A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

An Introduction to Russian History Robert Auty,Dimitri Obolensky,1976

Stalin Kevin McDermott,2006-01-23 Stalin s massive impact on Soviet history is often explained in terms of his inherent evil personality defects and power lust While not rejecting these notions Kevin McDermott argues that Stalin s thoughts and actions are best contextualised in the inter relationship between war and revolution in the first half of the twentieth century The author presents the case for taking the Soviet dictator seriously as a Marxist revolutionary whose fundamental beliefs and modus operandi were forged in the cauldron of civil and international wars ideologically driven class wars and revolutionary upheavals associated with the age of catastrophe 1914 45 Only by so doing can the complex motivations for such cataclysmic events as the Great Terror be adequately addressed Incorporating recently declassified materials from the former Soviet Party archives this new appraisal of Stalin also provides a critical review of the latest western and Russian historiography It is essential reading for anyone studying the debates on one of the leading figures of Soviet history

The Oxford Companion to Comparative Politics Joel Krieger,2013 The two volume Oxford Companion to Comparative Politics fills a gap in scholarship on an increasingly important field within Political Science Comparative Politics the discipline devoted to the politics of other countries or peoples has been steadily gaining prominence as a field of study allowing politics to be viewed from a wider foundation than a concentration on domestic affairs would permit Comparativists apply various theories and concepts to analyze the similarities and differences between political units

using the results of their research to develop causalities and generalizations Each of these theories and outcomes are thoroughly defined in the Companion as are major resultant conclusions those comparativists who have influenced the field in significant ways and politicians whose administrations have shaped the evaluation of contrasting governments Approximately 200 revised and updated articles from the Oxford Companion to Politics of the World would serve as a foundation for the set while over 100 new entries would thoroughly examine the field in a lasting more theoretical than current event based way New entries cover such topics as failed states Grand Strategies and Soft Power important updates include such countries as China and Afghanistan and issues like Capital Punishment Gender and Politics and Totalitarianism Country entries include the most significant nations to permit a focus on non time sensitive analysis In addition 25 1 000 word interpretive essays by notable figures analyze the discipline its issues and accomplishments Collectively entries promote deeper understanding of a field that is often elusive to non specialists

The Red Warrior: U.S. Perceptions of Stalin's Strategic Role in the Allied Journey to Victory in The Second World War Reagan Fancher, 2024-09-24

Through U S President Franklin D Roosevelt s Lend Lease program American leaders sought to keep Joseph Stalin s Red Army in the field and fighting Adolf Hitler s forces in the Second World War from 1941 forward Delivered by the Anglo American Arctic naval convoys overland through the Iranian deserts and mountains and through the skies from Alaska to Siberia this much needed material aid helped Stalin s Red Army to continue fighting and thereby prevented a separate peace with Hitler s Germany and a mechanized repeat of the First World War s Brest Litovsk fiasco Yet Roosevelt and other U S officials due to their severe underestimation of Stalin s character and his rigid and fanatical devotion to exporting Communism at gunpoint gambled incorrectly that they could win the Soviet premier s heart and mind through several excessive wartime aid gestures including the furnishing of atomic bomb materials to the Soviet regime By 1945 American leaders had succeeded in their strategic goal of keeping Stalin and his Red Army in the war and hastening victory but failed in their efforts to purchase the Soviet premier s goodwill and commitment to postwar peace heralding the global Cold War and setting the stage for later U S martial aid programs to those resisting aggression abroad In addition to its primary focus on the American leadership s perceptions of Stalin s strategic importance to the Allied war effort in the Second World War this work also includes a detailed assessment of Roosevelt s Soviet Lend Lease program alongside U S President Ronald Reagan s later support for the Afghan Islamic guerrillas resisting Soviet occupation during the Soviet Afghan War of the 1980s and a comparison of both martial aid programs with Washington s recent revival of Lend Lease aid for the Ukrainian war effort It offers today s American leaders and policymakers a chance to consult the lessons of history and apply them in the present

Joseph Stalin Helen Rappaport, 1999-12-13 To get to the top Joseph Stalin outmaneuvered Lenin Trotsky Kirov and a legion of equally ruthless revolutionaries This accessible and easy to read reference work reveals the more personal side of the Machiavellian mastermind who not only orchestrated the Great Terror but also forged the USSR into a

world power Joseph Stalin A Biographical Companion offers balanced coverage and makes use of new information from Soviet archives while at the same time avoids mind numbing communist jargon and terminology Also included are scores of rare illustrations some never before published in the West

