The Concrete Village:

Villages of Britain Clive Aslet, 2011-08-15 Britain's villages are world famous for their loveliness and idiosyncratic charm. Each village is different. Travel across the country and you will unearth a joyous variety from straggly Leintwardine in Herefordshire to BBC film perfect Askrigg in Yorkshire to higgledy piggledy tourist hub Polperro in Cornwall to Miserden in Gloucestershire with its staggeringly beautiful gardens to Pittenweemin Fife still eking a living from fishing to the warring villages of Donhead St Mary and Donhead St Andrew in Wiltshire. History and architecture account for some differences: the memorials in churches, the details of door frames and chimney stacks, but there are also differences of spirit and in how life is lived there today. What are the thriving local businesses? What are they selling in the shops or are there shops at all? What are the traditions, old or invented? Who are the people who make these communities work? In this captivating volume, Clive Aslet draws on thirty years of travel in the countryside working for Britain's Country Life magazine to give us a living, personal and opinionated history of five hundred of Britain's most beautiful and vibrant villages. Meticulously researched and drawing from conversations with local residents, publicans and vicars, this book is both an indispensable gazetteer for anyone planning to tour the countryside and a portrait of rural Britain in a time of change. *The Concrete Age*, 1912 **Town & County**

Edition of The American City, 1918 **The Lost Villages** Henry Buckton, 2008-04-30 Across Britain there are more than 3,000 lost villages, once thriving communities that time and fortune have reduced to ivy-clad remnants and weather-worn ruins. Echoes of a former age, they evoke a natural curiosity as to who lived in them, what caused their decline. Bestselling author Henry Buckton goes in search of some of Britain's more recent lost villages. Hallsands in Devon swept away in a violent storm, the communities of Vatersay and Mingulay in Scotland victims to the changing fortunes of the local laird, and the picture-perfect village of Imber in Wiltshire requisitioned for the nation in time of war but never given back. Combining rare photographs and the memories of those who knew the villages, the author provides a timely account of communities whose stories would otherwise soon be lost for ever. *Alaska Village Missions* Jerry Wood, 2019-01-17 Alaska Village Missions: The First 50 Years is a story of a man and his family seeking the will of God. Pastor Ray Arno left the small church he pastored in Wisconsin and made his way to the Alaskan frontier. Arno's original intent was to serve in villages of Alaska to see the Gospel message spread by whatever means possible. However, God had another plan in mind and would soon be bringing about the construction and birth of a Bible school in Homer, Alaska. Initially, God's plan seemed to be a great struggle, however, as they patiently continued the work, God had called them to, he provided resources, help, and the determination to stay the course. The stories and events that followed would not only stretch his faith and shock him, but they would also indelibly show off the power of the living God. God's power remains in effect with the Alaska Bible Institute founded in 1965 and its parent organization, Alaska Village Mission, founded in '64. Our hope in sharing this story is that it may bless, encourage, challenge, and inspire you to respond to the call God has for your life. **Remembering India's Villages** Santosh K.
