Stand And Deliver Inside Canadian Comedy

Karin Nielsen-Saines

Stand And Deliver Inside Canadian Comedy:

Stand and Deliver Andrew Clark, 1997 What Makes Canadians so Funny No one is better qualified to answer that question than journalist Andrew Clark Canada's first full time comedy columnist *Stand and Deliver* delivers the inside stories of such famous Canadian comics as Jim Carrey Sandra Shamas the cast of SCTV and *The Kids in the Hall* and profiles major behind the scenes players Lorne Michaels Saturday Night Live and Mark Breslin Yuk Yuks Beginning with Canada's original international comedy sensation the World War I troupe The Dumbells Clark traces the thread of a particularly Canadian style of humour that is still found in the work of today's amateur night hopefuls and bona fide comedy superstars An in depth look at Montreal's Just For Laughs Festival the world's premier showcase for comedic talent reveals the Darwinian survival of the funniest battles that take place between comics each hoping to be the next big thing *Stand and Deliver* also exposes the dark side of the comedy industry the relentless touring the hecklers the drugs booze and parties that can alienate demoralize and even kill a would be star *Stand and Deliver* is an endlessly fascinating expose not only of the insular and frequently bizarre world of comedy but also of a neglected aspect of Canada's national character Wryly witty *Stand and Deliver* is a no hold barred look at the serious business of being funny

Celebrity Cultures in Canada Katja Lee, Lorraine York, 2016-05-20 *Celebrity Cultures in Canada* is an interdisciplinary collection that explores celebrity phenomena and the ways they have operated and developed in Canada over the last two centuries The chapters address a variety of cultural venues politics sports film and literature and examine the political cultural material and affective conditions that shaped celebrity in Canada and its uses both at home and abroad The scope of the book enables the authors to highlight the trends that characterize Canadian celebrity such as transnationality and bureaucracy and explore the regional linguistic administrative and indigenous cultures and institutions that distinguish fame in Canada from fame elsewhere In historicizing and theorizing Canada's complicated cultures of celebrity *Celebrity Cultures in Canada* rejects the argument that nations are irrelevant in today's global celebritiescapes or that Canada lacks a credible or adequate system for producing distributing and consuming celebrity Nation and national identities continue to matter to celebrities to fans and to institutions and industries that manage and profit from celebrity systems and Canada this collection argues has a vibrant powerful and often complicated and controversial relationship to fame

The Drag Queen Anthology Lisa Underwood, 2013-01-11 Examine the cultural and political implications of male to female gender performance *The Drag Queen Anthology* The Absolutely Fabulous but Flawlessly Customary World of Female Impersonators examines the phenomena of male to female gender performance and the people who live it This provocative collection of original essays explores the possibilities limitations ironies and controversies surrounding men who perform as women to an audience that knows the truth but celebrates the illusion The book's contributors call on extensive backgrounds in sociology anthropology theater literature even military studies and use a variety of approaches to address common themes and genres of presentation performance and style in a wide range of

historical settings and cultures The Drag Queen Anthology explores female impersonation in the past and present addressing the often contradictory cultural impulses found in the performance of femininity The book examines the important issues of this unique form of gendering including the cultural and sociopolitical implications of drag the symbolic cultural ideals associated with women the impact of the performer's social identities on his performance and the reactions of the GLBT straight and feminist communities to drag The book looks at traditional drag performance challenges accepted perceptions about female impersonation and exposes the notion of the effeminate drag queen as an outdated myth The Drag Queen Anthology examines the important issues of male to female gender performance including how drag queen performance is used to attain situational status and power how drag queens challenge contemporary notions of gender what embodiment occurs when men undertake performances of femininity how drag queen performance is viewed as a theatrical presentation of self what representations of drag queens in film suggest about current gender relations why communities organize around drag queen performers how drag queen performance differs on stage and off how male to female gendered performance intersects with performances of sexual identity social class race age and ethnicity The Drag Queen Anthology The Absolutely Fabulous but Flawlessly Customary World of Female Impersonators is an indispensable resource on drag's core elements of performance and parody and how each affects contemporary notions of gender **Canadian Books in Print. Author and Title Index**, 1975

