

Standard Letters for Building Contractors. 4th Edition

Description:

Whenever a contractor undertakes work using one of the standard building contracts, however small the job, writing a good many letters will be involved. Some will be formal notices it is necessary to give; others will be letters it is prudent to send.

This book provides a set of over 300 standard letters for use with the standard forms of building contract and sub-contract and aims to cover all the common situations which contractors will encounter when involved in a contract. It has been substantially revised to take account of the 2005 suite of JCT contracts, together with changes in case law and the 2007 CDM Regulations.

The letters are for use with the following contracts:

JCT Standard Building Contract (SBC),
JCT Intermediate Building Contract (IC) and 'with contractor's design' (ICD),
JCT Minor Works Building Contract (MW) and 'with contractor's design' (MWD),
JCT Design and Build Contract (DB),
JCT Standard Building Sub-Contract Conditions (SBSub/C) and 'with sub-contractor's design' (SBSub/D/C),
JCT Intermediate Named Sub-Contract Conditions (ICSub/NAM/C),
JCT Intermediate Sub-Contract Conditions (ICSub/C) and 'with sub-contractor's design' (ICSub/D/C), and
JCT Design and Build Sub-Contract Conditions (DBSub/C).

There are also letters for use with GC/Works/1 and its subcontract.

The book comes with a free CD which includes all the letters. It is compatible for use with Microsoft® Word and WordPerfect® on IBM-PC and Macintosh® machines.

Architects and contract administrators spend a great deal of time writing letters of various types. Many of them are routine and repetitive in character but they require proper consideration if potentially dangerous liability situations are to be avoided. This book provides some 285 standard letters for use at all stages of project administration. To assist the user they are grouped into sections which correspond with the RIBA Plan of Work. The aim is to cover all the common situations encountered in practice. The book has been revised to take account of the latest contract revisions and many letters have been added.

Unless otherwise stated all letters are suitable for use with JCT 98 WCD 98 IFC 98 MW 98 GC Works 1 1998 The latest edition also takes account of the three new RIBA Standard Forms of Agreement for Appointment of an Architect SFA 99 CE 99 and SW 99 Although primarily written for architects and contracts administrators the book will also be of use to project managers and employers agents under WCD 98 Contractors will also find much of interest

Standard Letters For Building Contractors Introduction

In today's digital age, the availability of Standard Letters For Building Contractors books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Standard Letters For Building Contractors books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Standard Letters For Building Contractors books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Standard Letters For Building Contractors versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Standard Letters For Building Contractors books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Standard Letters For Building Contractors books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Standard Letters For Building Contractors books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Standard Letters For Building Contractors books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Standard Letters For Building Contractors books and manuals for download and embark on your journey of knowledge?
