Working with Youth in High-Risk Environments Carol E. Marcus, John D. Swisher, 1996-07 Focuses on programs which help youth in high risk neighborhoods learn to say no to drugs Covers 18 grants and the programs that were created with those grants Includes characteristics of youths juvenile delinquents athletes

of low socioeconomic status offers insight into how to develop model programs for youth lack of data lack of effective mgmt techniques problems faced in implementing demonstration grant programs lack of resources resistance to training and reports on successful programs retreats awareness training Challenging Consumption Anna R. Davies, Frances Fahy, Henrike Rau, 2014-05-16 Sustainable consumption is a central research topic in academic discourses of sustainable development and global environmental change Informed by a number of disciplinary perspectives this book is structured around four key themes in sustainable consumption research Living Moving Dwelling and Futures The collection successfully balances theoretical insights with grounded case studies on mobility heating washing and eating practices and concludes by exploring future sustainable consumption research pathways and policy recommendations Theoretical frameworks are advanced throughout the volume especially in relation to social practice theory theories of behavioural change and innovative visioning and backcasting methodologies This groundbreaking book draws on some conceptual approaches which move beyond the responsibility of the individual consumer to take into account wider social economic and political structures and processes in order to highlight both possibilities for and challenges to sustainable consumption This approach enables students and policy makers alike to easily recognise the applicability of social science theories Lose weight with your unconscious mind Debora Conti, 2017-09-14 Use your unconscious mind to free yourself from bad habits and work at an unconscious level This is the ebook version of the most popular articles published in The Right Weight Forever website Read this ebook and start losing weight with the most popular mental method in Europe Coming from Italy this method is enchanting women and men and helping dieticians nutritionists and life coaches Debora Conti is a Neuro Linguistic Programming NLP Trainer and the founder of Giusto Peso Per Sempre successful method in Italy since 2006 **New Jersey Register**, 2008 *Concepts-Based Introduction to Financial Accounting* David L. Kolitz, A. B. Quinn, Gavin McAllister, 2009 Integrating the procedural and conceptual approaches of teaching an introductory accounting course this reference illustrates the concepts that underpin the application of accounting theory Utilizing the pedagogical philosophy of the concepts model this study influences the proper order of topics as well as the teaching methods being practiced Featuring financial extracts from listed companies and highlighting key definitions this resource also includes updated Generally Accepted Accounting Practice statements as well as detailed exercises and examples **The Solution Is in Your Hands** Heather Dorothy Pollock, 2017-03-06 As a parent or teacher of children with learning or behavioral difficulties youre likely to feel worried or anxious You might also be frustrated and stressed having tried a range of things to help resolve the problems without success In *The Solution is in Your Hands* author Heather Dorothy Pollock offers a guide to help parents and teachers recognize children are unique individuals who need a safe holistic approach rather than expecting one label or one strategy to fix all It encourages the understanding that more of the same more teaching writing homework or tutoring isnt the answer and wont effectively change anything *The Solution is in Your Hands* provides a greater understanding of whats happening for

the children enabling early intervention the implementation of strategies and the celebration of success It teaches how change will manifest without the need for drugs counseling punishment condemnation or medical intervention and eliminate the need for travel appointments and pressure on the family budget Based on her seventeen years of experiences Pollock shows that with an investment of as little as one hour per month for therapy and fifteen minutes a day for exercises parents and teachers can effectively achieve sustainable results
