

PUBLIC SPEAKING TEXT.

PREPARED BY : MUHAMAD IZZ FARHAN (6D)

ASSALAMUALAIKUM AND A VERY GOOD MORNING TO THE HONOURABLE JUDGES, TEACHERS AND FRIENDS. TODAY I WANT TO TALK ABOUT OUR MOTHER EARTH. WE WERE BORN HERE AND LIVE HERE FOR THE REST OF OUR LIVES. SO IT IS TOTALLY OUR DUTY TO PROTECT TO MAKE SURE THE PLACE WE LIVE IS CLEAN AND HEALTHY. OR ELSE, WE ARE THE ONE WHO WILL FACE ALL THE CONSEQUENCES FOR OUR WRONG DOING. IT IS CLEAR THAT OUR EARTH IS OLD AND SICK. THERE ARE POLLUTIONS EVERYWHERE, TREES ARE CUT DOWN RESULTING IN INCREASE IN GLOBAL TEMPERATURE, ACID RAIN, LAND SLIDES, FLOOD AND MORE DISASTERS.

WE HAVE TO BE AWARE THAT THIS EARTH WILL BE PASSED TO OUR NEXT GENERATION, SO IT IS OUR RESPONSIBILITY TO TAKE CARE AND PROTECT OUR MOTHER EARTH. SO LET US UNITE , HAND IN HANDS TOGETHER TO MAKE SURE THE AIR WE BREATHE AND THE WATER WE DRANK IS CLEAN AND HEALTHY. THANK YOU

Stmartins Gdeto Public Speaking Text:

Project Text for Public Speaking Clark Stites Carlile, 1981 Public Speaking William M. Keith, Williams, Christian Oscar Lundberg, 2013-01-01 A practical and up to date public speaking text based on rhetorical theory with the theme of the role of choices and civic engagement responsibility integrated throughout in narrative features and examples features a description of the audience as a public to which the speaker belongs rather than as a separate entity defined only by demographics

Practical Public Speaking Solomon Henry Clark, Frederic Mason Blanchard, 1899 The St. Martin's Guide to Public Speaking Joseph S. Tuman, Douglas M. Fraleigh, 2002-07-30 **Project Text for Public Speaking** Clark Stites Carlile, Arlie V. Daniel, 1986-01 **Public Speaking Handbook** Steven A Beebe, Susan J Beebe, 2004-10-27 **Public Speaking** Michael Osborn, Suzanne Osborn, 2005-02 With expanded coverage of persuasion new end of chapter exercises fully integrated technology and new up front material designed to get students ready to present right away the Seventh Edition of Public Speaking is more interactive and student focused than ever Centered around three core objectives preparing students for civic life respecting the diversity of the audience and sensitizing students to the ethical impact of their words the text continues to offer both practical advice for public speaking and an understanding of why such advice works The Seventh Edition introduces two models of oral communication the Mechanical Model and the Identification Model designed to help students better understand the elements that influence oral communication The Mechanical Model addresses the physical and technical constraints that shape communication while the Identification Model points out the ethical consequences of oral communication These concepts are brought to life through examples from real student and professional speeches new Discussion and Application exercises at the end of each chapter and a variety of boxed features throughout the text While the trusted content and distinctive features of the text have been maintained Public Speaking 7 e continues to evolve and adapt to changing times and the needs of its student audience New Integrated Technology icons in the margins provide instructors with a turnkey solution to technology by pointing students to interactive exercises and resources on the newly updated VideoLab CD ROM and revamped Online SpeechStudio in Eduspace New Stairway to Speech Success Model in Chapter 3 Your First Speech lays out the speech development process from start to finish to help students get started on preparing their first presentation Osborn Public Speaking 7 e is one of the only books to have a full chapter dedicated to the first speech A student's first speech can often be one of the most challenging assignments for both the student and instructor since students have to present before learning how to develop and deliver a speech This chapter helps to facilitate this first assignment New Discussion and Application Exercises at the end of each chapter allow students to practice skills in small group settings or on their own These varied activities can be used in class to promote discussion or assigned as homework New Chapter on Communication Anxiety Chapter 2 addresses this important subject when your students need it most as they are preparing to give their first presentation This chapter flows well into Chapter 3 Your First Speech New PowerPoint

Tutorial at the end of Chapter 11 offers instructions including screenshots on how to operate PowerPoint and how to use PowerPoint as an element of a presentation Enhanced coverage of Persuasion Chapters 15 and 16 have been restructured to provide a clearer more ethically defensible discussion of persuasion In addition to expanded coverage on ethics and forms of proof the concept of argumentative persuasion has been developed to emphasize the ethical importance of reasoning in areas such as the formation of public policy Also a new section on Listening to Persuasive Speeches addresses both how to be a thoughtful active listener and how as a speaker to anticipate and respond to questions from listeners Chapter 16also introduces the Toulmin model of proofs to help students grasp how to make reasoning work productively in persuasive efforts Updated InterConnections LearnMore boxes connect students with sources of additional information on the Internet These boxes have been updated and added throughout the text Updated Ethics Alert boxes highlight ethical concerns or issues as they arise in the context of content rather than confining the subject to a chapter on its own The authors believe that isolating ethics in a separate chapter diminishes the importance of ethics in public address These boxes have been updated and added throughout the text Annotated Sample Student Speeches illustrate how the theories and principles discussed apply in real life The Seventh Edition uses more real life examples of student speeches than any other text on the market Updated Speaker s Notes provide students with useful suggestions for improving their presentations and reinforce key principles and concepts

Public Speaking Steven A. Beebe,Susan J. Beebe,2000 This top selling public speaking text continues to be an excellent choice for introductory public speaking courses in both 2 and 4 year colleges and universities Public Speaking An Audience Centered Approach serves as a foundation in speechmaking as it guides students through every step of the process and narrows the gap between the classroom and the real world Its distinctive and popular audience centered approach emphasizes the importance of analyzing and considering the audience at every point along the way with marginal icons highlighting passages that address audience related issues Numerous examples excerpts and sample speeches support the instruction while recap boxes and end of chapter activities reinforce and extend the lessons of the text
