Learning the Left Paul J. Ramsey,2015-05-01 Learning the Left examines the ways in which young people and adults learned and continue to learn the tenets of liberal politics in the United States through the popular media and the arts from the turn of the twentieth century to the present This collection of essays foregrounds mass culture as an educational site it is hoped that this focus on the history of the civic functions of the popular media and arts will begin a much needed conversation among a variety of scholars notably historians of education Vintage Knowledge for 21st-Century Principals Barbara D. Culp,2023-03-20 Now more than ever school principals are on society's front line Every day they deal with the needs of special learners exceptional academic minds and students affected by problems at home At the same time they must monitor the security of the campus and implement new safety initiatives as needs arise To gracefully manage such diverse challenges principals need resources that allow them to access decades of experience at point in their careers Vintage Knowledge for Modern Principals offers tools and inspiration for authoritative solutions and unique resolutions With a concise approach to creative solutions the action items in this book lead to effective results Common challenges are addressed with inexpensive and accessible ideas grouped into three key areas Wisdom for your School considers the school's operations infrastructure and property Wisdom for your People utilizes opportunities that arise while managing teachers students parents and staff Wisdom for You enhances leadership self awareness and relationship building skills Vintage Knowledge for Modern Principals maximizes results for today's schools teachers students and principals LatinAsian Cartographies Susan Thananopavarn,2018-03-19 LatinAsian Cartographies examines how Latina o and Asian American writers provide important counter narratives to the stories of racial encroachment that have come to characterize twenty first century dominant discourses on race Susan Thananopavarn contends that the Asian American and Latina o presence in the United States although often considered marginal in discourses of American history and nationhood is in fact crucial to

understanding how national identity has been constructed historically and continues to be constructed in the present day Thananopavarn creates a new LatinAsian view of the United States that emphasizes previously suppressed aspects of national history including imperialism domestic racism during World War II Cold War operations in Latin America and Asia and the politics of borders in an age of globalization LatinAsian Cartographies ultimately reimagines national narratives in a way that transforms dominant ideas of what it means to be American **The Publishers Weekly** ,1972 *My Paperback Book* Dayo Brown,2017-05-05 This book is a compilation of Spirit inspired quips quotes anecdotes illustrations and maxims on the awesome subject of prayer It is a painstaking collection of some of the greatest prayer adages quotations and sayings about prevailing Bible based Christian prayers **Summer Sermons, Winter Thoughts** Peter C. Hodgson,2018-05-31 The summer sermons have been delivered in the Presbyterian Church of Eagles Mere Pennsylvania over a period of fifteen years When someone first arrives in Eagles Mere for the summer people ask how their winter has been winter meaning the whole time that has elapsed since the previous summer In the author s case winter means Nashville Tennessee where he has lived since 1965 when he joined the faculty of Vanderbilt Divinity School retiring after thirty eight years Winter Thoughts consists of autobiographical reflections on three topics lives theologies and politics The lives are those of Peter and Eva Hodgson The longest section Theologies describes the various influences and directions the author s work has taken in systematic and historical theology Politics reflects on the decline of the liberal democratic consensus The whole is loosely held together by an underlying question How is God efficaciously present in history without violating the fabric of history **Writing the Modern Family** Roberta Garrett,2021-01-29 Although a large body of work has emerged which addresses neoliberal representations of the family in other cultural forms such as parenting advice programmes little has been written specifically on the family and contemporary literature This book examines the growing body of autobiographical and fictional writing on family and parenting issues in Anglo American culture from the late 1990s to the present day The book looks closely at six distinct genres which have arisen during this time frame the misery memoir the mum s lit popular novel the maternal confessional dads lit the dysfunctional domestic novel and the family noir Writing the Modern Family will examine the way these burgeoning areas of British and American writing respond to a neoliberal public discourse in which a parenting deficit rather than economic and structural disadvantage is responsible for increasing inequality in child welfare and achievement In evaluating these forms and their relationship to neoliberal culture the book will also consider the complex interrelationship between these genres **Einstein for the 21st Century** Peter Galison,Gerald James Holton,Silvan S. Schweber,2008 More than fifty years after his death Albert Einstein s vital engagement with the world continues to inspire others spurring conversations projects and research in the sciences as well as the humanities Einstein for the 21st Century shows us why he remains a figure of fascination In this wide ranging collection eminent artists historians scientists and social scientists describe Einstein s influence on their work and consider his relevance for the future Scientists discuss how

Einstein's vision continues to motivate them whether in their quest for a fundamental description of nature or in their investigations in chaos theory art scholars and artists explore his ties to modern aesthetics a music historian probes Einstein's musical tastes and relates them to his outlook in science historians explore the interconnections between Einstein's politics physics and philosophy and other contributors examine his impact on the innovations of our time Uniquely cross disciplinary Einstein for the 21st Century serves as a testament to his legacy and speaks to everyone with an interest in his work The contributors are Leon Botstein Lorraine Daston E L Doctorow Yehuda Elkana Yaron Ezrahi Michael L Friedman J rg Fr hlich Peter L Galison David Gross Hanoah Gutfreund Linda D Henderson Dudley Herschbach Gerald Holton Caroline Jones Susan Neiman Lisa Randall J rgen Renn Matthew Ritchie Silvan S Schweber and A Douglas Stone
