## **Stabilization Policy In France And The Federal Republic Of Germany:**

*Stabilization Policy in France and the Federal Republic of Germany* G. de Ménil, U. Westphal, 2013-10-22 The object of this book is to compare the macroeconomic characteristics of the French and German economies It focusses on the effect of stabilization policy and of international disturbances and tries to find out the trade offs of economic policy The study is based on a simulation analysis using large scale econometric models of the two countries Instead of using models as black boxes the dynamic structures are compared in considerable detail This entails decomposing the models into blocs of strategic sets of equations Comparing bloc by bloc allows one to distinguish between the contribution of various economic processes price wage dynamics monetary mechanism multiplier accelerator interaction to macroeconomic performance Main features Franco German comparison of macroeconomic response to policy measures and international shocks Evaluation of policy trade offs Detailed institutional and historical background to macro policy in France and Germany *Government Policies and the Working of Financial Systems in Industrialized Countries* D.E. Fair, 2012-12-06 The papers collected in this volume are those presented at the eleventh Colloquium arranged by the Societe Universitaire Europeenne de Recherches Financieres SUERF which took place in Madrid in October 1983 The Society is supported by a large number of central banks commercial banks and other financial and business institutions by treasury officials and by academics and others interested in monetary and financial problems Since its establishment in 1963 it has developed as a forum for the exchange of information research results and ideas valued by academics and practitioners in these fields including central bank officials and civil servants responsible for formulating and applying monetary and financial policies A major activity of SUERF is to organize and conduct Colloquia on subjects of topical interest to members The titles places and dates of previous Colloquia for which volumes of the collected Papers were published are noted on the last page of this volume Volumes were not produced for Colloquia held at Tarra gona Spain in October 1970 under the title Monetary Policy and New Develop ments in Banking and at Strasbourg France in January 1972 under the title Aspects of European Monetary Union Legislatures in the Policy Process David M. Olson, Michael L. Mezey, 1991-05-16 Thi book will be of interest to specialists and students of politics and economic policy making The German Economy E. Owen-Smith, 2012-10-12 Germany is clearly the dominant economic force in Europe It occupies the pivotal position of being at the centre of both the EC and of attempts to rebuild the economies of East Central Europe The German Economy traces the various aspects of German policy and growth concentrating in particular on the last two decades These include the German economy in perspective the regional dimension fiscal policy monetary policy social policy the labour market banking and finance industry trade and economic policy In The German Economy Eric Owen Smith has produced the only comprehensive account of the contemporary German economy currently available in English **History and Foreign Policy in France and Germany** Ulrich Krotz, 2015-08-11 Why do states similar in size resources and capabilities significantly differ in their basic orientations and actions across major domains in

foreign policy security and defense This book addresses this important question by analyzing the major differences between the foreign policies of France and Germany over extended periods of time

**Rules-Based Fiscal Policy in France, Germany, Italy, and Spain** Mr. Gabriel Di Bella, Ms. Teresa Daban Sanchez, Ms. Enrica Detragiache, Mr. Gian Milesi-Ferretti, Mr. Steven A. Symansky, 2003-11-14 Fiscal rules can help to counteract the deficits and spending biases that too often originate in the political process Rules that constrain spending rather than the balance allow fiscal policy to be countercyclical Yet the design of effective spending rules is by no means straightforward Should a rule be real or nominal How comprehensive should the definition of spending be What safeguards ensure the credibility of a rule How do rules work in decentralized systems where regions and states are partially autonomous France Germany Italy and Spain countries that could benefit from more emphasis on fiscal rules to constrain spending are explored here as case studies
