Pollack, Todd Shuster, 2001-05-01 What real boys have to say A lot of people use words like psycho or wacko to refer to people who are feeling glum or think they might want to take their own life I think these sorts of slang terms create further isolation in a teen and that's not what you want to do to a teen who already feels alone Alexander 18 from a small town in the South A guy is supposed to be strong tall and fast and have the qualities of an ideal athlete At the same time he's supposed to be smart He's expected to be nearly perfect Chandler 14 from a suburb in the Northwest What I hate about this school is that I am being picked on in the halls and just about everywhere else Cody 14 from a suburb in New England In Real Boys Dr William Pollack explored the issues that most boys in our nation face today In this fascinating follow up bestseller Pollack goes right to the source boys ages 10 to 20 evoking the secret struggles and passions of America's adolescent males in their own words Their voices are searingly honest and eager to be heard revealing how society's outdated expectations force them to mask their feelings of isolation depression longing love and hope We hear from boys and young men in big cities and small towns including survivors of the Columbine High School massacre who share compelling extraordinarily candid stories about bullying drugs sports school parents sex love and much more Pollack also offers ways to start a dialog and illustrates through templates what to do in many situations This is an eye opening book for teenage boys and girls but with its insights and strategies for dealing with their issues especially invaluable for all the people in their lives      On The Fast Track Kimberly Quinn Smith, 2005-08 In On The Fast Track teens getting too much too soon in these rapidly changing and uncertain times and what parents can do to stay connected Kimberly Quinn Smith addresses the issues that teenagers are presently dealing with in relation to their world from middle school through the college years She offers strategies to help parents understand their teens and in a sense to grow with them Kimberly Quinn Smith interviews current experts in the fields of gender issues social psychology and clinical psychology as well as teens who are struggling with alcoholism and drug addiction depression social disorders and homosexuality She discusses the latest trend of tattoos and body piercing as well as the theory on the new moral shades of gray or moral relativity She discusses adolescent anger conflict resolution and the latest sexual epidemic sweeping our country the friends with benefits relationship In On The Fast Track there is a large focus on attachment issues and the apparent emotional disconnection that appears to be so prevalent in our society today Also by Kimberly Quinn Smith MA Striving for the Purple Heart mothers in the universal pursuit of honor      Smart Girls Marry Money Elizabeth Ford, 2010-09 This irreverent manifesto sparked both conversation and controversy when it made its debut as a hardcover in 2009 From essays in The Wall Street Journal to debates in the blogosphere women weighed in on the book's provocative message which ultimately challenges the ideals and assumptions we've blindly accepted about love and