Women and Comedy Peter Dickinson, Anne Higgins, Paul Matthew St. Pierre, Diana Solomon, Sean Zwagerman, 2014-03-27 Women and Comedy History Theory Practice presents the most current international scholarship on the complexity and subversive potential of women's comedic speech literature and performance Earlier comedy theorists such as Freud and Bergson did not envision women as either the agents or audiences of comedy only as its targets Only more recently have scholarly studies of comedy begun to recognize and historicize women's contributions to and political uses of comedy The essays collected here demonstrate the breadth of current scholarship on gender and comedy spanning centuries of literature and a diversity of methodologies Through a reconsideration of literary theatrical and mass media texts from the Classical period to the present Women and Comedy History Theory Practice responds to the historical marginalization and trivialization of both women and comedy The essays collected in this volume assert the importance of recognizing the role of women and comedy in order to understand these texts their historical contexts and their possibilities and limits as models for social engagement In the spirit of comedy itself these analyses allow for opportunities to challenge and reevaluate the theoretical approaches themselves **Soldiers of Song** Jason Wilson, 2012-11-06

The seeds of irreverent humour that inspired the likes of Wayne and Shuster and Monty Python were sown in the trenches of the First World War and The Dumbells concert parties made up of fighting soldiers were central to this process Soldiers of Song tells their story Lucky soldiers who could sing a song perform a skit or pass as a lady were taken from the line and put onstage for the benefit of their soldier audiences The intent was to bolster morale and thereby help soldiers survive the war The Dumbells popularity

was not limited to troop shows along the trenches The group also managed a run in London s West End and became the first ever Canadian production to score a hit on Broadway Touring Canada for some twelve years after the war the Dumbells became a household name and made more than twenty five audio recordings If nationhood was won on the crest of Vimy Ridge it was the Dumbells who provided the country with its earliest soundtrack Pioneers of sketch comedy the Dumbells are as important to the history of Canadian theatre as they are to the cultural history of early twentieth century Canada

Muslims and Humour Schweizer, Bernard, Molokotos-Liederman, Lina, 2022-05-26 This thought provoking collection offers a multi disciplinary approach on the subject of humour Muslims and Islam Beginning with theoretical perspectives and scriptural guidance on permissible and restricted humour the volume presents a variety of case studies about Muslim comedic practices in various cultural political and religious contexts This unprecedented scholarship sheds new light on common misconceptions about humour and laughter in Islam and deftly tackles sensitive themes from blasphemy to freedom of speech Chapter 9 is available Open Access via OAPEN under CC BY NC ND licence [Newfoundland and Labrador](#) Sean T Cadigan, 2017-06-22 Published to coincide with the sixtieth anniversary of Newfoundland and Labrador joining Canada Sean T Cadigan has written the book that will surely become the definitive history of one of North America s most distinct and beautiful regions The site of the first European settlement by Vikings one thousand years ago a former colony of England and known at various times as Terra Nova and Newfoundland until its official name change to Newfoundland and Labrador in 2001 this easternmost point of the continent has had a fascinating history in part because of its long held position as the gateway between North America and Europe Examining the region from prehistoric times to the present Newfoundland and Labrador is not only a comprehensive history of the province but an illuminating portrait of the Atlantic world and European colonisation of the Americas Cadigan comprehensively details everything from the first European settlements the displacement and extinction of the indigenous Beothuk by European settlers the conflicts between settlers and imperial governance to the Royal Newfoundland Regiment s near annihilation at the Battle of the Somme the rise of Newfoundland nationalism Joey Smallwood s case for confederation and the modernization and economic disappointments instigated by joining Canada Paying particular attention to the ways in which Newfoundland and Labrador s history has been shaped by its environment this study considers how natural resources such as the Grand Banks the disappearance of cod and off shore oil have affected the region and its inhabitants Richly detailed compelling and written in an engaging and accessible style Newfoundland and Labrador brings the rich and vibrant history of this remarkably interesting region to life *Planet Canada* John Stackhouse, 2020-10-06 A leading thinker on Canada s place in the world contends that our country s greatest untapped resource may be the three million Canadians who don t live here Entrepreneurs educators humanitarians an entire province s worth of Canadian citizens live outside Canada Some will return others won t But what they all share is the ability and often the desire to export Canadian values to a world sorely in need of them And to act as ambassadors for Canada in

