

The background of the book cover is an abstract expressionist print. It features a complex composition of bold, expressive brushstrokes and layered colors. Dominant colors include deep purple, vibrant red, and bright yellow. A large, dark, irregular shape in the center-left contains the title text. To the right, there's a large, textured, yellowish-brown shape that resembles a stylized animal or a piece of organic matter. The overall effect is one of dynamic energy and emotional intensity, characteristic of abstract expressionism.

Rogge,2022-08-30 This book offers the most detailed investigation thus far of the materials and methods of this key American Abstract Expressionist artist Although Franz Kline was one of the seminal figures of the American Abstract Expressionist movement he is less well known than contemporaries such as Jackson Pollock and Willem de Kooning This is partly because Kline unlike most artists in his circle did not like to write or talk about his own art In fact when asked in a panel to discuss abstract art Kline said I thought that was the reason for trying to do it because you couldn t talk about it Still his impact was such that the critic and art historian April Kingsley wrote Abstract Expressionism as a movement died with him This volume the newest addition to the Artist s Materials series from the Getty Conservation Institute looks closely at both Kline s life and work from his early years in Pennsylvania to his later success in New York City Kline s iconic paintings are poised on a critical cusp some have already undergone conservation but others remain unaltered and retain the artist s color gloss and texture and they are surprisingly vulnerable The authors presentation of rigorous examination and scientific analysis of more than thirty of Kline s paintings from the 1930s through the 1960s provides invaluable insight into his life materials and techniques This study provides conservators with essential information that will shape future strategies for the care of Kline s paintings and offers readers a more thorough comprehension of this underappreciated artist who is so central to American Abstract Expressionism Frank Lobdell Frank Lobdell,Timothy Anglin Burgard,2003 The first comprehensive overview of Frank Lobdell s paintings drawings prints and sketchbooks and his long career as artist and teacher in the San Francisco Bay Area *Tamarind* Marjorie Devon,2000-02 An essential addition to the library of anyone concerned with contemporary printmaking **Art Now Gallery Guide** ,2002-03 **Richard Diebenkorn in New Mexico** Gerald Nordland,Charles Strong,Richard Diebenkorn,2007 In 1977 a twenty four year old woman moved to remote Abiquiu New Mexico to begin a five year stay as companion and caretaker to then eighty nine year old Georgia O Keeffe **The Publishers Weekly** ,2001 **Architecture** ,2001 *The Magazine Antiques* ,2002