Listen Africans! a Revolution Is Coming Emma Samuel Etuk,2011-01-20 Etuk has been indefatigable in his profound determination for African revolution as admonished not only in this piece but also in his other works Adams O Adah Founder of Impart Africa author of Service As Africa begins her journey into the twenty first century the citizens ask how can we survive In Listen Africans A Revolution is Coming author Emma Samuel Etuk addresses the question of revolutiona fundamental change to the basic fabric of societyand its historical manifestations Through thorough research Etuk presents strong arguments about the need for change in the social political economic and religious life of Africans He contends that an array of issues has brought the continent to this point including broken promises by administrators and governments poverty and widespread hunger angry youth and unemployment official corruption insensitivity and kleptocracy tyranny despotism and dictatorships state sponsored terrorism infrastructural decay and environmental pollution As Etuk uses these examples and makes a call for a revolution he provides a backdrop by discussing the following Origin of revolutions Necessity for an African revolution Theological basis for a revolution Five kinds of revolutions Lessons learned from the six major revolutions of the past Preparation for a revolution Etuk maintains that change is necessary in life and that it is up to the Africans to decide what kind of revolution they should adopt in order to affect change on their continent

Stalin Marty Bloomberg,Buckley Barry Barrett,1993-01-01 A comprehensive annotated survey of English language literature on Stalin

Cultural Resurgence in Soviet Russia, 1917-1935 Ashoke Ranjan Thakur,2025-09-03 This volume presents a new cultural history of the transformation of Russia to the Soviet Union It looks at how the literature the sciences and the arts played a key role in the emergence from a largely agrarian economy to world order It traces the multiple revolutions that resulted in the overthrow of the Tsar s regime during World War I society polity cultural life and the economy saw major upheavals as the country went into turmoil following the War and the revolution However the volume highlights the continuities from the previous regime as the communists built on the work done by their predecessors including monarchists Finally the volume connects it to the larger currents in Europe and Asia at the time The volume will be of great interest to scholars and students of modern Europe history social movements and communism It will also find interest among general readers

Russia in the Twentieth Century David R. Marples,2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example

Before Evil Brandon K. Gauthier,2022-04-26 Should we humanize the world s most inhumane leaders Adolf Hitler Joseph Stalin Benito Mussolini Mao Zedong Kim Il Sung Vladimir Lenin These

cruel dictators wrote their names on the pages of history in the blood of countless innocent victims Yet they themselves were once young people searching for their place in the world dealing with challenges many of us face parental authority education romance loss and doing so in ways that might be uncomfortably familiar Historian Brandon K Gauthier has created a fascinating work epic yet intimate well researched but immensely readable clear eyed and empathetic looking at the lives of these six dictators with a focus on their youths We watch Lenin s older brother executed at the hands of the Tsar s police an event that helped radicalize this overachieving high schooler We observe Stalin grappling with the death of his young beautiful wife We see Hitler s mother mourning the loss of three young children and determined that her first son to survive infancy would find his place in the world The purpose isn t to excuse or simply explain these horrible men but rather to treat them with the empathy they themselves too often lacked We may prefer to hold such lives at arm s length so as to demonize them at will but this book reminds us that these monstrous rulers were also human beings and perhaps more relatable than we d like

Motherland David R. Marples, 2014-10-13 Motherland tells the dramatic story of the rise and fall of the Soviet Union From Lenin s virtual coup in November 1917 to Boris Yeltsin s ruthless takeover of power in 1991 the book culminates with a new view of the Yeltsin years David Marples focuses on the evolution of Russia during the Soviet period and the attempt to harness Russian nationalism to the avowed Soviet mission of promoting World Communism Along the way he analyses some of the more intensive historical debates and uncovers some of the myths perpetuated by state propaganda especially those associated with the Great Patriotic War

New Soviet Man John Haynes, 2024-07-30 Cinema has long been recognised as the privileged bridge between Soviet ideologies and their mass public Recent feminist oriented work has drawn out the symbolic role of women in Soviet culture but not surprisingly men too were expected to play their part In this first full length study of masculinity in Stalinist Soviet cinema John Haynes examines the New Soviet Man not only as an ideal of masculinity presented to Soviet cinemagoers but also precisely as a man in his specific and hotly debated social cultural and political context A detailed analysis of Stalinist discourse sets the stage for an examination of the imagined relationship between the patriarch Stalin and his model sons in the key genre cycles of the era from the capital to the collective farms and ultimately to the very borders of the Soviet state Informed by contemporary and present day debates over the social and cultural significance of cinema and masculinity New Soviet Man draws on a range of theoretical and comparative material to produce engaging and accessible readings accounting for both the appeal of and the inherent potential for subversion within films produced by the Stalinist culture industry New Soviet Man will be widely read by students and specialists in the fields of film studies Russian and Soviet studies gender and modern European history