industries and societies where diplomatic efforts find little traction Surely a country with people as diverse as Canada's ought to plug itself into every corner of the globe We don't and sometimes not even when our expats are eager to help Failing to put this desire to work contends bestselling author and longtime foreign correspondent John Stackhouse is a grave error for a small country whose voice is getting lost behind developing nations of rapidly increasing influence The soft power we once boasted is getting softer but we have an unparalleled resource if we choose to use it To ensure Canada's place in the world Stackhouse argues in *Planet Canada* we need this exceptional province of expats and their special claim on the twenty first century

The Development of Managerial Culture Arthur J. Wolak, 2014-11-18 *The Development of Managerial Culture* examines the differences in underlying values and cultural distinctions in managerial cultures in Australia and Canada It offers commentary on differences in attitudes to managerial culture and industrial relations through a comparison of national character development to provide context and insight for readers

Encyclopedia of Radio 3-Volume Set Christopher H. Sterling, 2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the *Encyclopedia of Radio* includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio's technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined

Urban Enigmas Johanne Sloan, 2007 The practice of comparison is implicit in every act of imagining representing and studying urban experience *Urban Enigmas* contributes to recent interdisciplinary interest in cities by introducing comparison as a key methodology for urban cultural analysis Contributors part of the collaborative research project *The Culture of Cities* Montreal Toronto Dublin and Berlin address theoretical and methodological aspects of comparison while case studies examine the mutually constituted identities of Montreal and Toronto through examples of travel writing public art film festivals theatrical performances diasporic communities ethnic festivals and urban media Comparison is shown to be not only something performed by experts but a deeply embedded everyday social practice that contributes to the mutable identities of cities *Urban Enigmas* demonstrates that the accumulation of urban actions encounters experiences and relationships create distinctive patterns that make it possible to recognize the particularity of cities

Canada Máire Áine Ní Mhainnín, Elizabeth Tilley, 2009-05-05 The essays in this volume are expanded versions of papers that were first presented at the 13th Biennial Conference XIII^{me} Congr^s biennal of the Association for Canadian Studies in Ireland held at the National University of Ireland Galway in 2006 The theme of the Conference was Canada at Home and Abroad Text and Territory *Le Canada et ses relations d'ici de l'et de l'bas* The papers debate issues surrounding literature language and language acquisition immigration emigration and culture in Canada Ireland and in Europe as a whole From an examination of the place of hockey in the Canadian literary consciousness to mapping minority language visibility in

officially bilingual cities the focus here is on ways of exploring culture understood in its widest sense **Comedy** Maurice Charney,2005 **Scripting the Environment** Geo Takach,2016-12-08 This volume explores how to engage audiences both beyond and within the academy more deeply in environmental research through arts based forms It builds on a multi pronged case study of scripts for documentary film audio visual and stage formats focusing on how the identity of a place is constructed and contested in the face of environmental concerns around fossil fuel extraction in a globalized visual society and specifically on the rising international public relations war over Alberta s stewardship of the tar sands Each script is followed by discussion of the author s choices of initiating idea research sources format voices world of the story structure and visual style and other notes on the convergence of synthesis analysis and re presentation in the script Included are lively analysis and commentary on screenwriting and playwriting theory the creation and dissemination of the scripts and reflections to ground a proposed framework for writing eco themed scripts for screen audio visual and stage formats

Canadian Book Review Annual ,1998 *Star-spangled Canadians* Jeffrey Simpson,2000 **Canadian Books in Print** ,2001 Canuck Chicks and Maple Leaf Mamas Ann Douglas,2002 This is the first Canadian pop culture book to focus exclusively on the lives of Canadian women **Canadian Books in Print** Marian Butler,2000
