efforts being undertaken to reduce the errors during the stone printing era During the Type Set period despite efforts by the compositors and proof readers to do so the number of discrepancies kept increasing This is because the requisite diligence was not accorded to the process The Guru and Creator are indeed above committing errors but the process by copy writers in reproducing copies of recessions that are of such a large volume has definitely resulted in shortcomings There is therefore a need to rectify them It is the desire of every Sikh to see that Gurbani is printed and published error free so that one may be able to recite it as such Towards such an end the accurate printing of Gurbani has become a critical problem of the panth The process of determining the correct or incorrect version of it is not within the domain of any one individual Such determination is best undertaken at the panthik level through a collective decision by learned Gurbani researchers that is based on the writing protocols of Gurbani as found within old authentic recessions Singh Sahib Gyani Kirpal Singh Head Granth Sri Darbar Sahib Amritsar th 9 October 1976      *The Guru Granth Sahib (Volume - 4)* Bhag Bhullar,2020-09-10 The author picked up some key dialogues from The Guru Granth sahib The Sikh Holy Scripture He then compared these teachings with the theme Mool Mantar of the Sikh Holy Scripture to convey spiritual meanings This book rises above the traditional religious rituals This book highlights the path adopted by saints to conquer three virtues of worldly wealth to become worthy of His consideration No one can fully describe the true purpose and meanings of any word written in this Holy Scripture Only The Omniscient Creator fully knows His creation All universes are expansion of His Holy Spirit and He remains embedded in each and every creature nature and events Guru Aurjan Dev Ji 5th guru had compiled the life experience of 25 Prophets from various religions and time periods The book is the steak in Punjabi and English of Page 151 346 of Guru Granth Sahib out of total pages 1430 Volume 2 The purpose of steak of Guru Granth Sahib in Punjabi and English combined in one book is to guide new generation who may not be able to read Punjabi may be enlightened with path blessed souls adopted to be sanctified and to be on the right path of salvation acceptance in His Court      *The Guru Granth Sahib (Volume - 5)* Bhag Bhullar,2021-01-20 The author picked up some key dialogues from The Guru Granth sahib The Sikh Holy Scripture He then compared these teachings with the theme Mool Mantar of the Sikh Holy Scripture to convey spiritual meanings This book rises above the traditional religious rituals This book highlights the path adopted by saints to conquer three virtues of worldly wealth to become worthy of His consideration No one can fully describe the true purpose and meanings of any word written in this Holy Scripture Only The Omniscient Creator fully knows His creation All universes are expansion of His Holy Spirit and He remains embedded in each and every creature nature and events Guru Aurjan Dev Ji 5th guru had compiled the life experience of 25 Prophets from various religions and time periods The book is the steak in Punjabi and English of Page 151 346 of Guru Granth Sahib out of total pages 1430 Volume 2 The purpose of steak of Guru Granth Sahib in Punjabi and English combined in one book is to guide new generation who may not be able to read Punjabi may be enlightened with path blessed souls adopted to be sanctified and to be on the right path of salvation acceptance in His Court
