The Total Guide T. H. E. Total Travel GUIDE COMPANY,2019-04-17 The Best and Most Unique Cuba Travel Guide Cuba is the largest island in the Caribbean and home to about 11 million Cubans This is a truly unique place which most of you know because of our famous history and infamous regime However Cuba is so much more than what makes it to the media or in the press Contrary to popular belief it s a very welcoming place and tourists are always made to feel at home or as a very important guest of our little island Cuba has developed at a different pace than any other country in the world Life on the island is filled with rhythms of music charismatic people a unique culture idyllic countryside and tropical beaches Cuba never ceases to amaze tourists and locals alike with its fading colonial architecture classic cars and delicious food and flavorful rum When you walk the streets of Cuba you will notice an appreciation for art and culture like nowhere else in the world Conversely the countryside is home to unspoiled nature that dazzles you with its diversity of flora and fauna You will surprised to find a different Cuba these days due to a number of factors that are slowly awakening Cuba from its long hibernation in the socialist regime that it endured for a long period of time First of all the Soviet Union collapsed in 1990 which sent Cuba in a financial crisis and then Fidel Castro becoming too old to run the country handed it over to his brother Raul The differences in the style of governing didn t take too long to appear The Cuban people enjoy more freedom everyday There is an unprecedented increase in the private sector with more and more Cubans allowed to venture into owning and operating their own businesses This is also reflected in the provincial areas and the bureaucracy seems to become less troubling for travelers who are getting access to private businesses with the mission of making the process effortless The recent talks about lifting the embargo and improving the US Cuba relationships is a step forward but it s still illegal for Americans to visit Cuba Not because we don t allow it It s the US Government that fines its citizens for visiting this country We ll talk about the visa aspects in a future chapter Let this book guide you to the many places that you must see in Cuba to make this trip a life changing event This book is filled with suggested places to stay from budget to luxurious places to visit local cuisines to try
