Gambino, 2000-09-16 When prominent businessman and arts patron E Dillon Parsons is murdered at the prestigious Verdi Society's annual masquerade ball Homicide Lieutenant Douglas MacArthur Kim is plunged into the Philadelphia arts scene where to find the killer he must follow a path of deception in which the arts are subject to corporate whim and justice is subordinated to political expediency When three other members of the city's arts scene are murdered the pathways of deception branch even farther forcing Kim to cope with pressure from his superior officer who wants to be police commissioner from the District Attorney who wants to be mayor and from an overbearing newspaper editor who wants headlines They want an arrest and conviction even though Kim is convinced the prime suspect is innocent Along the way Kim must come to grips with the deceptions of his own life Half Korean half Caucasian he is torn between two cultures Unsure of his own identity he has become alienated from his American stepfather who brought him to this country and raised him as his own then abandoned him and his mother for another woman Now he must follow deception's path until he reaches a doorway of truth

**Conscience, Denied** Charles E. Miller, 2010-10-22 Literate Americans encounter the word conscience yet scarcely pay any attention to its source its proscriptions in human affairs or its power to affect human conduct The Conscience is a weapon for survival and a tool to correct protect and guide the individual in the often troubled course of his or her life These pages illustrate its applications and recognition down through human history beginning at the Fall of Adam and Eve Whether or not the reader shares that biblical account of human history is irrelevant The actuality of conscience in human relations and in the historicity of world events cannot be denied Our pioneers did not underscore the word but every brave progress to settle America involved the conscience of moral and ethical decisions Is the land ours Should I risk my family's lives to make this journey What confidence should I place in our caravan leader How shall I honestly manage to survive without theft murder or mayhem The very reality of survival whether against a military enemy or on wilderness excursion calls upon the human conscience to discern the risks are or the sacrifice or potential loss of life in the doing Miller has included several interesting illustrations a poem that deals with presidential lack of discernment a river trip that involves the choice of dangerous adventure or bank side and a brief drama that illustrates the confrontation of Caesar with the original Christians The conscience is directed usually

unbeknownst to the possessor by God's moral law of love for one's neighbor i.e. another human being made in God's image. This law of the conscientious accounts for this great nation's compassion toward the world and condemns abortion, euthanasia, and fratricide. It also controls and includes the process of justice to protect the innocent. *Eight Dogs, or "Hakkenden"* Kyokutei Bakin, 2021-08-15 Kyokutei Bakin's Nans Satomi Hakkenden is one of the monuments of Japanese literature. This multigenerational samurai saga was one of the most popular and influential books of the nineteenth century and has been adapted many times into film, television, fiction, and comics. An ill-considered jest, the first part of Hakkenden tells the story of the Satomi clan patriarch Yoshizane and his daughter Princess Fuse. An ill-advised comment forces Yoshizane to betroth his daughter to the family dog, creating a supernatural union that ultimately produces the Eight Dog Warriors. Princess Fuse's heroic and tragic sacrifice and her strength, intelligence, and self-determination throughout render her an immortal character within Japanese fiction. *Eight Dogs* is the culmination of centuries of premodern Japanese tale telling, combining aspects of historical romance, fantasy, Tokugawa era popular fiction, and Chinese vernacular stories. Glynne Walley's lively translation conveys the witty and colorful prose of the original, producing a faithful and entertaining edition of this important literary classic. **Deception's Edge** Nannette Potter, 2025-08-30 If you're craving a story where redemption cuts as sharp as any blade, this one delivers with style, soul, and a righteous punch. San Francisco Book Review When revenge meets redemption, the stakes are life or death. Professional knife thrower Blade Broussard is obsessed with finding Alec Quinn, the man responsible for her mother's death. But when her search is interrupted by news that her friend Chase Maserati has been captured in North Korea while on a rescue mission, Blade must make a choice: continue her vendetta or join a desperate operation to save him. Joining forces with the secretive Soldati di Cristo, a clandestine Christian brotherhood, Blade embarks on the mission into one of the world's most oppressive regimes during the tightly controlled Day of the Sun celebration. Disguised and under constant threat of discovery, she navigates a treacherous landscape where one wrong move means certain death. With the clock mercilessly ticking down, Blade has one shot to reach Chase before he faces public execution. What Blade doesn't know is that Alec Quinn, the very man she's been hunting, has followed her into North Korea. And he's not the only one with deadly intentions: a powerful American political family wants Blade silenced permanently. In a closed society where foreigners are always watched and Christians are persecuted without mercy, Blade discovers that survival requires more than skill; it demands sacrifice. And the price of redemption may be higher than she's willing to pay. Fans of James Rollins, Douglas Preston, Lincoln Child, and Dan Brown prepare to meet your next obsession. *The Castle of Enchantment, Or, The Mysterious Deception*, 1810 **Deception's Fury** Jacqueline G.
