St John The Making Of A Colonial Urban Community:

Saint John Thomas William Acheson,1985 **Saint John** T. W. Acheson,1993 Saint John New Brunswick was a small stagnant mercantile town in 1800 Its character was set by its British garrison a few prominent Loyalist officials and a small merchant elite But that character changed quickly and dramatically in the first half of the nineteenth century T W Acheson traces the events that lead to the change and analyses their impact on the community *Saint John* Thomas W. Acheson,1993-12-15 Saint John New Brunswick was a small stagnant mercantile town in 1800 Its character was set by its British garrison a few prominent Loyalist officials and a small merchant elite But that character changed quickly and dramatically in the first half of the nineteenth century T W Acheson traces the events that lead to the change and analyses their impact on the community Urban and community development in Atlantic Canada, 1867-1991 ,1993-01-01 This book offers the first comprehensive overview of community development for the Atlantic Provinces The authors take a collaborative approach to their research question and contribute more than just a survey on urban development They also create a framework for understanding the relationship between the development of towns and cities in Atlantic Canada and in other parts of the country Published in English **The Creative City of Saint John** Christl Verduyn,2018-09-11 This book presents a wide ranging portrayal of the creative work done in Saint John in the hundred years following Confederation Beautiful watercolour and oil paintings early fossil discoveries successful bestselling authors and other examples of the creative city are brought together in this volume Among the many surprising and interesting accounts the contribution to Maritime natural history made by a butterfly found in the city the role of the city s Great Fire in generating a host of visual artists documenting the urban landscape and the little known Hollywood connection that made the city a hotbed of film production in the early 1900s **An Urban Biography of Saint John** William G. Godfrey,1986 **Evangelical Balance Sheet** B. Anne Wood,2010-10-26 Using the journals of W Norman Rudolf 1835 1886 a Victorian merchant Evangelical Balance Sheet Character Family and Business in Mid Victorian Nova Scotia explores the important role of character ideals and evangelicalism in mid Victorian culture Rudolf s diary with its daily weather observations its account of family matters of social and business happenings and of his own experiences as well as occasional literary or naturalistic forays attempts to follow a disciplined regime of writing but also has elements of a Bildungsroman The diary reveals an obvious and significant tension between his inner spiritual search for meaning in his life evangelical inwardness and his outward stewardship duties Rudolf s concept of character then involved a type of balance sheet of his evangelical service record to his God his family his business and his community Needing God s help to transform his will and to interpret the world in a constructive rational manner the underlying intent of his daily journal writing was to keep his commitment to an ethic of benevolence and of the affirmation of the goodness of human beings Wood elucidates the cultivation of civic minded masculinity in the context of Victorian Maritime Canada analyzing the multiple facets of the character ideal and emphasizing its important role in

