The Scar That Binds* Keith Beattie examines the central metaphors of the Vietnam war and their manifestations in American culture and life Blending history and cultural criticism in a lucid style this provocative book discusses an ideology of unity that has emerged through widespread rhetorical and cultural references to the war A critique of this ideology reveals three dominant themes structured in a range of texts the wound the voice of the Vietnam veteran and home The analysis of each theme draws on a range of sources including film memoir poetry written and oral history journalism and political speeches In contrast to studies concerned with representations of the war as a combat experience *The Scar That Binds* opens and examines an unexplored critical space through a focus on the effects of the Vietnam War on American culture The result is a highly original and compelling interpretation of the development of an ideology of unity in our culture

At the Movies Jim Bostjancic,2023-03-31 In *At the Movies* follow the story of Garbonzo a young boy growing up in Vancouver in the 1970s whose passion for movies leads him on a journey of self discovery As he befriends the local film critic and starts sneaking into restricted shows he develops a love for the works of director Sam Peckinpah and a deeper understanding of the power of cinema But when he gets caught up with the wrong crowd and ends up in jail he loses everything including his love interest and his job at the local theater Years later he returns to his hometown to find the theater industry in decline but is given a chance to save the remaining theaters and make his dreams a reality *At the Movies* is a coming of age tale that explores the transformative power of cinema on both an individual and a community level
