The Ecclesiastical Text Theodore P. Letis, 2000 **The Ecclesiastical Text** Theodore Letis, 2018-10-05 Letis classic book *The Ecclesiastical Text* demonstrates the shift in the understanding of Scriptural authority from the Reformation to the development of Warfield's view of inerrancy as residing in the original autographs of Scripture

American Theological Inquiry, Volume Seven, Issue One Gannon Murphy, 2014-01-20 *American Theological Inquiry* ATI reaches thousands of Christian scholars, clergy, and other interested parties primarily in the U.S. and U.K. The journal was formed in 2007 by Gannon Murphy, PhD, Theology, Univ. Wales, Lampeter, Presbyterian Reformed, and Stephen Patrick, PhD, Philosophy, Univ. Illinois, Eastern Orthodox, to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America and the West. The purpose of ATI is to provide an inter-tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theologies, developments, ideas, commentaries, and insights pertaining to theology, culture, and history toward reforming and elevating Western Christianity. ATI seeks a critical function as much or more so as a quasi-ecumenical one. The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter-tradition understanding while mutually affirming Christ's power to transform culture and the importance of strengthening Western Christianity with special reference to Her historic creedal roots. Theologians would be theologians, and the theologically attentive will want to check out *American Theological Inquiry*. Richard John Neuhaus, 1936-2009, *First Things*.

Scholarly Sources Concerning the Textus Receptus (And Its Allies) Cody L. Parrott, 2021-04-07 *Scholarly Sources on the Textus Receptus And its Allies* shows you the men and women who have through history spent many years and lots of time either writing and revising the text of the New Testament or have done research and archeological finds to help show us that we indeed have God's rightful Word. With Biographies and the works that support the Text given to the reader, this allows you to do further research into the individuals and get their work to learn more.

The Divine Authenticity of Scripture A. T. B. McGowan, 2008-05-21 Andrew McGowan examines the evangelical understanding of the nature and use of Scripture. McGowan emphasizes the work of the Holy Spirit in relation to Scripture and argues that we should speak of spiration rather than inspiration of Scripture.

The Oxford Handbook of Divine Revelation Balázs M. Mezei, Francesca Aran Murphy, Kenneth Oakes, 2021 This Handbook offers a systemic approach to the notion of revelation in its various theoretical contexts. It provides in-depth coverage of the theoretical and historical fields in which the notion of revelation is discussed.

The Text of the New Testament Bruce Manning Metzger, Bart D. Ehrman, 2005 This thoroughly revised edition of Bruce M. Metzger's classic work is the most up-to-date manual available for the textual criticism of the New Testament. *The Text of the New Testament* Fourth Edition has been invigorated by the addition of Bart D. Ehrman, author of numerous best-selling books on the New Testament as a coauthor. This revision brings the discussion of such important

matters as the early Greek manuscripts and methods of textual criticism up to date integrating recent research findings and approaches into the body of the text as opposed to previous revisions which compiled new material and notes into appendices The authors also examine new areas of interest including the use of computers in the collection and evaluation of manuscript evidence and the effects that social and ideological influences had upon the work of scribes The standard text for courses in biblical studies and the history of Christianity since its first publication in 1964 The Text of the New Testament is poised to become a definitive resource for a whole new generation of students

Does It Matter Who Wrote the Bible? David B. Capes, 2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of scholars from universities seminaries and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022 These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament

Scriptural Authority and Biblical Criticism in the Dutch Golden Age Henk Nellen,2017-10-06 Scriptural Authority and Biblical Criticism in the Dutch Golden Age explores the

hypothesis that in the long seventeenth century humanist inspired biblical criticism contributed significantly to the decline of ecclesiastical truth claims Historiography pictures this era as one in which the dominant position of religion and church began to show signs of erosion under the influence of vehement debates on the sacrosanct status of the Bible Until quite recently this gradual but decisive shift has been attributed to the rise of the sciences in particular astronomy and physics This authoritative volume looks at biblical criticism as an innovative force and as the outcome of developments in philology that had started much earlier than scientific experimentalism or the New Philosophy Scholars began to situate the Bible in its historical context The contributors show that even in the hands of pious orthodox scholars philological research not only failed to solve all the textual problems that had surfaced but even brought to light countless new incongruities This supplied those who sought to play down the authority of the Bible with ammunition The conviction that God s Word had been preserved as a pure and sacred source gave way to an awareness of a complicated transmission in a plurality of divergent ambiguous historically determined and heavily corrupted texts This shift took place primarily in the Dutch Protestant world of the seventeenth century
