**Scripture: A Primer** John F. Boyle, 2023-01-26 With precision and profundity born of thirty years of devoted study John Boyle offers an essential introduction to St Thomas Aquinas on Scripture shedding helpful light on the goals methods and commitments that animate the Angelic Doctor s engagement with the sacred page Because the genius of St Thomas s approach to the Bible lies not so much in its novelty but rather in the fidelity and clarity with which he recapitulates the riches of the preceding interpretive Tradition this initiation into St Thomas s vision of Scripture is itself an orientation to the Church s vision of Scripture from the Fathers through and beyond the Middle Ages St Thomas s embeddedness within the Church s Tradition and his own historical context is integral to his approach to Scripture yet it sets him at some distance from modern readers for whom his interpretive vision may seem perplexing or even impenetrable In this primer Boyle first provides an acclimation to this medieval context through a survey and explanation of pertinent technical terminology used by St Thomas and characteristic of the scholastic theology of the time With an eye to the medieval practice of considering Scripture according to the fourfold division of causes Boyle builds on this initial foundation by exploring in turn St Thomas s accounts of the end or use of Scripture final cause its divine and human authorship efficient cause its order and division material cause and its literary styles or genres formal cause Drawing on writings from across St Thomas s corpus but especially his work On the Commendation and Division of Sacred Scripture and the prologues to his biblical commentaries Boyle masterfully elucidates both the hermeneutical principles and deep wisdom of the Angelic Doctor s approach to Scripture imparting invaluable guidance not only for reading and understanding St Thomas and other great masters of the

Tradition but also and ultimately for understanding Scripture in light of this Tradition and reading it with greater benefit and joy     **The Life and Letters of John Locke** Lord Peter King King,1884     **A Dictionary of the Bible, Comprising Its Antiquities, Biography, Geography, and Natural History** William Smith,1898     The Letters of Saint Paul to the Galatians and to the Ephesians Dennis Walters,2005 Based on the Revised Standard Version Second Catholic Edition using the biblical text itself and the church s own guidelines for understanding the Bible Ample notes accompany each page The Ignatius Study Bible also includes Topical Essays Word Studies and Charts Each page also includes an easy to use cross reference section Study Questions are provided for each chapter on back cover
