The "Summa Theologica" Of St. Thomas Aquinas, Vol. 2 Thomas Aquinas, 2016-10-01 Excerpt from The Summa Theologica Of St Thomas Aquinas Vol 2 Second Part Qq Ci CXL On the contrary Tully says de Inv Rhet Ii that it is by piety that we do our duty towards our kindred and well wishers of our country and render them faithful service I answer that Man becomes a debtor to other men in various ways according to their various excellence and the various benefits received from them On both counts God holds first place for He is supremely excellent and is for us the first principle of being and government In the second place the principles of our being and government are our parents and our country that have given us birth and nourishment Consequently man is debtor chief y to his parents and his country after God Wherefore just as it belongs to religion to give worship to God so does it belong to piety in the second place to give worship to one s parents and one s country The worship due to our parents includes the worship given to all our kindred since our kinsfolk are those who descend from the same parents according to the Philosopher ethic The worship given to our country includes homage to all our fellow citizens and to all the friends of our country Therefore piety extends chief y to these Reply Obj I The greater includes the lesser wherefore the worship due to God includes the worship due to our parents as a particular Hence it is written malach I If I be a father where is lily honour P Consequently the term piety extends also to the divine worship About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at

Aquinas John Peterson, 2008-09-10 Aquinas provides an in-depth analysis of basic philosophical concepts in the thought of Aquinas. These concepts include being, essence, existence, form, matter, truth, goodness, freedom, and necessity, knowledge, willing, and choosing, and right action. These ideas are approached from an analytical point of view, but the analysis is not exceedingly technical, which allows beginners to follow the discussion. Many other works consider only one aspect of Aquinas's thought, such as his treatment of persons, his arguments for God's existence, or his theory of truth, but Peterson's *Aquinas* combines readability with both depth and close analysis to give a comprehensive overview of Aquinas's work without sacrificing either accuracy or depth. **The Summa Theologica of St. Thomas Aquinas; Second Part, Vol. 2** Thomas Aquinas, 2016-06-27 Excerpt from *The Summa Theologica of St. Thomas Aquinas Second Part Vol 2 Literally Translated by Fathers of the English Dominican Province First Number Qq I XLVI* Having to treat now of the theological virtues, we shall begin with Faith; secondly, we shall speak of Hope; and thirdly, of Charity. The treatise on Faith will be fourfold: 1. Of faith itself; 2. Of the corresponding gifts, knowledge, and understanding; 3. Of the opposite vices; 4. Of the precepts pertaining to this virtue. About faith itself, we shall consider: 1. its object; 2. its act; 3. the habit of faith. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books.
