St John Of The Cross Other Lectures:

The Romancero of Saint John of the Cross Elizabeth Teresa Howe, 2019-10-01 This book is a study of the nine short poems called romances composed by the Spanish mystic Saint John of the Cross San Juan de la Cruz The focus of the poems is the Trinity and their point of departure is the opening verses of the Gospel of John This is the first in depth English language analysis of these poems and looks at their literary historical scriptural theological and mystical elements It also ties these works to San Juan s better known lyrical poems and his prose commentaries It will appeal to anyone interested in Spanish mystical poetry and the sources that inform that poetry **Saint John of the Cross** Donald Haggerty, 2022-03-14 Saint John of the Cross is the Church s premier teacher on contemplative prayer Catholic tradition even calls him the Mystical Doctor The sixteenth century Carmelite priest not only wrote four massive treatises on the spiritual life along with some of the finest poetry in the Spanish language but also worked alongside Teresa of Avila in renewing the Carmelite order Theresa of Lisieux claimed she found no other spiritual reading that could satisfy her soul like John of the Cross Yet the volume and intensity of Saint John s work can make his teachings seem daunting even to trained theologians This book by Father Donald Haggerty author of *The Contemplative Hunger* and *Contemplative Enigmas* offers readers a unique step by step introduction to the way of contemplation as Saint John understood it and taught it a burning transformative intimacy with the God who made us Furnished abundantly with quotations from across the Mystical Doctor s writings this guidebook confronts the mysteries difficulties and joys of prayer showing how silent contemplation prepares our hearts for an unspeakable love For all his theological richness Saint John gave practical realistic advice on navigating the world of contemplation and Father Haggerty a spiritual director for decades applies these principles to our lives today Whether you are new to prayer or have been praying since childhood you will find an illuminating and surprising companion in Saint John of the Cross Master of Contemplation The Collected Works of Saint John of the Cross St. John of the Cross, 1991 This revised edition of *The Collected Works of St John of the Cross* was produced to mark the fourth centenary of the death of St John of the Cross 1542 1591 The result is an English translation of his writings that preserves the authentic meaning of the great mystic s writings presents them as clearly as possible and at the same time gives the reader the doctrinal and historical information that will lead to a deeper understanding and appreciation of the teachings of the Mystical Doctor Included in *The Collected Works* are St John s poetry *The Ascent of Mount Carmel* *The Dark Night* *The Spiritual Canticle* and *The Living Flame of Love* as well as his extant letters and other counsels More Information In addition to the respective page listings in the contents this new edition features gray page tabs that separate the individual works enabling the reader to more easily locate a desired section of the book Complementing St John s writings are a comprehensive General Introduction for the entire work as well as brief enlightening introductions for each specific work explaining theme and structure These are enhanced by new and expanded footnotes a glossary of terms and general and scriptural indices About the Translators
