The Confessions of Saint Augustine Saint Augustine, 2014-10-28 The world's most famous spiritual autobiography Written between 397 and 398 CE The Confessions of Saint Augustine is the story of Augustine of Hippo's childhood in Numidia his youth and early adulthood in Carthage Rome and Milan and his conversion to Christianity

As he struggled to liberate himself from his sinful past Augustine embarked on a quest that would transform him into one of the most influential religious thinkers of all time A moving testament to the power of faith and an inspirational guide to a fulfilled life The Confessions of Saint Augustine is a masterwork of Western literature This ebook has been professionally proofread to ensure accuracy and readability on all devices

The Confessions Saint Augustine (of Hippo),1997 Presents an English translation of Saint Augustine s Confessions in which the fourth century bishop reflects on his faith and reveals his sins

A Reader's Companion to Augustine's Confessions Kim Paffenroth,Robert Peter Kennedy,2003-01-01 This book is a tool for teaching and studying the great Christian classic Augustine s Confessions It is a unique venture in which thirteen different scholars look at each of the thirteen books in the Confessions and interpret their chapters in light of that book and in light of the rest of Augustine s work The result is that the richness and ambiguity of Augustine s work shines through as well as the richness and ambiguity of different readings of the Confessions

Confessions Saint Augustine,2003-05-29 Give me chastity and continence but not yet The son of a pagan father and a Christian mother Saint Augustine spent his early years torn between conflicting world views The Confessions written when he was in his forties recounts how slowly and painfully he came to turn away from his youthful ideas and licentious lifestyle to become one of Christianity s most influential thinkers A remarkably honest spiritual autobiography the Confessions also addresses fundamental issues of Christian doctrine and many of the prayers and meditations it includes are still an integral part of the practice of the faith today Translated with an Introduction by R S PINE COFFIN

The Confessions Saint Augustine,2008-08-14 Augustine of Hippo s Confessions recount how slowly and painfully he came to turn away from his youthful ideas and licentious lifestyle to become instead a staunch advocate of Christianity and one of its most influential thinkers

The Confessions of St. Augustine Saint Augustine (of Hippo),1963 One of the most influential religious books in the Christian tradition recalls crucial events in the author s life his mid 4th century origins in rural Algeria the rise to a lavish lifestyle at the imperial court in Milan his struggle with sexual desires eventual renunciation of secular ambitions and marriage and recovery of his Catholic faith

The Confessions Saint Augustine,2008-08-14 In this new translation the brilliant and impassioned descriptions of Augustine s colourful early life are conveyed to the English reader with accuracy and art Augustine tells of his wrestlings to master his sexual drive his rare ascent from a humble Algerian farm to the edge of the corridors of high power at the imperial court of Milan and his renunciation of secular ambition and marriage as he recovered the faith that his mother had taught him It was in a Milan garden that Augustine finally achieved the act of will to Christian conversion which he compared to a lazy man in bed finally deciding it is time to get up and face the day

The Confessions of St. Augustine Saint Augustine (Bishop of Hippo.),1975 One of the most influential religious books in the Christian tradition recalls crucial events in the author s life his mid 4th century origins in rural Algeria the rise to a lavish lifestyle at the imperial court in Milan his struggle with sexual desires eventual renunciation of secular ambitions and

marriage and recovery of his Catholic faith Images of Conversion in St. Augustine's Confessions Robert J. O'Connell,1996

Unsurprisingly conversion imagery also provokes a fresh estimate of the sexual component in Augustine s religious biography but the sexual aspect is balanced by Augustine s insistent stress on the vanity of his worldly ambitions *The Confessions of Saint Augustine* St. Augustine,2011-01-26 The reader who has never met Augusti ne before ought to go first of all to the Confessions reflected the Trappist monk and scholar Thomas Merton Augustine lived the theology that he wrote He experienced the reality of Christ living in his own soul Saint Augustine the celebrated theologian who served as Bishop of Hippo from a d 396 until his death in a d 430 is widely regarded as one of the most influential thinkers in the Western world Written in the form of a long prayer addressed directly to God Augustine s Confessions the remarkable chronicle of his conversion to Christianity endures as the greatest spiritual autobiography of all time Augustine possessed a strong capacious argumentative mind wrote Edward Gibbon He boldly sounded the dark abyss of grace predestination free will and original sin And the eminent historian Jaroslav Pelikan remarked There has quite literally been no century of the sixteen centuries since the conversion of Augustine in which he has not been a major intellectual spiri tual and cultural force **Confessions of Saint Augustine** Saint Augustine,2014-06-01 You ve heard his name now read his classic spiritual autobiography Here is Saint Augustine s Confessions an important and powerful book abridged and updated for today s reader and presented in a deluxe leather like binding Written some sixteen hundred years ago this Christian classic still speaks to readers addressing concerns that trouble the human heart today just as they did in the fourth and fifth centuries Confessions gives an account of God s grace in Augustine s life as well as his personal regret over the wickedness of his pre Christian days It s a powerful introduction to a giant of the faith and an encouraging story of God s power to change people You Converted Me Saint Augustine (of Hippo),2006 Augustine s Confessions has never been as accessible or relevant to young adult readers than it is now This modern day translation includes an Introduction and over 70 annotations to aid young adults in approaching this spiritual classic for the first time *"You Made Us for Yourself"* Jared Ortiz,2016-05-19 Augustine s Confessions is probably the most commented upon text of early Christianity Yet there is a general consensus that this justly famous work is neither well composed nor structurally unified *You Made Us for Yourself* aims to challenge this common notion by approaching the Confessions in light of what Augustine himself would have considered most fundamental creation understood in a broad sense Creation for Augustine is an epiphany a light that reveals who God is and who human beings are It is not merely one doctrine or theme among others but is the foundational context which illumines all doctrines and all themes Moreover creation for Augustine is dynamically ordered toward the church toward the deified destiny the body of Christ both is and brings about Thus the Confessions itself can be understood as Augustine s prayer of praise in thanksgiving for the unmerited gift of creation and re creation It is his self gift back to God a kind of eucharistic offering intended to take up and bring about the same in his readers Augustine s rich understanding of creation then can account for the often despaired of meaning

