**The Embodiment of God as a Whole** Don Marr,2004-11-23 One evening in 1991 businessman Don Marr was awakened suddenly from his sleep by a mysterious force Ideas flowed swiftly through his mind as his hand would write on its own He was told that this was a voluntary process that could be stopped at any time He arose that night and many nights to follow His efforts resulted in two books A GATEWAY TO HIGHER CONSCIOUSNESS and MY FATHER CALLS ME One Mans Way Back To GOD In this third book the dialogue format of MY FATHER CALLS ME One Mans Way Back To GOD continues The emphasis is on the concept of all of us being AT 1 What comments would someone who understands that we are all one have for us Will the universe really shift to this idea When might it happen These issues are addressed in the question and answer format that were used in Dons previous book The dialogue between Self and Higher Self concerns the knowledge about our future

**My Father Calls Me** Don Marr,2018-06-16 Ever want to touch God We ve all wondered about life and the existence of God If you had a chance to ask God anything what would you ask In 1991 businessman named Don Marr was taking dictation from what he thought were angels or spiritual beings ultimately creating his first book A Gateway To Higher Consciousness The process continued a year later when quite by surprise the conversation took a sudden turn The spiritual being identified itself as god goddess all that is From there the dialogue got very interesting and Don began to ask the questions that we ve always wanted to ask What s this thing called love What about sex What are we doing here What happens when you die What about sin guilt and judgment Do people exist on other planets What can you do to improve your intimate relationships The answers he received may surprise you They may shock you or they may raise more questions In

all It does not assume extensive Bible knowledge neither does it mitigate against those who are recognized teachers of scripture In fact the real challenge of this programme is how church leaders manage the ensuing debates that arise from studying the Bible in this way If you see your primary task as a leader as being one of maintaining the orthodoxy of your church tradition than this programme is probably not for you If on the other hand you believe that the words of Jesus are true that the Holy Spirit has been given to us to lead us into all truth then this is an opportunity to strip away the traditions of men and go deeper into God s Word and there discover anew the immense treasures that he has revealed in His scriptures
