The Education Of Julius Caesar A Biography A Reconstruction:

The Education of Julius Caesar Arthur David Kahn, 1986 This is by no means a dry as dust bare skeleton of history but a lively and imaginative reconstruction of the events of Caesar's dramatic period Michael Grant **Julius Caesar** Beatrice Gormley, 2006-06 A biography of the Roman general and statesman whose military leadership helped make Rome the center of a vast empire Julius Caesar Horst Zander, 2005-07-05 This book explores traditional approaches to the play which includes an examination of the play in light of current history in the context of Renaissance England and in relation to Shakespeare's other Roman plays as well as structural examination of plot language character and source material Julius Caesar Critical Essays also examines the current debates concerning the play in Marxist psychoanalytic deconstructive queer and gender contexts **Julius Caesar** Nigel Cawthorne, 2005 This will be the first in a series on the Roman Caesars which will include titles on Augustus Claudius and Constantine They will be written in the typical Life Times style accessible affordable beautifully produced and illustrated and above all entertaining to read for a new generation of readers who have become interested in the Roman era through movies such as Gladiators **Caesar in the USA** Maria Wyke, 2012-11-13 The figure of Julius Caesar has loomed large in the United States since its very beginning admired and evoked as a gateway to knowledge of politics war and even national life In this lively and perceptive book the first to examine Caesar's place in modern American culture Maria Wyke investigates how his use has intensified in periods of political crisis when the occurrence of assassination war dictatorship totalitarianism or empire appears to give him fresh relevance Her fascinating discussion shows how from the Latin classroom to the Shakespearean stage from cinema television and the comic book to the internet Caesar is mobilized in the U S as a resource for acculturation into the American present as a prediction of America's future or as a mode of commercial profit and great entertainment **Julius Caesar's Self-Created Image and Its Dramatic Afterlife** Miryana Dimitrova, 2017-12-14 The book explores the extent to which aspects of Julius Caesar's self representation in his commentaries constituent themes and characterization have been appropriated or contested across the English dramatic canon from the late 1500s until the end of the 19th century Caesar in his own words constructs his image as a supreme commander characterised by exceptional celerity and mercifulness he is also defined by the heightened sense of self dramatization achieved by the self referential use of the third person and emerges as a quasi divine hero inhabiting a literary historical reality Channelled through Lucan's epic *Bellum Civile* and ancient historiography these Caesarean qualities reach drama and take the shape of ambivalent hubris political role playing self institutionalization and an exceptional relationship with temporality Focusing on major dramatic texts with rich performance history such as Shakespeare's Julius Caesar Handel's opera *Giulio Cesare in Egitto* and Bernard Shaw's *Caesar and Cleopatra* but also a number of lesser known early modern plays the book encompasses different levels of drama's active engagement with the process of reception of Caesar's iconic and controversial personality **A History of the Western Educational Experience** Gerald L.

Gutek,1994-12-14 This comprehensive volume examines the impact on education of such momentous world events as the ascendancy of neo Conservatism the collapse of the Soviet system the end of the Cold War the reunification of Germany and the resurgence of ethnonationalism It creates an historical perspective by identifying and analyzing the significant formative ideas and institutions that have shaped the Western educational heritage **Dictator** Mark Wilson,2021-09-13 The role and development of the Roman dictatorship over three centuries Lives in Education Joan K. Smith,2023-05-31 This volume presents the history of Western education through the biographies of some 70 individuals past and present who exemplify the education of their times or have made important contributions to the development of educational theory or practice In so doing it links major issues and ideas in education to key historical personalities Each chapter includes substantive background information a summary and chapter notes Great Warrior Leaders/thinkers ,1989 **How to Think Like an Officer** Reed Bonadonna,2020-09-01 The U S military invests heavily in time and resources to train its officers to be leaders in the broadest sense forming them not only in military art and science strategy tactics command etc but also in humanistic knowledge character and values as well as how to apply this education on a lightning fast battlefield or within an inertially slow bureaucracy The military develops its leaders at the service academies and in ROTC programs through very specific but also broad and deep education a way of thinking that also has wide application in the civilian world not only in various professional fields that need leaders and thinkers but also among military history enthusiasts who want to understand how officers have thought across time and among American citizens who want and really need to understand how our military leaders think how they advise presidents how they lead on the battlefield In a genre busting book that spans Stackpole s two longstanding military programs reference and history Reed Bonadonna describes how officers think how they ought to think how they develop their skills and how they can improve these skills as well as how average civilians and citizens can learn from the example of military officers and their program of education Bonadonna draws from military history from military arts and science from literature and science and more to show how officers develop their critical thinking and problem solving skills A military officer is often called upon to be not only fighter and leader but also negotiator organizer planner and preparer teacher writer scientist and advisor and needs broad learning This is a deeply learned and insightful book one that cites Lincoln Grant Patton Eisenhower Marshall and Churchill as easily as Sun Tzu and Clausewitz not to mention Homer Plato Joseph Conrad Henry James Wilfred Owen Robert Graves George Orwell Ludwig Wittgenstein Joseph Heller Phil Klay and even Jane Austen The book is descriptive as well as prescriptive and should find eager readers inside the military where officers take seriously their professional education and their professional reading lists as well as outside where many look to the military to military reading lists and to military history to glean lessons for life and work The Broadview Anthology of American Literature Concise Volume 1: Beginnings to Reconstruction Derrick R.
