The Case Of The Daring Decoy:

The Case of the Daring Decoy Erle Stanley Gardner, 1960 **The Case of the Daring Decoy, Etc** Erle Stanley Gardner, 1965 *The Case of the Mischevious Doll* Erle Stanley Gardner, 2023-03-28 Perry Mason is hired to identify a woman based on an appendix scar as she fears being a look alike to an heiress may be a setup for her arrest A classic mystery **The Case of the Horrified Heirs** Erle Stanley Gardner, 1995-03-01 Virginia Baxter is the only witness still living who can vouch for the authenticity of Lauretta Trent s will Lauretta Trent a wealthy widow is also still living But for how long Someone has been peppering the spicy food Lauretta loves with arsenic Could it be the same someone who tried framing Virginia Baxter for drug smuggling Lauretta doesn t trust her greedy heirs But could a scheming servant be behind a master plan to fleece her estate It all seems to fit But when Lauretta is murdered on the highway all the evidence places Virginia Baxter squarely in the driver s seat Confused Just think how Virginia s lawyer Perry Mason must feel *The Case of the Lazy Lover* Erle Stanley Gardner, 2023-05-31 A man tells everyone that his wife has run away with his best friend who seems to have a strange lack of enthusiasm about the affair The case leads to murder and a trial that hinges on multiple sets of footprints **The Case of the Daring Decoy** Erle Stanley Gardner, 1957 The Case of the Mischievous Doll Erle Stanley Gardner, 2023-03-27 Mason is hired to identify a woman based on an appendix scar as she fears being a look alike to an heiress may be a setup for her arrest Mason later defends the heiress on murder charges **The Case of the Careless Kitten** Erle Stanley Gardner, 2023-03-28 Mason defends Della Street who is accused of helping a material witness or possible murder suspect vanish from a crime scene A classic mystery Includes an introduction by Karl Wurf The Encyclopedia of Murder and Mystery B. Murphy, 1999-12-09 Bruce Murphy s Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance Perry Mason and Philosophy Heather L. Rivera, Robert Arp, 2020-09-08 In 1933 the crime writer Erle Stanley Gardner himself a practicing lawyer unleashed the character Perry Mason in the novel *The Case of the Velvet Claws* Perry Mason entered into public consciousness as a new conception of the role of the defense lawyer so that millions of Americans came to expect every criminal trial to have its Perry Mason moment In the 1950s the Perry Mason TV show had a phenomenal success and Mason came to be identified with Raymond Burr Now Perry Mason has again been restored to life in the HBO series starring Matthew Rhys and John Lithgow Meanwhile the eighty two original Erle Stanley Gardner novels continue to sell thousands of copies each week Perry Mason gave America a new conception of the trial lawyer as someone who was always loyal to his client and always prepared to use dirty tricks such as misdirection and withholding of evidence to protect the innocent and secure the ends of Justice The Mason of the novels is less scrupulous than the Raymond Burr Mason and would sometimes be in danger of going to jail if the trial didn t turn out right which it

always did largely because of Mason's cleverness. The Perry Mason icon raises many philosophical issues explored by seventeen different philosophers in this book including: Can we defend Paul Drake's claim 'The Case of the Blonde Bonanza' that Mason is a paragon of righteous virtue despite his predilection for skating on thin legal ice? Can complex murder cases be solved by facts alone or do we also need empathy? The most convincing way to give a TV episode a surprise ending is by the guilty person suddenly confessing. But in reality is a confession necessarily so convincing? Does Perry Mason represent the Messiah? How does the Raymond Burr Perry Mason compare with the more recent TV character Saul Goodman, *Breaking Bad* and *Better Call Saul*? Is it morally okay to mislead the police if this helps your client and your client is innocent? How does Perry Mason help us understand the distinction between natural law and positive law? Do the Perry Mason stories comply with Aristotle's recipe for a good work of fiction? Does life imitate art when Perry Mason is cited in real life courtroom arguments? How much trickery can be justified by loyalty to one's client? Can evidence in murder trials be evaluated by probability theory? Perry Mason is officially a lawyer and unofficially a detective. But isn't he really a historian and a psychoanalyst? Della Street is a competent legal secretary but is she something more? Mason often says that 'Eye witness testimony is the worst kind of evidence' and occasionally that 'Circumstantial evidence is the best evidence we have'. Can these claims be defended?
