The Emperors Panda:

Emperor's Panda ,2016-01-28 A young boy and his sister try to hide a panda from the Emperor in Ancient China

The Emperor's Panda A.M. Reynolds, **The Emperor's Panda** David Day,1987 Relates how the poor young shepherd boy Kung became the Emperor of all China with the help of the Master Panda the most magical and wisest creature in all the world [The Emperor's Panda \[braille\]](#) David Day,1988 **The Emperor's Panda** David Day,1988 Relates how the poor young shepherd boy Kung became the Emperor of all China with the help of the Master Panda the most magical and wisest creature in all the world **Pandas and People** Jianguo Liu,Vanessa Hull,Wu Yang,Andrés Viña,Xiaodong Chen,Hemin Zhang,2016 Part I Empirical and theoretical foundations Part II Model coupled human and natural system Part III Across local to global coupled human and natural systems Part IV Perspectives *A Visual Celebration of Giant Pandas* Fanny Lai,Bjorn Olesen,2013-01-24 The result of five years of meticulous research and stunning photography A Visual Celebration of Giant Pandas is a delightful volume that follows in the footsteps of the shy and enigmatic giant panda and captures both adults and cubs on camera in close up situations Beautifully photographed in rarely seen settings the authors explain what makes the panda such a lovable icon and why the public cannot have enough of this symbol of quiet hope for survival in a fast changing planet It also provides readers with fascinating and detailed information about Giant Panda s and the other species that share its habitat such as the red panda and snow leopard The issue of pandaplomacy is also addressed with the arrival of pandas in Singapore in 2012 and their likely arrival in Malaysia in 2013 Finally the book assesses the chances of survival for the giant panda and the efforts being made to preserve its habitat **The Last Panda** George B. Schaller,1994-09-14 Dependent on a shrinking supply of bamboo hunted mercilessly for its pelt and hostage to profiteering schemes once in captivity the panda is on the brink of extinction Here acclaimed naturalist George Schaller uses his great evocative powers and the insight gained by four and a half years in the forests of the Wolong and Tangjiahe panda reserves to document the plight of these mysterious creatures and to awaken the human compassion urgently needed to save them No scientist is better at letting the rest of us in on just how the natural world works no poet sees the world with greater clarity or writes about it with more grace Anyone who genuinely cares for wildlife cannot help being grateful to Schaller both for his efforts to understand the panda and for the candor with which he reports what has gone so badly wrong in the struggle to save it from extinction Geoffrey C Ward New York Times Book Review Schaller s book is a unique mix of natural history and the politics of conservation and it makes for compelling reading Having been in giant panda country myself I found some of the descriptions of the animals and habitats breathtaking Schaller describes the daily routines and personalities of the giant pandas he studied as well as their fates thereafter as though they were his blood relatives Schaller s brilliant presentation of the complexities of conservation makes his book a milestone for the conservation movement Devra G Kleiman Washington Post Book World George Schaller s most soulful work written in journal style with many asides about a creature who evolved

only two to three million years ago about the same time as humans Here conservation biology confronts an evil that grinds against hope and shatters the planet s diversity Written with hope Whole Earth Catalog A nicely crafted blend of wildlife observation and political cultural analysis The Last Panda is a sad chronicle of our failure so far to stem the decline of the animal that may be the most beloved on the planet Donald Dale Jackson Smithsonian [Giant Panda](#) (2003) **The Adventure Guys** Glen M. Vogel,2006-06-09 The Adventure Guys in the Chinese Bear Cat Rescuer recounts the escapades of Green and Blue known as the Adventure Guys on their first mission as they are urgently dispatched to China to rescue the endangered giant pandas called Bear Cats by the Chinese from a band of international poachers hired by the evil Dr Obnoxious The Adventure Guys are befriended and guided through their misadventures in the Chinese highlands by Jia Li a 10 year old Chinese girl whose courage and wit helps make their mission a success as they navigate this unique terrain save the panda and capture the poachers that were carrying out the diabolical plot of the wicked Dr Obnoxious head of the evil organization called Turmoil **Travels in an Upside-Down World** Derek Geoffrey Sidenius,2025-08-11 This is a book about discovering China from both historical and personal perspectives It covers a five year period from 1984 when China s modernizations were just taking hold to 1989 and the student led Tiananmen protest that culminated in a vicious crackdown and a draconian aftermath During this time the author taught at a major university of China s Ministry of Public Security in Beijing and worked as a journalist for China s top media outlets also in Beijing The book examines aspects of both China s educational system and its approach to covering the news It contains accounts of travels to all parts of the country sometimes on the author s own sometimes with friends and colleagues and sometimes with his two teenaged daughters joining him from Canada Featured also is a story of the author and his daughter Katharine being chosen for movie parts shot on location in a remote region of the country as well as trips with his daughters to other countries one crossing Asia on the Trans Siberian Railway and another climbing Kilimanjaro Africa s highest mountain In his book the author says every day was an epiphany Often the result was beyond expectation The sum effect of his varied experiences in an upside down world was to turn his own world upside down too [Giant Panda](#) Anna Claybourne,2005 How many giant pandas are left in the world Why is so little known about the giant panda Why do giant pandas have black and white fur Giant Panda answers these and many other questions about this endangered species Find out where giant pandas live and why they breed so slowly Learn about their favorite food bamboo Read about how the growing human population of China has affected giant panda habitats and what the Chinese government has done to save the pandas See how the giant panda has become a symbol for conservation efforts around the world **DK Eyewitness Books: Ancient China** Arthur Cotterell,2005-09-05 Here is a spectacular and informative guide to the history of the great Chinese empire and the customs and traditions of its people Stunning real life photographs and lifelike models offer a unique eyewitness view of life in imperial China from its earliest beginnings in the Bronze Age to its final days in the early years of the 20th century See the stunning bronze work of the ancient Chinese an
