Stalky Co:

The Complete Stalky & Co Rudyard Kipling, 1999 Kipling appears as the central character Beetle in this charming collection of school stories *Stalky & Company* Rudyard Kipling, 1899 A collection of school stories centering around adolescent boys at a British boarding school whose juvenile protagonists display a know it all cynical outlook on patriotism and authority Stalky & Co Rudyard Kipling, 2002 Stalky Co is the hilarious tale of the coming of age of three roguish boys at an English public school With a seemingly unending supply of practical jokes and ingenious japes to frustrate and thwart their long suffering schoolmasters the three pranksters eventually find their match in their wise and all too experienced headmaster Based on his own school days Kipling has captured the eternal spirit of the English public school and painted an intimate and understanding portrait of his young heroes The Complete Stalky & Co Rudyard Kipling, 2009-02-26 Kipling portrays school as the first stage of a much larger game a pattern maker for the experiences of life Implied throughout the stories is the question What happened to these fifteen year old boys and how did the lessons they learned at school apply to the world of warfare and imperial government The stories are based on Kipling's own school the United Services College at Westward Ho in Devon which prepared boys destined for the army or for colonial service Kipling himself appears as the subordinate character Beetle This edition includes five Stalky stories which did not appear in the original volume and thus constitutes a Complete Stalky Co ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Stalky & Co.** Rudyard Kipling, 2006-05 Originally published in 1913 Author Henri Lichtenberger Language English Keywords History Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive Obscure Press are republishing these classic works in affordable high quality modern editions using the original text and artwork Keywords English Keywords 1900s Language English Artwork **Mark Twain & Company** Leland Krauth, 2003 In this comparison of Mark Twain with six of his literary contemporaries Leland Krauth looks anew at the writer's multifaceted creativity Twain a highly lettered man immersed in the literary culture of his time viewed himself as working within a community of writers He likened himself to a guild member whose work was the crafted product of a common trade and sometimes made with borrowed materials Yet there have been few studies of Twain in relation to his fellow guild members In Mark Twain the humor and social criticism of Twain and Howells the use of the Gothic by Twain and Stowe to explore racial issues the role of Victorian Sage assumed by Arnold and Twain to critique civilization the exploitation of adventure fiction by Twain and Stevenson to reveal conceptions of masculinity and the use of the picaresque in Kipling and Twain to support or subvert imperialism Mark Twain Company casts new light on some of the most enduring writers in

