Stand in the Gap John Gummadi, Ezekiel 22 30 And I sought for a man among them that should make up the hedge and stand in the gap before me for the land that I should not destroy it but I found none We often see fiery preachers who are quick to pronounce fire and brimstone on the ungodly While God does judge the wicked and disobedient people He is never quick to pour out His wrath The workings of God often are quite mysterious The Almighty is not willing that any should perish but that all should come to repentance 2 Peter 3 9 From time to time God raises faithful men and women who would plead for His people and make up the hedge and stand in the gap before the creator that He should not destroy them This book takes you through the lives and historical contexts of a few men of God like Abraham Moses and Daniel who stood in the gap for their people before God and stopped God from executing judgement And finally we'll also learn from our dear Lord Jesus Himself how He stood between the fierce wrath of God and the entire humanity May God bless this book for your reading

Stand in the Gap Prayer Journal Bill McCartney, 2014-10-08 I once knew a football coach He was a driven man who had sacrificed much to climb the ladder of his profession This coach loved his job he was energized by competition inspired by success His focus was hard and narrow He traveled far and wide to charm a prized recruit spent most waking hours assessing his team evaluating last week's mistakes sweating over next week's game plan His mind was trained to detect the smallest chink in the enemy's armor to exploit any advantage Most days he was up and out of the house before anybody else was awake Many nights he came home long after everyone had gone to bed He was not however a one dimensional man He was also a devoted Christian unashamed of the gospel energized and outspoken about God He was quick to proclaim the name of Jesus Christ wherever he went He attended church and by all appearances seemed like the real deal a sincere believer on fire for Jesus Christ a humble servant of God If someone would have followed this coach from dawn to midnight he would have seen him praying over his office quarters every morning and heard him on his lunch time walk ask God's blessing over each staff member and player He would have beheld a man who talked a lot about God But in reality he would have discerned a man intoxicated with coaching left with no choice but to conclude Coach says he's excited about God but his actions tell me he's really excited about football He says he's excited about his marriage but he didn't even see his wife today I think he's really excited about football And finally Coaching takes so much of this man's time and energy Coaching not God comes first in his life And he would have been right By now you've guessed the coach is me or was me

While I wanted balance in my life there was imbalance I meant well I would share the gospel with anyone I would boldly preach Christ in public share my love for God And there is no doubt in the off season God got substantially more of my time But there was a contradiction in my daily walk with God My heart while it longed for deeper connection to God was sold out to my profession to competition to whatever it took to win football games I knew about winning football I needed to know more about loving the Lord your God with all of your heart and with your soul and with all your strength **Stand in the Gap** David Bryant,1989 **Stand in the Gap** Brian Johnston,2024-12-16 In this short book Brian Johnston explores 7 things all Christians need to stand in stand for or stand doing standing in the gap standing in the Gospel standing in grace standing against the Devil standing in the will of God standing in unity and standing in the Traditions A 4 part bonus book on 4 ways God the Father is glorified in the Son is also included **Standing in Gaps** Seamus O'Rourke,2024-09-12 We hadn t a clue till we got the telly and then we wanted to be like dallas We were never happy that we knew of We were always longing for something else so we kept doing the same Standing in Gaps turns back time and transports the reader to a place where everything moved slowly and in the Leitrim of the 60s 70s and 80s that means really slowly In this memoir about rural Ireland family people and time award winning playwright Seamus O Rourke finds diamond tipped needles in bales of really bad hay turning the mundane into magic and providing much hilarity and mayhem for his many fans along the way **The Holy Spirit** Pauline Walley,2004-12 This book The Power of the Tongue teaches you the difference between the power of God and the forces of darkness It enlightens you about the sources of power that exist in this life and helps you to understand avenues of prophecies that jeopardize peoples future thereby helping you to identify the power of the Holy Spirit and recognize the true anointing that comes from above **Daily Reflections and Meditations** Michael J.
