Stallion Rides And Other Erotic:

Muscle Sports Jocks Tom Kvaale, 2004 This anthology is a pioneering collection of erotic fiction by various writers Included is Peck's novella *Equus* and *Elf Boy* with its Tolkien like world of intelligent stallions reminiscent of *Voyage to the Country of the Houyhnhnms* in Swift's *Gulliver's Travels* and the men they love in full thrust Other stories are in modern surroundings such as MacKenzie's beautifully written *Horsecock* in Javina Walsh set in the American south west and Sheppard's *Centaur Rising* with its mixture of explicit erotica in present day Europe and ancient Greece *Erotic Beasts and Social Monsters* Tiffany Grace, 1995-02 The voluminous contemporary critical work on English Renaissance androgyny transvestism has not fully uncovered the ancient Greek and Roman roots of the gender controversy This work argues that the variant Renaissance views on the androgyne's symbolism are in fact best understood with reference to classical representations of the double sexed or gender baffled figures and with the classical merging of the figure with images of beasts and monsters *The Sour Fruit* Vincenzo Patanè, 2018-12-17 Byron's emotional and erotic life which he indulged with an unstoppable energy is a key element in understanding his powerful and passionate personality as well as the society of his day which was scandalised by his behaviour even while being conquered by his extraordinary charm The *Sour Fruit* Lord Byron Love Sex looks at the poet's now generally acknowledged bisexuality in all its aspects from his fleeting liaisons to his love affairs female his half sister Augusta Caroline Lamb and Teresa Guiccioli and male John Edleston Nicolo Giraud and Loukas Chalandritsanos The book's original approach provides unusual and fascinating insights notably into Byron's homosexuality hitherto relatively unexplored and reveals a more truthful picture of the poet Byron was strongly attracted to boys who are referred to in *Don Juan* as sour fruit In his adolescence he had fallen for aristocratic contemporaries but would later be attracted to boys of a lower social station He had several same sex experiences in England encouraged by the circle he frequented at Cambridge particularly his friend Matthews as well as during his Grand Tour during which he was able to freely live out behaviours frowned on at home In early 19th century England homosexuality was a criminal offence punished with the pillory or even hanging and Byron preferred to keep his transgressive experiences to himself or share them only with a restricted group of like minded friends There are numerous veiled references to the range of his tastes in his works and his letters which adopt a code aimed at the initiated that we are today better able to decipher Innuendos abound pointing to aspects of his submerged life to adultery incest and above all homosexuality and we can now more fully appreciate the wit and verve of his letters as well as a clutch of agonised love poems An appended chapter examines *Don Leon* an anonymous work purporting to be by Byron himself and salaciously recounting his love life which was first published some forty years after his death and has been on more than one occasion banned for obscenity *Ride a Dark Horse* Laura Moore, 2001-05-23 Set against the sweeping landscape of Virginia horse country this breathtaking story of love in the wake of tragedy marks the debut of an exciting voice in romantic fiction Cassie Miller was on track to be one of the best equestrian

riders of the sport when a terrible accident left her as the guardian of an orphaned niece and nephew Seeking means to support the twins now five years old Cassie takes a job as a horse trainer at the prestigious Five Oaks farm where she finds not one but two worthy adversaries Orion a bold dark horse that has yet to find a rider it deems its equal and local veterinarian Caleb Wells a man whose startling good looks and quick wit leave Cassie unnerved As Cassie trains Orion for competition Caleb a partner in the farm watches over their progress A womanizer since his recent divorce he soon finds his heart softening for this strong and gifted woman and for her unconventional family But as Orion's Hampton Classic competition looms Caleb's vengeful ex wife threatens to ruin everything Cassie and Caleb have worked for Reminiscent of the early classics in romantic fiction Ride A Dark Horse is a winning tale of the bittersweet glories of life and the transformative power of love

Broken by the Cowboy Studs (Gay Pony Play Erotica) Archer Vale,2023-03-19 Here at the stud ranch you ll learn how to train even the most aggressive males You ll learn how to wear away independence coaxing them into a state of docile obedience It sounded like an incredible opportunity working as a ranch hand up in the mountains for the summer I didn t realize why I was actually hired though Alone in the barn with three older ranchers I stand naked while they run a brush through my hair and tell me what a

Bleakley,1999-11-26 Animals appear not just as biological creatures but as vehicles of meaning for human imagination mind and culture Animal life may form the basis for an animalizing imagination that can enhance our cultural religious and aesthetic sensibilities This imagination is rooted in the pre modern affective relationship between shamans and their familiars but can be tracked to our post modern ecological crisis where we can reclaim a totemic identification with animals as signifiers of a new ecological understanding

Beyond Human Charlie Blake, Claire Molloy, Steven Shakespeare, 2012-03-08 Beyond Human investigates what it means to call ourselves human beings in relation to both our distant past and our possible futures as a species and the questions this might raise for our relationship with the myriad species with which we share the planet Drawing on insights from zoology theology cultural studies and aesthetics an international line up of contributors explore such topics as our origins as reflected in early cave art in the upper Palaeolithic through to our prospects at the forefront of contemporary biotechnology In the process the book positions the human in readiness for what many have characterized as our transhuman or posthuman future For if our status as rational animals or animals that think has traditionally distinguished us as apparently superior to other species this distinction has become increasingly problematic It has come to be seen as based on skills and technologies that do not distinguish us so much as position us as transitional animals It is the direction and consequences of this transition that is the central concern of Beyond Human
