The Community Of Man:

The Community of Man and Woman Christopher Alan Anderson, 2012-09-13 Can we ever find heaven on earth We strive and seek why do our visions fail us so Could it be that the premises we hold deep within ourselves preclude the manifestation of the proclaimed vision This work *The Community of Man and Woman* details a vision and the premises that hold it securely in place We are sexual beings residing within a sexual universe And thus lies our spirituality our mentality and our physicality The creative balance between male and female is as spiritual mental and physical as things can get There isn't anything more real or immediate than that one creative touch between a man and a woman There isn't any greater love than the love from a man to a woman and from a woman to a man All that originates from this sexual love *The Community of Man and Woman* Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now keywords Community Vision Metaphysics Man And Woman Creative Love Sexual Love **The Community of Man** Hugh Miller, 1949 *The Community Development Reader* Craig, Gary, Mayo, Marjorie, 2011-05-18 This unique Reader traces the changing fortunes of community development through a selection of readings from key writers *The Community* Jean Spenst, 2011-10-28 While they were growing up Mary and her twin sister Krisi could not have been more different Krisi craved adventure Mary liked planting her feet firmly on the ground As they became women their inherent differences led them in separate directions When Krisi became pregnant and suddenly asked Mary to raise her son Mary couldn't refuse her sister's appeal for help but soon the sisters lost touch After two years of not hearing from Krisi Mary learns that Krisi may be dead and that she may be a victim of murder Mary refuses to believe it for somewhere deep inside her she feels certain that Krisi is still alive After acquiring this shocking information Mary focuses on raising Jordie Krisi's son and tries to move on But when her house is inexplicably ransacked Mary begins to sense that someone is seeking her attention When she sees the message scrawled on her wall warning her to leave her house she has no choice but to temporarily return to her childhood home even though it holds unpleasant memories *The Temple and the Community in Qumran and the New Testament* Bertil Gärtner, 2005-10-06 This is the first of a series of monograph supplements to the journal *New Testament Studies* The main purpose of the series is to make possible publication of work which is too long for inclusion in the journal The

monographs will be published in either English French or German the present one is in English Dr G rtner s purpose is to follow in detail the parallels between the New Testament and Qumran writings in their concept of the community Christian or Essene as a spiritual temple The whole complex of relationships between Qumran and the early Church is studied with the purpose of extending our knowledge of the Jewish background of the New Testament Dr G rtner s conclusions lend strong support to the view that it is from this Qumran type of Judaism that the Christian Church arose **The Community of Man** Hugh Muller,2013-10 This is a new release of the original 1949 edition The man problem in the black community Stella Glory,2024-05-20 The quest to understand the reason some continents enjoys a better life whereas some are not living close to it yet resulted to the WHY question I found myself asking Having experience life from two continent two different people two different culture and of course two different standard of living This book is my discovery of the Why question as it relates to my Black people **Theater of Man** J.
