## **Stampede At Blue Springs:**

**Stampede at Blue Springs** Gene Olson, 1958      **Cumulative Paperback Index, 1939-1959** R. Reginald, 2009-12-01

This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive. The major index is by author and lists author title publisher book number year of publication and cover price. The title index lists titles and authors only. The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued. This is the place that all study of the American paperback must begin.

Idaho land managers and regulators need knowledge on riparian reference sites. Reference sites are ecological controls that can be used to set meaningful management and regulatory goals. Since 1984 the Idaho Conservation Data Center Boise ID has compiled information in a series of interrelated databases on the distribution and condition of riparian wetland and terrestrial plant associations in high quality reference sites in Idaho. This report summarizes association specific and reference area specific information from our databases and presents a standardized classification of Idaho riparian and wetland plant associations. Each plant association entry includes the current global and state conservation rank and the plant association's occurrence in reference areas if any. This is followed by a summary of each reference area arranged by ecoregion. Province and Section Summary information includes location management responsibility site description and a list of all riparian and wetland associations that occur in the area. **The Publishers' Trade List Annual**, 1959. *The American Shropshire Sheep Record* Mortimer Levering, Julia M.