Victorians understanding of their life experiences In the process Wood reveals many underlying assumptions about social change and about civic discourse The book also describes how the tremendous economic upheavals experienced by many entrepreneurs in the late 1860s to 1880s tempered their evangelical zeal and made it increasingly difficult for them to achieve a balanced and humane perspective on their own lives Evangelical Balance Sheet will appeal to a broad audience interested in social history imperial studies gender studies especially changing ideas of masculinity and manhood Atlantic Canada studies and local history of the Pictou region Craft Capitalism Robert B. Kristofferson,2007-01-01 Craft Capitalism focuses on Hamilton Ontario and demonstrates how the preservation of traditional work arrangements craft mobility networks and other aspects of craft culture ensured that craftworkers in that city enjoyed an essentially positive introduction to industrial capitalism Rural Protest on Prince Edward Island Rusty Bittermann,2006-01-01 In Rural Protest on Prince Edward Island Rusty Bittermann examines this conflict and the dynamic of rural protest on the Island from its establishment as a British colony in the 1760s to the early 1840s The focus of Bittermann s study is the remarkable mass movement known as the Escheat movement which emerged in the 1830s in the context of growing popular challenges elsewhere in the Atlantic World The Escheat movement aimed at resolving the land question in favour of tenants by having the state resume escheat the large grants of land that created landlordism on the Island Although it ultimately gained control of the assembly in the late 1830s the Escheat movement did not produce the land policies that tenants and their allies advocated **Catholics at the Gathering Place** Mark McGowan,1993-01-01 These 17 original innovative studies reinterpret the social and institutional development of one of Canadas largest dioceses Griffintown Matthew Barlow,2017-06-28 This vibrant biography of Griffintown an inner city Montreal neighbourhood brings to life the history of Irish identity in the legendary enclave As Irish immigration dwindled by the late nineteenth century Irish culture in the city became diasporic reflecting an imagined homeland Focusing on the power of memory to shape community Matthew Barlow finds that despite sociopolitical pressures and a declining population the spirit of this ethnic quarter was nurtured by the men and women who grew up there Today as Griffintown attracts renewed interest from developers this textured analysis reveals how public memory defines our urban centres Across This Land John C. Hudson,2020-02-11 A fascinating overview of the lands and peoples of the United States and Canada both past and present Based on decades of research and written in clear concise prose by one of the foremost geographers in North America John C Hudson s Across This Land is a comprehensive regional geography of the North American continent Dividing the terrain into ten regions which are then subdivided into twenty seven smaller areas Hudson s brisk narrative reveals the dynamic processes of each area s distinctive place specific characteristics Focusing on how human activities have shaped and have been shaped by the natural environment Hudson considers physical political and historical geography He also highlights related topics including resource exploitation economic development and population change Praised in its first edition as a readable and reliable interpretation of United

States and Canadian geography the revised *Across This Land* retains these strengths while adding substantial new material Incorporating the latest available population and economic data this thoroughly updated edition includes reflections on new developments such as resource schemes Native governments in Atlantic Canada and the role of climate change in the Arctic a new section focused on the US Pacific insular territories west of Hawaii evolving views of oil and gas production resulting from the introduction of hydraulic fracturing revised text and maps involving agricultural production based on the 2017 Census of Agriculture current place names more than 130 photographs The most extensive regional geography of the North American continent on the market Hudson's *Across This Land* will continue as the standard text in geography courses dealing with Canada and the United States as well as a popular reference work for scholars students and lay readers **In**

Mixed Company Julia Roberts,2009-07-01 *In Mixed Company* explores taverns as colonial public space and how men and women of diverse backgrounds Native and newcomer privileged and labouring white and non white negotiated a place for themselves within them The stories that emerge unsettle comfortable certainties about who belonged where in colonial society Colonial taverns were places where labourers enjoyed libations with wealthy Aboriginal traders like Captain Thomas who also treated a Scotsman to a small bowl of punch where white soldiers rubbed shoulders with black colonists out to celebrate Emancipation Day where English ladies and their small children sought refuge for a night The records of the past tell stories of time spent in mixed company but also of the myriad unequal ways that colonists found room in taverns and a place in Upper Canadian culture and society Reconstructed from tavern keepers accounts court records diaries travelogues and letters *In Mixed Company* is essential reading for tavern aficionados and anyone interested in the history of gender race and culture in Canadian or colonial society **Contribution of Presbyterianism to the Maritime Provinces of Canada**

Charles H.H. Scobie,George A. Rawlyk,1997-04-11 Presbyterianism was not only the largest and most influential Protestant denomination in the Maritimes during much of the nineteenth and early twentieth centuries but also one of the largest and most influential Protestant denominations in Canada While t *Petty Justice* Paul Craven,2014-10-07 Until the late nineteenth century the most common form of local government in rural England and the British Empire was administration by amateur justices of the peace the sessions system *Petty Justice* uses an unusually well documented example of the colonial sessions system in Loyalist New Brunswick to examine the role of justices of the peace and other front line low law officials like customs officers and deputy land surveyors in colonial local government Using the rich archival resources of Charlotte County Paul Craven discusses issues such as the impact of commercial rivalries on local administration the role of low law officials in resolving civil and criminal disputes and keeping the peace their management of public works social welfare and liquor regulation and the efforts of grand juries high court judges colonial governors and elected governments to supervise them A concluding chapter explains the demise of the sessions system in Charlotte County in the decade of Confederation

