The Celtic Twilight Faerie And Folklore:

The Celtic Twilight W. B. Yeats, 2019-01-09 I have desired like every artist to create a little world out of the beautiful pleasant and significant things of this marred and clumsy world and to show in a vision something of the face of Ireland to any of my own people who would look where I bid them I have therefore written down accurately and candidly much that I have heard and seen and except by way of commentary nothing that I have merely imagined I have however been at no pains to separate my own beliefs from those of the peasantry but have rather let my men and women dhoul and faeries go their way unoffended or defended by any argument of mine The things a man has heard and seen are threads of life and if he pull them carefully from the confused distaff of memory any who will can weave them into whatever garments of belief please them best I too have woven my garment like another but I shall try to keep warm in it and shall be well content if it do not unbecome me Hope and Memory have one daughter and her name is Art and she has built her dwelling far from the desperate field where men hang out their garments upon forked boughs to be banners of battle O beloved daughter of Hope and Memory be with me for a little *The Celtic Twilight* W. B. Yeats, 2012-05-14 Rooted in myth occult mysteries and belief in magic these enchanting stories from the great Irish poet are populated by a lively cast of sorcerers fairies ghosts and nature spirits
