The New Woman and Other Emancipated Woman Plays Jean Chothia, 1998 Female emancipation and the much derided New Woman was a subject of immense fascination in the English Theatre of the 1890s Associated issues of women s education freedom of thought the sexual double standard and the right to self determination feature in play after play of the period However the advent of the

New Drama after the turn of the century marked a change of emphasis and figures previously demonized were now heroized. This collection includes two plays from the 1890s: Sidney Grundy's *The New Woman* 1894 and Arthur Wing Pinero's *The Notorious Mrs Ebbsmith* 1895, both much mentioned in recent criticism but neither available until now, and two of the liveliest examples of the New Drama: Elizabeth Robins's *Votes for Women* 1907 and St John Hankin's *The Last of the De Mullins* 1908.

Theatre and Evolution from Ibsen to Beckett Kirsten E. Shepherd-Barr, 2015-03-03. Evolutionary theory made its stage debut as early as the 1840s, reflecting a scientific advancement that was fast changing the world. Tracing this development in dozens of mainstream European and American plays as well as in circus vaudeville, pantomime, and missing link performances, *Theatre and Evolution from Ibsen to Beckett* reveals the deep transformative entanglement among science, art, and culture in modern times. The stage proved to be no mere handmaiden to evolutionary science, though often resisting and altering the ideas at its core. Many dramatists cast suspicion on the arguments of evolutionary theory and rejected its claims, even as they entertained its thrilling possibilities. Engaging directly with the relation of science and culture, this book considers the influence of not only Darwin but also Lamarck, Chambers, Spencer, Wallace, Haeckel, de Vries, and other evolutionists on 150 years of theater. It shares significant new insights into the work of Ibsen, Shaw, Wilder, and Beckett, and writes female playwrights such as Susan Glaspell and Elizabeth Baker into the theatrical record, unpacking their dramatic explorations of biological determinism, gender essentialism, the maternal instinct, and the cult of motherhood. It is likely that more people encountered evolution at the theater than through any other art form in the late nineteenth and early twentieth centuries. Considering the liveliness and immediacy of the theater and its reliance on a diverse community of spectators, and the power that entails, this book is a key text for grasping the extent of the public's adaptation to the new theory and the legacy of its representation on the perceived legitimacy or illegitimacy of scientific work. New Theatre Quarterly 57: Volume 15, Part 1 Clive Barker, Simon Trussler, 1999-06-24. *New Theatre Quarterly* provides an international forum where theatrical scholarship and practice can meet and where prevailing dramatic assumptions can be subjected to vigorous critical questioning.

Rethinking G.K. Chesterton and Literary Modernism Michael Shallcross, 2017-11-27. This book comprehensively rethinks the relationship between G.K. Chesterton and a range of key literary modernists. When Chesterton and modernism have previously been considered in relation to one another, the dynamic has typically been conceived as one of mutual hostility grounded in Chesterton's advocacy of popular culture and modernist literature's appeal to an aesthetic elite. In setting out to challenge this binary narrative, Shallcross establishes for the first time the depth and ambivalence of Chesterton's engagement with modernism, as well as the reciprocal fascination of leading modernist writers with Chesterton's fiction and thought. Shallcross argues that this dynamic was defined by various forms of parody and performance, and that these histrionic expressions of cultural play not only suffused the era but found particular embodiment in Chesterton's public persona. This reading not only enables a far-reaching reassessment of Chesterton's corpus but also produces a framework

through which to re evaluate the creative and critical projects of a host of modernist writers most sustainedly T S Eliot Wyndham Lewis and Ezra Pound through the prism of Chesterton s disruptive presence The result is an innovative study of the literary performance of popular and high culture in early twentieth century Britain which adds a valuable new perspective to continuing critical debates on the parameters of modernism Sex, Suffrage and the Stage Leslie Hill, 2018-06-16 Marking the 100 year anniversary of women s suffrage Leslie Hill provides a fascinating survey of the history of first wave feminism in British theatre from the London premiere of Ibsen s *A Doll s House* in 1889 through the militant suffrage movement Hill s approachable overview explores some of the pivotal ways in which theatre makers both engaged with and influenced feminist discourse on topics such as sexual agency reproductive rights marriage equality financial independence and suffrage Clear and concise this is an ideal resource for undergraduate and postgraduate students of theatre and performance studies taking courses on Women in Theatre and Performance Staging Feminism Early Feminist Theatre Theatre and Suffrage Gender and Theatre Political Theatre and Performance Historiography This text will also appeal to scholars lecturers and Literature students **Writing Short Stories** William H.
