Stalin And His Times:

Stalin and His Times Arthur E. Adams, 1972-01-01 *Stalin* Irish Association for Russian and East European Studies, Irish Association for Russian and East European Studies. Conference, University College, Cork. Faculty of Arts, 2005

Stalin's Wars Geoffrey Roberts, 2006-01-01 This breakthrough book provides a detailed reconstruction of Stalin's leadership from the outbreak of the Second World War in 1939 to his death in 1953. Making use of a wealth of new material from Russian archives, Geoffrey Roberts challenges a long list of standard perceptions of Stalin: his qualities as a leader, his relationships with his own generals and with other great world leaders, his foreign policy and his role in instigating the Cold War. While frankly exploring the full extent of Stalin's brutalities and their impact on the Soviet people, Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long-term detente with the capitalist world. By means of an integrated military, political, and diplomatic narrative, the author draws a sustained and compelling personal portrait of the Soviet leader. The resulting picture is fascinating and contradictory, and it will inevitably change the way we understand Stalin and his place in history. Roberts depicts a despot who helped save the world for democracy, a personal charmer who disciplined mercilessly, a utopian ideologue who could be a practical realist, and a warlord who undertook the role of architect of post-war peace.

Stalin's Great Science: The Times And Adventures Of Soviet Physicists Alexei B

Kojevnikov, 2004-08-23 World-class science and technology developed in the Soviet Union during Stalin's dictatorial rule under conditions of political violence, lack of international contacts, and severe restrictions on the freedom of information. Stalin's Great Science: The Times and Adventures of Soviet Physicists is an invaluable book that investigates this paradoxical success by following the lives and work of Soviet scientists, including Nobel Prize-winning physicists Kapitza, Landau, and others throughout the turmoil of wars, revolutions, and repression that characterized the first half of Russia's twentieth century. The book examines how scientists operated within the Soviet political order, communicated with Stalinist politicians, built a new system of research institutions, and conducted groundbreaking research under extraordinary circumstances. Some of their novel scientific ideas and theories reflected the influence of Soviet ideology and worldview and have since become accepted universally as fundamental concepts of contemporary science. In the process of making sense of the achievements of Soviet science, the book dismantles standard assumptions about the interaction between science, politics, and ideology, as well as many dominant stereotypes mostly inherited from the Cold War about Soviet history in general. Science and technology were not only granted unprecedented importance in Soviet society but they also exerted a crucial formative influence on the Soviet political system itself. Unlike most previous studies, Stalin's Great Science recognizes the status of science as an essential element of the Soviet polity and explores the nature of a special relationship between experts, scientists, and engineers and communist politicians that enabled the initial rise of the Soviet state and its mature accomplishments until the

pact eroded in later years undermining the communist regime from within

Stalin's Apologist: Walter Duranty: The New York Times's Man in Moscow S.J. Taylor, 1990-03-29 Short unattractive hobbling about Stalin's Moscow on a wooden leg Walter Duranty was an unlikely candidate for the world's most famous foreign correspondent Yet for almost twenty years his articles filled the front page of The New York Times with gripping coverage of the aftermath of the Russian Revolution A witty engaging impish character with a flamboyant life style he was a Pulitzer Prize winner the individual most credited with helping to win U S recognition for the Soviet regime and the reporter who had predicted the success of the Bolshevik state when all others claimed it was doomed But as S J Taylor reveals in this provocative biography Walter Duranty played a key role in perpetrating some of the greatest lies history has ever known Stalin's Apologist deftly unfolds the story of this accomplished but sordid and tragic life Drawing on sources ranging from newspapers to private letters and journals to interviews with such figures as William Shirer and W Averell Harriman Taylor's vivid narrative unveils a figure driven by ambition whose early success reporting on Bolshevik Russia he was foremost in predicting Stalin's rise to power established his international reputation fed his overconfident contempt for his colleagues and indeed led him to identify with the Soviet dictator Thus during the great Ukrainian famine of the early 1930s which Stalin engineered to crush millions of peasants who resisted his policies Duranty dismissed other correspondents reports of mass starvation and though secretly aware of the full scale of the horror effectively reinforced the official cover up of one of history's greatest man made disasters Later he took the rigged show trials of Stalin's Great Purges at face value blithely accepting the guilt of the victims He believed himself the leading expert on the Soviet Union and his faith in his own insight drew him into a downward spiral of distortions and untruths typified by his memorable excuse for Stalin's crimes You can't make an omelet without breaking eggs Taylor brilliantly captures the full range of Duranty's astonishing life from his participation in the Satanic orgies of Aleister the Beast Crowley to his dramatic front line reporting during World War I to his epic womanizing and heavy drug and alcohol abuse It is the bitter ironic story of a man who had the rare opportunity to bring to light the suffering of the millions of Stalin's victims but remained a prisoner of vanity self indulgence and success