structure and unity of the Confessions **The Confessions of St. Augustine** St Augustine, Augustine, 2006-11-01 Aurelius Augustinus aka SAINT AUGUSTINE 354 430 was bishop of Hippo today called Bona in Algeria Before his conversion to Christianity however he lead a wild and licentious youth in Carthage and later studied philosophy for years in Milan His Confessions in which he begs forgiveness from God for his sins and sets himself entirely to devotion to God is not only a foundational work of Western theology it is also one of the earliest autobiographies offering keen insight into the workings of the medieval mind ALSO AVAILABLE FROM COSIMO CLASSICS Saint Augustine s The City of God Translator and British clergyman EDWARD BOUVERIE PUSEY 1800 1882 was one of the most influential figures in the Anglican church in the 19th century formulated theology and doctrine that radically altered the practice of Christianity in England **The Confessions of St. Augustine** Saint Augustine, Bishop of Hippo, E. B. Pusey, Edward Bouverie, 2014-08-23 The Confessions of Saint Augustine By Saint Augustine Bishop of Hippo Translated by E B Pusey Edward Bouverie Confessions Latin Confessiones is the name of an autobiographical work consisting of 13 books by St Augustine of Hippo written in Latin between AD 397 and AD 398 Modern English translations of it are sometimes published under the title The Confessions of St Augustine in order to distinguish the book from other books with similar titles Its original title was Confessions in Thirteen Books and it was composed to be read out loud with each book being a complete unit The work outlines Augustine s sinful youth and his conversion to Christianity It is widely seen as the first Western autobiography ever written and was an influential model for Christian writers throughout the following 1 000 years of the Middle Ages It is not a complete autobiography as it was written in his early 40s and he lived long afterwards producing another important work City of God It does nonetheless provide an unbroken record of his development of thought and is the most complete record of any single person from the 4th and 5th centuries It is a significant theological work featuring spiritual meditations and insights In the work St Augustine writes about how much he regrets having led a sinful and immoral life He discusses his regrets for following the Manichaean religion and believing in astrology He writes about Nebridius s role in helping to persuade him that astrology was not only incorrect but evil and St Ambrose s role in his conversion to Christianity The first nine books are autobiographical and the last four are commentary He shows intense sorrow for his sexual sins and writes on the importance of sexual morality The books were written as prayers to God thus the title based on the Psalms of David and it begins with For Thou hast made us for Thyself and our hearts are restless till they rest in Thee The work is thought to be divisible into books which symbolize various aspects of the Trinity and trinitarian belief [An Analysis of St. Augustine's Confessions](#) Jonathan Teubner, 2017-07-05 St Augustine s Confessions is one of the most important works in the history of literature and Christian thought Written around 397 when Augustine was the Christian bishop of Hippo in modern day Algeria the Confessions were designed both to spiritually educate those who already shared Augustine s faith and to convert those who did not Augustine did this through the original maneuver of writing what is now recognized as being the first Western autobiography letting

readers share in his own experiences of youth sin and eventual conversion The Confessions are a perfect example of using reasoning to subtly bring readers around to a particular point of view with Augustine inviting them to accompany him on his own spiritual journey towards God so they could make their own conversion Carefully structured the Confessions run from describing the first 43 years of Augustine s life in North Africa and Italy to discussing the nature of memory before moving on to analyzing the Bible itself In order the sections form a carefully structured argument moving from the personal to the philosophical to the contemplative In the hundreds of years since they were first published they have persuaded hundreds of thousands of readers to recognize towards the same God that Augustine himself worshipped **The Confessions of St.**

Augustine St. Augustine, 2007-10-01 Augustine never thought of God without thinking of his sin nor of his sin without thinking of Christ St Augustine grates hard against the anatomy of evil while dealing succinctly and honestly with his own proneness toward sin From his infatuation with its initial beauty to the discounting of his previously wasted life Augustine leaves little to the imagination regarding his need to be saved from himself Most of Augustine s Confessions are spent in a nearly catastrophe tug of war From insult and injury to passion lost love and the arts this work leads through and beyond a world where God s timing is absolutely perfect Nothing has really changed since then Sin is still sin and God is still God Moody Classics Of all the factors influencing our spiritual growth and development pivotal books play a key role Learning from those who have walked the path and fought the fight brings wisdom and strengthens resolve And hearing the familiar chords of kingdom living sung by voices from other times can penetrate cultural barriers that limit our allegiance to the King To this end Moody Publishers is honored to introduce the first six volumes in what is to be an ongoing series of spiritual classics Selected for their enduring influence and timeless perspective these new editions promise to shape the lives of spiritual pilgrims for generations to come