Millie Roads have given it a new and challenging relevance Focusing mainly on novels written for young people From Morality to Mayhem charts the fall and rise of the school story from the grim accounts of Victorian times to the magic and mayhem of our own age In doing so it considers how fictional schools not only reflect but sometimes influence real life This captivating study will appeal to those interested in children s literature and education both students and the general reader taking us on a not altogether comfortable trip down memory lane The Speaker ,1899 **Stalky and Co** Rudyard Kipling,2017-12-17 Why buy our paperbacks Expedited shipping High Quality Paper Made in USA Standard Font size of 10 for all books 30 Days Money Back Guarantee BEWARE of Low quality sellers Don t buy cheap paperbacks just to save a few dollars Most of them use low quality papers binding Their pages fall off easily Some of them even use very small font size of 6 or less to increase their profit margin It makes their books completely unreadable How is this book unique Unabridged 100% Original content Font adjustments biography included Illustrated Stalky Co by Rudyard Kipling Stalky Co is a novel by Rudyard Kipling about adolescent boys at a British boarding school It was first published in 1899 following serialisation in the Windsor Magazine Reflecting its origins the novel is episodic in nature with self contained chapters It is set at an unnamed school referred to as the College or the Coll which is based on the United Services College in Devon which Kipling attended The character Beetle one of the main trio is partly based on Kipling himself while the charismatic character Stalky is based on Lionel Dunsterville M Turk is based on George Charles Beresford and Mr King is based on William Carr Crofts The stories have elements of revenge the macabre bullying and violence and hints about sex making them far from childish or idealised For example Beetle pokes fun at an earlier more earnest boys book Eric or Little by Little thus flaunting his more worldly outlook There is also some information about Stalky in later life In his essay entitled What We Can Expect of the American Boy Teddy Roosevelt disdained this novel calling it a story which ought never to have been written for there is hardly a single form of meanness which it does not seem to extol or of school mismanagement which it does not seem to applaud Joseph Rudyard Kipling 30 December 1865 18 January 1936 was an English journalist short story writer poet and novelist Kipling s works of fiction include The Jungle Book 1894 Kim 1901 and many short stories including The Man Who Would Be King 1888 His poems include Mandalay 1890 Gunga Din 1890 The Gods of the Copybook Headings 1919 The White Man s Burden 1899 and If 1910 *Stalky and Co., by Rudyard Kipling ...* Rudyard Kipling,1899 *Empire Boys: Adventures in a Man's World* Joseph Bristow,2015-08-27 Originally published in 1991 Focusing on boys own literature this book examines the reasons why such a distinct type of combative masculinity developed during the heyday of the British Empire This book reveals the motives that produced this obsessive focus on boyhood In Victorian Britain many kinds of writing from the popular juvenile weeklies to parliamentary reports celebrated boys of all classes as the heroes of their day Fighting fit morally upright and proudly patriotic these adventurous young men were set forth on imperial missions civilizing a savage world Such noble heroes included the strapping lads who brought an end to cannibalism on Ballantyne s Coral

Island who came into their own in the highly respectable Boys Own Paper and who eventually grew up into the men of Haggard's romances advancing into the Dark Continent The author here demonstrates why these young heroes have enjoyed a lasting appeal to readers of children's classics by Stevenson Kipling and Henty among many others He shows why the political intent of many of these stories has been obscured by traditional literary criticism a form of criticism itself moulded by ideals of empire and Englishness Throughout imperial boyhood is related to wide ranging debates about culture literacy realism and romance This is a book of interest to students of literature social history and education **Rudyard Kipling** W. Dillingham, 2016-01-01 VictorianStudies on theWebCritics Choice Rudyard Kipling Hell and Heroism is an exploration of two fundamental yet greatly neglected aspects of the author's life and writings his deep seated pessimism and his complex creed of heroism The method of the book is both biographical and critical Biographically it traces the roots of Kipling's dark worldview and his search for something to believe in a way of thinking and acting in defiance of life's hellishness There matters were more basic to him than any of his social or political opinions but this the first full length study devoted to them Critically the book takes a fresh and close look at some of Kipling's most important works The result challenges long established assumptions and amounts to a major reconsideration of novels like Kim and stories like Mary Postgate and The Gardener Central in these discussions of individual writings is Kipling's concern with the heroic life but of equal importance is the analysis and evaluation of them as works of art Avoiding the tangled and special language of some recent literary theory this will appeal to a wide audience of those interested in Kipling's mind and art *Kipling's Reading and Its Influence on His Poetry* Ann M. Weygandt, 2017-01-30 No detailed description available for Kipling's Reading and Its Influence on His Poetry Stalky's Reminiscences Lionel Charles Dunsterville, 1928 **Public School Magazine** ,1900 **Being Kipling** W. Dillingham, 2016-04-30 Being Kipling exposes Rudyard Kipling's identity as he himself perceived it through the lens of a collection of works composed over a period of years and brought together in the volume Land and Sea Tales for Scouts and Guides Dillingham uses this extraordinary collection ostensibly put together for the inspiration of Boy Scouts and Girl Guides and frequently ignored by critics and biographers to offer rare insight into formative events from Kipling's youth that shaped his personality and made him the man and writer that he became The eight stories eight poems and three essays of Land and Sea Tales for Scouts and Guides are all examined closely both for what they reveal about Kipling's life and worldview and for their rarely perceived but considerable literary merit