In Armageddon's Shadow Greg Marquis,2000 The United States had important ties with Canada's Maritime Provinces

that were profoundly shaken by the American Civil War Drawing extensively on newspaper reports personal papers and local histories Greg Marquis captures the drama of the times effectively putting the reader into the thick of the action In *Armageddon's Shadow* highlights Maritime support for the beleaguered Confederacy and the grave implications this had on race relations in Canada Marquis details the involvement of maritimers in running blockades and recounts the experiences of some of the thousands of men from Nova Scotia New Brunswick and Prince Edward Island who served in America's bloodiest conflict Book jacket Maritime Capital Eric W. Sager, Gerald E. Panting, 1996 In this final volume of the Atlantic Canada Shipping Project Sager and Panting argue that the decline of the shipping industry was not as has commonly been assumed the inevitable result of the conversion from wood and sail to iron and steam They show that the merchant class in failing to maintain a merchant marine built and owned in their region contributed in no small way to the Maritimes present state of underdevelopment Annotation copyrighted by Book News Inc Portland OR *Irish Canadian Conflict and the Struggle for Irish Independence, 1912-1925* Robert McLaughlin, 2013-01-01 McLaughlin's research is highly original demonstrating the extensive role played by Canadians in this fascinating episode of Ireland's history P 4 of cover **At the Ocean's Edge** Margaret Conrad, 2020-06-16 *At the Ocean's Edge* offers a vibrant account of Nova Scotia's colonial history situating it in an early and dramatic chapter in the expansion of Europe Between 1450 and 1850 various processes sometimes violent often judicial rarely conclusive transferred power first from Indigenous societies to the French and British empires and then to European settlers and their descendants who claimed the land as their own This book not only brings Nova Scotia's struggles into sharp focus but also unpacks the intellectual and social values that took root in the region By the time that Nova Scotia became a province of the Dominion of Canada in 1867 its multicultural peoples including Mi kmaq Acadian African and British had come to a grudging unequal and often contested accommodation among themselves Written in accessible and spirited prose the narrative follows larger trends through the experiences of colourful individuals who grappled with expulsion genocide and war to establish the institutions relationships and values that still shape Nova Scotia's identity

Borderland Smuggling Joshua M. Smith, 2019-10-14 Passamaquoddy Bay lies between Maine and New Brunswick at the mouth of the St Croix River Most of it including Campobello Island is within Canada but the Maine town of Lubec lies at the bay's entrance Rich in beaver pelts fish and timber the area was a famous smuggling center after the American Revolution Joshua Smith examines the reasons for smuggling in this area and how three conflicts in early republic history the 1809 Flour War the War of 1812 and the 1820 Plaster War reveal smuggling's relationship to crime borderlands and the transition from mercantilism to capitalism Smith astutely interprets smuggling as created and provoked by government efforts to maintain and regulate borders In 1793 British and American negotiators framed a vague new boundary meant to demarcate the lingering British empire in North America Canada from the new American Republic Officials insisted that an abstract line now divided local peoples on either side of Passamaquoddy Bay Merely by persisting in trade across the newly

demarcated national boundary people violated the new laws As smugglers they defied both the British and American efforts to restrict and regulate commerce Consequently local resistance and national authorities engaged in a continuous battle for four decades Smith treats the Passamaquoddy Bay smuggling as more than a local episode of antiquarian interest Indeed he crafts a local case study to illuminate a widespread phenomenon in early modern Europe and the Americas A volume in the series *New Perspectives on Maritime History and Nautical Archaeology* edited by James C Bradford and Gene Allen Smith