The Totalitarian Paradigm after the End of Communism , 2022-06-08 Concepts of totalitarianism have undergone an academic revival in recent years particularly since the breakdown of communist systems in Europe in 1989 91 the totalitarian paradigm so it seems to many scholars today had been discarded prematurely in the heat of the Cold War The demise of communism as a social system is

however not only an important cause of the recurring attractiveness of the totalitarian paradigm but provides at the same time new evidence and correspondingly new problems of explanation for all approaches in communist studies and totalitarianism theory in particular This book contains articles by philosophers social scientists and historians who reassess the validity of the totalitarian approach in the light of the recent historical developments in Eastern Europe A first group of authors focus on the analytical usefulness and explanatory power of classic concepts of totalitarianism after having observed the failed reforms of the Gorbachev era and the collapse of Europe's communist systems in 1989-91 In these contributions the totalitarian paradigm is contrasted with other approaches with respect to cognitive power as well as normative implications In the second group of contributions the focus is on the reassessment of methodological and theoretical problems of the classic concepts of totalitarianism The authors attempt to reinterpret the classic concepts so as to meet the objections which have been put forward against those concepts during the last decades The study thereby traces some of the intellectual roots of the totalitarian paradigm that precede the outbreak of the Cold War such as the work of Sigmund Neumann and Franz Borkenau It also focuses on the most famous authors in the field Hannah Arendt and Carl Joachim Friedrich In addition it discusses theorists of totalitarianism like Juan Linz whose contributions to totalitarianism theory have too often been overlooked

Women's Works in Stalin's Time Beth Holmgren, 1993-11-22 Holmgren gives a superb comparative analysis of the literary legacy of the two memoirists Times Literary Supplement Beth Holmgren's book is a highly original and very productive critical appraisal of the work of Liliia Chukovskaia and Nadezhda Mandelstam The Russian Review This fine book with its copious informative notes and good bibliography will interest students of 20th century literature and theorists of autobiography feminist criticism and gender studies Choice a fascinating book that provides a powerful testament to the strength and endurance of women in a particularly ghastly period of history Signs impressive eloquently written an integrated comparative study of two very different female survivors of the Stalinist night Caryl Emerson a bold scholarly act The writing is excellent throughout Barbara Heldt Two extraordinary women writers are evoked as models of women's heroic roles in preserving Russian culture in Stalin's time A fresh and eloquent approach to the literature of the Stalinist age

A History of Russia: Since 1855 Walter Moss, 2002

Red Quarter Moon Anne Konrad, 2012-01-30 Anne Konrad's *Red Quarter Moon* is the gripping account of her search for family members lost and disappeared within the Soviet Union Konrad's ancestors Mennonites had settled the Ukrainian steppes in the late 1790s An ethno religious minority they became special objects of Soviet persecution Though her parents fled in 1929 many relatives remained in the USSR Konrad's search for these missing extended family members took place over twenty years and five continents on muddy roads lonesome steppes and in old letters documents or secret police archives Her story emerges as both haunting and inspiring filled with dramatically different accounts from survivors now scattered across the world She aligns the voices of her subjects chronologically against the backdrop of Soviet policy intertwining the historical context of

the Terror Years with her own personal quest Red Quarter Moon is an enthralling journey into the past that offers a unique look at the lives of ordinary families and individuals in the USSR **Barbarism and Civilization** Bernard Wasserstein, 2007

The twentieth century in Europe witnessed some of the most brutish episodes in history Yet it also saw incontestable improvements in the conditions of existence for most inhabitants of the continent from rising living standards and dramatically increased life expectancy to the virtual elimination of illiteracy and the advance of women ethnic minorities and homosexuals to greater equality of respect and opportunity It was a century of barbarism and civilization of cruelty and tenderness of technological achievement and environmental spoliation of imperial expansion and withdrawal of authoritarian repression and of individualism resurgent Covering everything from war and politics to social cultural and economic change Barbarism and Civilization is by turns grim humorous surprising and enlightening a window on the century we have left behind and the earliest years of its troubled successor

Reviewing **Stalin Revolution Foundations Of The Totalitarian Era**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Stalin Revolution Foundations Of The Totalitarian Era**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Stalin Revolution Foundations Of The Totalitarian Era Introduction

In today's digital age, the availability of Stalin Revolution Foundations Of The Totalitarian Era books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Stalin Revolution Foundations Of The Totalitarian Era books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Stalin Revolution Foundations Of The Totalitarian Era books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Stalin Revolution Foundations Of The Totalitarian Era versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Stalin Revolution Foundations Of The Totalitarian Era books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Stalin Revolution Foundations Of The Totalitarian Era books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Stalin Revolution Foundations Of The Totalitarian Era books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Stalin Revolution Foundations Of The Totalitarian Era books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Stalin Revolution Foundations Of The Totalitarian Era books and manuals for download and embark on your journey of knowledge?

FAQs About Stalin Revolution Foundations Of The Totalitarian Era Books

1. Where can I buy Stalin Revolution Foundations Of The Totalitarian Era books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
