While the St Lawrence River has been the scene of many important events connected with the discovery and development of
a large portion of North America no attempt has before been made to collect and embody in one volume a complete and
comprehensive narrative of this great waterway This is not denying that considerable has been written relating to it and

some of this told in an interesting and painstaking manner but the various offerings have been scattered through many volumes and most of these have soon become inaccessible to the general reader Sir J M LeMoine F R S C of Quebec who has done so much to give the St Lawrence place in the literature of Canada says of this noble river It lies for a thousand miles between two great nations yet neglected by both though neither would be so great without it a river as grand as the La Plata as picturesque as the Rhine as pure as the Lakes of Switzerland The noblest the purest most enchanting river on all God s beautiful earth has never yet had a respectable history nor scarcely more than an occasional artist to delineate its beauties About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *St. Lawrence Waterway Project* United States.
