Oppliger,2013-10-03 The numerous anti

bullying programs in schools across the United States have done little to reduce the number of reported bullying instances. One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents bullying and mean girl behavior. This book addresses media role models in television, film, picture books, and the Internet in the realm of bullying and relational aggression. It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all. Young viewers may learn ineffective even dangerous ways of handling aggressive situations. Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals. They may also feel their experiences are trivialized by comic portrayals. Entertainment programming aimed particularly at adolescents often portray adults as incompetent or uncaring and include mean spirited teasing. In addition, overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem. **Please Stop Licking the Window** Carol

Gilreath, 2012-01-11 This book describes the difficulties a family encounters as they live through a heartrending journey with a son who has chosen a life of addiction. Many families will be able to relate to the scenarios within their own lives. It is written with an interesting twist of nursery rhymes revised to describe a young man's attempt at life. Don't be surprised to read that Cliff could jump over the moon or that the Son came down and washed the devil out. In this account of a family's attempt at normalcy, one realizes that a life guided by Christ will never be normal because He specializes in the unbelievable. The faith of a mother, the grace of the Lord, and the undeniable hold of addiction are all rolled up in this story of a boy who always seems to be just beyond the window. From Then to Now Mitzi Mensch, 2016-09-22

From Then to Now is a novel within a novel. Maggie figures that with events being so old, it is safe to tell all. Figuring wrong is her first mistake. Downloading the manuscript onto her grown daughter's computer is her second mistake. Andrea is dismayed to discover Maggie's infidelity in her first marriage and shocked to learn of her grandmother's cloistered pregnancy and forced adoption of her newborn daughter. She uses the Internet to find the people mentioned in her mother's story more to satisfy her own curiosity than to bring her mother peace. From Then to Now spans six decades and addresses changes both individual and societal in attitude, perception, and awareness. These changes, triggered in part by outside world events, bring about personal understanding achieved only after loss is experienced and enlightenment has been attained. *Paula Deen & Friends* Paula Deen, Martha Nesbit, 2008-06-16 Paula Deen, author, restaurateur, and Food Network star of *Paula's Home Cooking*, turns to her friends to share their stories, ideas for entertaining, Southern style, and most important, more than 150 of the prized recipes they serve to their family and friends.
