James J. Y. Liu

The Chinese Knight Errant:

The Chinese Knight-Errant James J.Y. Liu, 2022-05-17 This book first published in 1967 is a comprehensive study of knight errantry in Chinese history and literature from the fourth century BC to the twentieth century After discussing the social and intellectual backgrounds of knight errantry it gives examples of historical knights and describes the development of the theme of knight errantry in poetry fiction and drama Many biographies anecdotes poems and tales are translated in full while long prose romances and dramatic works are summarized and discussed As background to these sketches of the developments of Chinese fiction and drama are provided In a final chapter comparisons are made between Chinese and European knights and between Chinese and Western chivalric literature

The Chinese Knight-errant, by James J. Y. Liu James J. Y. Liu, 1967 **The Sword Or the Needle** Roland Altenburger, 2009 Focusing on narratives about female knights errant xia along thematic lines in Chinese literacy history this text provides an overview of the narrative subgenre the literary representation of gender and the particularities of the Chinese knight errantry narrative

Traditional Chinese Stories Yau-Woon Ma, Joseph S. M. Lau, 1986 For centuries the Chinese referred to their fiction as xiaoshuo etymologically meaning roadside gossip or small talk and held it in relative disregard *Green Peony and the Rise of the Chinese Martial Arts Novel* Margaret B. Wan, 2009-01-05 Martial arts fiction has been synonymous with popular fiction in China from the Qing dynasty on This book the first to trace the early development of the martial arts novel in China demonstrates that the genre took shape nearly a century earlier than generally recognized Green Peony 1800 one of the earliest martial arts novels lies at the center of a web of literary relations connecting many of the significant genres of fiction in its day Adapted from a drum ballad Green Peony parodies both previous popular fiction and the great Ming novels generating humorous reflection on their values By focusing on popular fiction and popular culture Margaret B Wan argues for the relevance of genre to literary criticism the convergence of popular and elite fiction in the nineteenth century and a general turn from didacticism to entertainment Literary scholars historians and anyone who wishes to know more about Chinese popular culture in the Qing dynasty will benefit from reading this book

The Chinese Political Novel Catherine Vance Yeh, 2020-05-11 The political novel which enjoyed a steep yet short rise to international renown between the 1830s and the 1910s is primarily concerned with the nation's political future It offers a characterization of the present a blueprint of the future and the image of the heroes needed to get there With the standing it gained during its meteoric rise the political novel helped elevate the novel altogether to become the leading literary genre of the twentieth century worldwide Focusing on its adaptation in the Chinese context Catherine Vance Yeh traces the genre from Disraeli's England through Europe and the United States to East Asia Her study goes beyond comparative approaches and nation state and language centered histories of literature to examine the intrinsic connections among literary works Through detailed studies especially of the Chinese exemplars Yeh explores the tensions characteristic of transcultural

processes the dynamics through which a particular and seemingly local literary genre goes global the ways in which such a globalized literary genre maintains its core features while assuming local identity and interacting with local audiences and political authorities and the relationship between the politics of form and the role of politics in literary innovation

Chinese Martial Arts and Media Culture Tim Trausch, 2018-11-16 Signs and images of Chinese martial arts increasingly circulate through global media cultures As tropes of martial arts are not restricted to what is considered one medium one region or one sub genre the essays in this collection are looking across and beyond these alleged borders From 1920s wuxia cinema to the computer game cultures of the information age they trace the continuities and transformations of martial arts and media culture across time space and multiple media platforms *Tales from Tang Dynasty China* Alexei Ditter, Jesse Choo, Sarah Allen, 2017-09-01 Compiled during the Song dynasty 960 1279 at the behest of Emperor Taizong the Taiping Guangji anthologized thousands of pages of unofficial histories accounts and minor stories from the Tang dynasty 618 907 The twenty two tales translated in this volume many appearing for the first time in English reveal the dynamism and diversity of society in Tang China A lengthy Introduction as well as introductions to each selection further illuminate the social and historical contexts within which these narratives unfold This collection offers a wealth of information for anyone interested in medieval Chinese history religion or everyday life Chinese Martial Arts Cinema Stephen Teo, 2015-11-13 This is the first comprehensive fully researched account of the historical and contemporary development of the traditional martial arts genre in the Chinese cinema known as wuxia literal translation martial chivalry a genre which audiences around the world became familiar with through the phenomenal crossover hit *Crouching Tiger Hidden Dragon* 2000 The book unveils rich layers of the wuxia tradition as it developed in the early Shanghai cinema in the late 1920s and from the 1950s onwards in the Hong Kong and Taiwan film industries Key attractions of the book are analyses of The history of the tradition as it began in the Shanghai cinema its rise and popularity as a serialized form in the silent cinema of the late 1920s and its eventual prohibition by the government in 1931
