Ward,2006 Fanny Lewald Between Rebellion and Renunciation provides the first comprehensive account in English of the life and work of Fanny Lewald 1811 1889 tracing the way she positioned herself sometimes precariously between rebellion and renunciation All genres are considered novels and stories autobiography travel literature essays diaries and letters Widely recognized as one of the early German advocates of women s right to education and work this study places Lewald s views on these issues in a broadly comparative cultural context This book will therefore be of interest not only to specialists in German literature but also to students and scholars of European cultural and social history Jewish studies and women s studies Publisher s website

to linguistic dialects to the famous Oktoberfest **A Year of Revolutions** Hanna Ballin Lewis,1998-01-01 Lewald 1811 1889 the best selling German woman writer in the nineteenth century proved a keen and perceptive observer of the social artistic and political life of her times of which these Recollections offer an excellent example Written from a woman's perspective this first hand account of the revolutions in both Germany and France must be considered a unique document It is further enhanced by her detailed description of the Frankfurt Parliament and her relationships with many of the prominent politicians and thinkers of that eventful period **Keepers of the Motherland** Dagmar C. G. Lorenz,1997-01-01 Keepers of the Motherland is the first comprehensive study of German and Austrian Jewish women authors Dagmar Lorenz begins with an examination of the Yiddish author Glikl Hamil whose works date from the late seventeenth and early eighteenth centuries and proceeds through such contemporary writers as Grete Weil Katja Behrens and Ruth Kl_ger Along the way she examines an extraordinary range of distinguished authors including Else Lasker Sch_ler Rosa Luxemburg Nelly Sachs and Gertrud Kolmar Although Lorenz highlights the author's individualities she unifies Keepers of the Motherland with sustained attention to the ways in which they all reflect upon their identities as Jews and women In this spirit Lorenz argues that the themes and characters as well as the environments evoked in the texts of Jewish women authors writing in German resist patriarchal structures The term motherland defining the domain of the Jewish woman's native language regardless of political or ethnic boundaries is juxtaposed with the concept fatherland referring to the power structures of the nation or state in which she resides Lorenz describes a vital diverse and largely dissident literary tradition a brilliant countertradition in effect that has endured in spite of oppression and genocide Combining careful research with inspired synthesis Lorenz provides an indispensable work for students of German Jewish and women's writings **Joyous Greetings** Bonnie S. Anderson,2000-03-16 Over one hundred fifty years ago champions of women's rights in the United States Britain France and Germany formed the world's earliest international feminist movement Joyous Greetings is the first book to tell their story From Seneca Falls in upstate New York to the barricades of revolutionary Paris from the Crystal Palace in London to small towns in the German Rhineland early feminists united to fight for the cause of women At the height of the Victorian period they insisted their sex deserved full political equality called for a new kind of marriage based on companionship claimed the right to divorce and to get custody of their children and argued that an unjust economic system forced women into poorly paid jobs They rejected the traditional view that women's subordination was preordained natural and universal In restoring these daring activists' achievements to history Joyous Greetings passes on their inspiring and empowering message to today's new generation of feminists **Mathilde Franziska Anneke (1817-1884)** Susan L. Piepke,2006 One of the forgotten nineteenth century women writers Mathilde Franziska Anneke 1817 1884 was a political activist writer and educator who experienced exciting historical times in both Germany and the United States Wisconsin Writing on the eve of the German Revolution of 1848 she founded a short lived revolutionary newspaper and even rode into battle Later in exile in the United
