The Cesspool:

If I Had Cleared the Cesspool Richard Scott,2007-12 It seems like one s childhood memories should be about something a little more pleasant than taking a dip in a cesspool but that crazy incident remains vivid even today It did not seem like all that big of a deal at the time in fact it was funny once the cleanup was over Author Richard Scott was five and half years old that day in 1943 when his brother dared him to jump over the cesspool His little friend Shirley successfully completed the leap but Scott wasn t as fortunate as he plunged into a stinky mess To this very day he attributes some of his amusing life blunders to that failed jump From early childhood to his retirement years If I Had Cleared the Cesspool tells the humorous stories in the life of an ordinary man with an unordinary sense of humor From an encounter with a rattlesnake to learning to drive the Model A and becoming the baseball team s catcher Scott narrates a delightful chronology of his life You ll smile chuckle and easily relate to Scott s stories about being a fallible funny and regular guy *The Cesspool* Joseph A.