The Times, Life and Moral Dilemma of Beria Andrew Sangster, 2019-02-28 There are some figures in modern history who stand out not just for their amoral conduct but their cruelty This book explores the life of the notorious Beria Stalin's henchman The first part provides an outline of the turbulent history of Russia from 1900 to 1953 in order to set the background from which Beria emerged The second section presents a biography of Beria from his youth his early education and his obsequious behaviour towards Stalin to his rise to be the head of the NKVD KGB and later to be amongst the most senior leaders of the Communist structure in the USSR He was responsible for the deaths of millions and for organising the Katy massacre infamous for murdering colleagues and a sexual predator and became the most feared man in the USSR next to Stalin The third and fourth parts move away from history and biography to moral philosophy in order to understand from where such evil conduct arises The question of free will is

explored in the light of human insight and these sections also discuss the most recent scientific claims concerning human behaviour as well as the factors which influence people in decision making *Marx His Times and Ours* Rudolf Schlesinger, 1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company *A Scion of the Times* Leon Schwartz, 2010-09 **Stalin's General** Geoffrey Roberts, 2012-08-02 Marshal Georgy Zhukov is one of military history's legendary names He played a decisive role in the battles of Moscow Stalingrad and Kursk that brought down the Nazi regime He was the first of the Allied generals to enter Berlin and it was he who took the German surrender He led the huge victory parade in Red Square riding a white horse and in doing so dangerously provoking Stalin's envy His post war career was equally eventful Zhukov found himself sacked and banished twice and wrongfully accused of disloyalty However he remains one of the most decorated officers in the history of both Russia and the Soviet Union Since his death in 1974 Zhukov has increasingly been seen as the indispensable military leader of the Second World War surpassing Eisenhower Patton Montgomery and MacArthur in his military brilliance and ferocity Making use of hundreds of documents from Russian military archives as well as unpublished versions of Zhukov's memoirs Geoffrey Roberts fashions a remarkably intimate portrait of a man whose personality was as fascinating as it was contradictory Tough decisive strong willed and brutal as a soldier in his private life he was charming and gentle Zhukov's relations with Stalin's other generals were often prickly and fraught with rivalry but he was the only one among them to stand up to the Soviet dictator Piercing the hyperbole of the Zhukov personality cult Roberts debunks many of the myths that have sprung up around Zhukov's life to deliver fresh insights into the marshal's relations with Stalin Khrushchev and Eisenhower A highly regarded historian of Soviet Russia Roberts has fashioned the definitive biography of this seminal 20th century figure [The New York Times Current History](#), 1925 **The Times of My Life and My Life with The Times** Max Frankel, 2016-04-20 Since 1949 when Pulitzer Prize winning journalist Max Frankel began to write for The New York Times readers have looked to his work as a lens through which they could witness America's role in a rapidly changing world In this vivid and unforgettable memoir Frankel chronicles the times of his extraordinary life as he experienced them within the context of the news stories that defined an era A quintessentially American story The Times of My Life traces Frankel's riveting personal relationship with history his harrowing escape from Nazi Germany his life as an immigrant on the streets of New York and his extraordinary half century long career at The Times In a rich first person account that moves from Hitler's Berlin to Cold War Moscow from Castro's Havana to the newsroom of America's most influential newspaper this powerful compelling work interweaves Frankel's personal and professional lives with the era's greatest stories from Sputnik to the Pentagon Papers to the collapse of the Berlin Wall And it reveals Frankel's fascinating off the record encounters with Nikita Khrushchev Henry Kissinger John Kennedy Richard Nixon and a host of other history makers who shaped their times and ours Guiding readers through Hitler's Berlin Khrushchev's Moscow Castro's Havana and the Washington of Kennedy Johnson and Nixon THE TIMES OF MY LIFE

reevaluates the Cold War and interweaves Frankel's personal and professional life with the greatest stories of the era NOTE This edition does not include photographs E.H.Carr: A Critical Appraisal M. Cox, 2016-04-30 E H Carr 1892-1982 was born into security but lived a life of controversy Attacked for appeasing both Hitler and Stalin he was not only one of the most productive writers of the Twentieth century but one of its most provocative as well In this book the first ever to deal critically but fairly with Carr's contribution to international relations Soviet Studies and the study of history sixteen internationally respected authors grapple with his complex intellectual legacy For those seriously interested in understanding the life and times of this most English of establishment radicals this is the place to begin The Secret File of Joseph Stalin Roman Brackman, 2004-11-23 This account of Stalin's life begins with his early years the family breakup caused by the suspicion that the boy was the result of an adulterous affair the abuse by his father and the growth of the traumatized boy into criminal spy and finally one of the 20th century's political monsters **Baldwin of the Times** Robert Davies, 2011-10-15 Hanson W Baldwin was America's best known military writer and analyst in the 20th century covering conflicts from World War II to the Vietnam War He was the military editor of the New York Times for forty years and his dispatches from Guadalcanal and the Western Pacific won him a Pulitzer Prize in 1943 This first biography of this Naval Academy graduate begins with an appreciation of the human and literary values learned from his Baltimore newspaper family His midshipman years 1920-1924 taught him the value of concentration After three years of active service he chose the life of a professional writer A few days before the 1929 stock market crash he joined the New York Times as a reporter His career was advanced by the patronage of the Times publisher and by the talk of another European war in 1937 He won a Pulitzer Prize in 1943 for his Guadalcanal series After 1945 he thought the atomic bomb to be of limited use on the battlefield as well as in the politics of the Cold War His news scoops upset many but were in keeping with his determination to tell his readers what its government was doing His continuing criticism of Secretary McNamara's management of the Vietnam War and the Times management's annoyance with his pro war position contributed to his decision to retire in March 1968 Later he could only observe and to complain over the decline of American values and its harmful effects on the military After his retirement he continued to write articles on military affairs for the news columns and Op Ed page of the New York Times *Robert Kennedy and His Times* Arthur M. Schlesinger, 2012-07-18 The Pulitzer Prize winning historian chronicles the short life of the Kennedy family's second presidential hopeful Schlesinger's account vividly recalls the forces that shaped Robert Kennedy from his position as the third son of a powerful Irish Catholic political clan to his concern for issues of social justice in the turbulent 1960s *Robert Kennedy and His Times* is a picture of a deeply compassionate man hiding his vulnerability drawn to the underdogs and the unfortunates in society by his life experiences and sufferings Los Angeles Times This fortieth anniversary edition contains not only Schlesinger's illuminating and inspiring portrait of Robert Kennedy but a new introduction by Michael Beschloss in which the acclaimed bestselling author and historian discusses the book's initial

reception Schlesinger's thoughts on it and expounds on why Robert Kennedy is still such an important figure today

Exceptionally important one of a handful of books that anyone who cares for the politics of the 60s must read *Newsweek* An absorbing and vividly written study of a gallant and tragic man *The Boston Globe* A story that leaves the reader aching for what cannot be recaptured *Miami Herald* An inspiring account of what it was like to be at Robert Kennedy's side and why he and many like him felt that vision and virtue walked with them *Business Week*

Charlie Chaplin and His Times Kenneth Schuyler Lynn, 1997 With the psychologically penetrating insight that marked his award winning *Hemingway* Lynn probes beneath the mystique of the Little Tramp the first true worldwide celebrity whose unmatched comic genius masked a complex sometimes tragic life of photos

Stalin Adam B. Ulam, 1989 Perestroika and glasnost have unleashed unprecedented criticism of Joseph Stalin in the Soviet Union and the terrible legacy of his regime has been acknowledged by Mikhail Gorbachev

The New York Times Index, 1928

Robert Kennedy and His Times Arthur Meier Schlesinger (Jr.), 1978 A biography of the Senator who was assassinated in 1968 stressing the public and personal forces and events that shaped his life

Joseph Stalin David R. Egan, Melinda A. Egan, 2007-07-25 With the opening of Russian and communist bloc archives dating from the Soviet era there has been a significant increase of scholarly writings pertaining to Joseph Stalin

Widely considered to be among the most influential historical figures of the twentieth century Stalin continues to be a source of intense study In the absence of a comprehensive compilation of periodical literature the need for *Joseph Stalin An Annotated Bibliography of English Language Periodical Literature to 2005* is conspicuous Ranging from editorials and news reports to academic articles the more than 1 700 sources cited collectively cover the full range of his life the various aspects of his leadership and virtually all facets of the system and practices traditionally associated with his name The coverage in this bibliography extends beyond the person of Stalin to include the subjects of Stalinism the Stalinist system the Stalin phenomenon and those policies and practices of the Communist Party and Soviet state associated with him This volume also provides a record of scholarly opinion on Stalin and sheds light on the evolution and current state of Stalinology An effort has been made to list only those articles in which Stalin figures prominently but in some instances articles have been included which do not center on Stalin but are worthy of listing for other reasons The book is divided into fourteen main sections General Studies and Overviews Biographical Information and Psychological Assessments The Revolutionary Movement October Revolution and Civil War Rise to Power Politics Economics Society and Social Policy Nationalism and Nationality Policy Culture Religion Philosophy and Theory Foreign Relations and International Communism Military Affairs and De Stalinization Including a subject index of several hundred headings and even greater number of subheadings this comprehensive annotated bibliography should be of benefit to those individuals who for the purpose of research or classroom

Stalin And His Times Introduction

In the digital age, access to information has become easier than ever before. The ability to download Stalin And His Times has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Stalin And His Times has opened up a world of possibilities. Downloading Stalin And His Times provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Stalin And His Times has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Stalin And His Times. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Stalin And His Times. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Stalin And His Times, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Stalin And His Times has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Stalin And His Times Books

What is a Stalin And His Times PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Stalin And His Times PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Stalin And His Times PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Stalin And His Times PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Stalin And His Times PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
